# Milton & District Horticultural Society

## Milton and District Horticultural Society is Calling All Gardeners!

The Milton and District Horticultural Society is a group of gardeners, some experts and some beginners, united by a love of growing plants and caring for gardens. Some of our projects include planting and maintenance of the Town Hall and Library gardens, meetings featuring informative speakers on many aspects of gardening, flower arranging classes, flower shows, garden tours and a plant sale. There is no need to be a member of the society - we welcome everyone to any of our activities. We hope that we can pass on gardening tips, solve plant problems or show off beautiful gardens to all of the people of Milton, both those with established gardens and those starting out with a blank canvas.

Please come to any or all of our activities as listed below:

**May 20 - The Annual Plant Sale.** Come to the Fairgrounds at 6:00pm for an outstanding selection of plants from the gardens of society members as well as donations from our supporters. You can find many unusual perennials, trees and shrubs at great prices. Funds raised go toward Society projects within the town.

**May 30 - Renovating a Perennial Garden.** The focus today is on adding new perennials to the garden, and on selecting and planting annuals to replace the spring bulb foliage. Bring your tools to the Town Hall Garden at 1:00pm.

**June 8 - Rock Garden and Ground Cover Care.** At the Library Garden at 10:00am we will groom the ground cover plants, remove weeds and deal with the fading foliage of the spring bulb display.

**June 19 - The Summer Flower Show.** Bring your prize specimens to Milton Mall between 9:00am and 11:00am. The members of the Society on duty will help you enter. View the whole show between 12:00 and 3:30pm.

**June 21 - The regular monthly meeting of the Society** will feature Peter Keeping speaking on Clematis. Everyone is welcome to come and find out about the new varieties and colours available in this garden staple.

**June 27 - The Garden Tour.** This year's garden tour theme is "Butterflies & Blooms". Get set for a tour of wonderful gardens. An English garden with water feature and bog garden, a garden of exotic perennials and shrubs, and a garden filled with a riot of annual colour are only some of the gardens you will enjoy. It should be a great day to relax and get new inspiration for your own garden. Tour will be held on Sunday, June 27 from 11:00 am to 4:00 pm. Tickets go on sale starting May 21 at Delacourt's, Peggy's of Milton, Spice O' Life, Spring Ridge Farms and Nest-ors in Campbellville. Tickets will also be available at the June meeting and on the day of the tour at the Town Hall. Our thanks to the merchants who have agreed to sell tickets for the event. Mark your calendar.
