### BISHOP REDING HIGH SCHOOL

What a week of victories at Bishop Reding! Last night, the music department put on their annual Music Night. The choir with their lovely voices, the junior and senior bands with their extensive and challenging repertoires, the guitar class with their melodic strings, and the jazz band with their energetic swing tunes each worked very hard to put on a spectacular show for the audience. The direction of Mr. Alfano and Ms. Caruana was essential in aiding the musical groups in mastering their songs beautifully. A special thanks is sent to Mr. Jonker, the host of the evening who amused the crowd with his witty comments, and Ms. Lee, who is a constant support of the music program each year.

As well, Thursday marked the 2nd Annual Terry Fox Run at Bishop Reding. Periods were shortened to accommodate the Run. Students were engaged in activities and were able to purchase hamburgers throughout the two hours in the afternoon. Kelsy Orpen, Abby Daigle, Joey MacSween, and Matt Mastrangelo were the students of the S.A.A. who put so much effort into organizing the event, along with the constant help and guidance of Ms. Rideout and Ms. Lucas. A great donation will be able to be made to the Terry Fox Run as a result of the pledges gathered and the paid spirit civics day. Thanks to all who participated and the rest of the S.A.A. for all their time and dedication.

Also in sports news, the Varsity Boys' Baseball team has claimed another victory to their name after playing Notre Dame in a game that ended with a score of 3-1. P.J. McColl pitched four innings without allowing for a hit by the other team, while Liam Tennant had another five strikeouts in three innings. Reggie Taylor offered two hits to the game, while Nick Mazzorato and Jaime Pedra each had a hit that brought a run home for Bishop Reding. On the girls' field, the Varsity Softball team also played a good game against E.C. Drury that unfortunately ended in a close loss for the girls. Jacqueline Gooding, Ashley Camilieri, Katie Nacaratto, and Michelle Serafini all proved very talented as they demonstrated great defensive and offensive skills. Meanwhile, Jodie Mandarino and Leah McNeil also showed great determination as they battled their cross-town rivals. Congratulations to both teams.

Last week, Bishop Reding's Special Olympic Athletes participated in the GHAC finals at Nelson High School. Among the many remarkable triumphs were Michael Patience, who placed 2nd in shot put and 3rd in long jump, Kelly Shears, 1st in long jump and 2nd in shot put, Tania Froehlick, 2nd in the 100 meter in her division, Christie Nice, 3rd in 100 meter and 1st in shot put, Adam Kane, 1st in his 100 meter heat and 1st in long jump, and Ryan Twiss, who seized the GHAC championship with his 16-second 100 meter run.

This week's Athlete of the Week happens to come from the Varsity Girls' Softball team. Sarah Cartwright is the fantastic pitcher that hails from the softball team, constantly exhibiting great leadership and cooperation with the rest of the team. She has been a great asset to the team this season!

Grad obits and yearbook surveys are being handed out now and can be found in Student Services this week.

*Quote of the week: "Those who dream by day are cognizant of many things which escape those who dream only by night."*

Edgar Allan Poe

### MILTON DISTRICT HIGH SCHOOL "MUSTANG MESSENGER"

A flurry of activity erupted in the halls of MD last week bringing on the busiest day of the year. To start of Wednesday's packed itinerary, MD played host to next year's grade 9 students who travelled from their respective schools. The prospective Mustangs enjoyed a morning full of student made videos, snacks and tours. Judging by the reactions of the visitors, the event was a great success.

Wednesday also brought senior students to the auction block. In an effort to raise money for this year's prom, a number of senior students resigned to peer pressure and sold themselves for the greater good. The highlight of the event was the sale of Fraser McGaffin for \$270. Another notable was Firefighter Kevin, who was apparently a big success with the younger grades following with the after school gossip. Honouring the terms of sale, those purchased were dressed by their buyers, and many boys wearing skirts could be seen as well as girls in some extremely meretricious outfits.

In a thrilling game Tuesday, the Girls Soccer team battled QE Park in what Coach Ruth termed a close call. Baily Murray helped the team along by scoring the only goal in the game. On Thursday, the girls played their Acton rivals and stumbled in a 3-1 loss. The girls gave a strong effort but could not come away with a win.

Sports at MD are winding down with some teams already thinking of next year's season. Football recruiting has started for next season, and already, a few potential players have been hounded to keep the team in mind.

Students will be readjusting to the rigours of school life today after returning from a well-deserved long weekend. ISU projects are beginning to overload the very sensitive neural pathways of the students' brains, posing a very serious health risk. High doses of caffeine combined with a minute amount of sleep are their key ingredients to ISU success. Good luck with those!

### E.C. DRURY HIGH SCHOOL

Welcome to the 'Chez Drury' Ristorante.  
Here are your menus for today:

#### Appetizers

##### "Soccer Soup"

The boys' soccer team competed in a tournament last week, which resulted in their elimination from the playoffs. We congratulate the team for their commitment and positive attitudes towards their season.

##### "Drama Dumplings"

The Drama troupe had an excellent performance on May 10th. The performance not only shocked the viewers, but also merited many awards. Stephen Ground was awarded the Mira Award of Excellence for his portrayal of the character Serge. This is a prestigious honour for Stephen, as the awards were designed by the maker of the Juno Awards, and on top of that, only 6 are handed to actors in the festival. Melissa Neabel was awarded one of 15 awards of excellence, while the entire production was also given an award of excellence. We would like to congratulate the Drama at Drury team on their stellar performances this year! The Drama at Drury department is not done, however, so stay tuned for more info on upcoming productions!

##### "Grade Eight Salad"

On Wednesday May 19, and Thursday May 20th, the halls for Drury were filled with eager Grade 8 students who were treated to a tour of their future campus. Senior and grade 9 students were asked to lead small groups of grade 8 students around the school, while taking care of any insecurities that they may have had. See you in September kids!

#### Entrées

##### "MADD Burger"

On Thursday May 20th, SAS held a barbecue to raise money for Mothers Against Drunk Driving (MADD). Burgers were sold for \$1.50, Hot Dogs for \$1.00, and drinks for \$.50. Even though the weather wasn't spectacular, a great time was had by all who participated in the event.

##### "Fitness Club Sandwich"

Run by Mr. Shephard, the fitness club takes part in daily activities to help students stay in shape. Anyone who wishes to join up, should listen to the morning announcements for more details.

##### "Rugby-licious Ribs"

This past week, the boys rugby team lost to both Mentor College and Oakville Trafalgar, which unfortunately, eliminates the boys from going to OFSAA. Similarly, the girls' rugby teams were also defeated, and were denied the chance to compete in OFSAA.

##### "Spring Concert Dinner"

On June 1st, at 6PM the Music Department will hold its second annual dinner/concert combo: "Drury Among the Stars." Tickets are available through Music students for a cost of \$15.00 for adults, or \$8.00 for children 10 and under. Also, community members are able to view just the concert at a cost of \$5.00 for adults, and no cost for children 10 and under. The Music Department hopes to see you there for this once in a lifetime opportunity!

#### Desserts & After Dinner Drinks

##### "New York Cheesecake"

Students left this morning on a lengthy drive to the Ol' Big Apple! We wish them a safe journey, as they tour the sights and sounds of this magnificent city. We'll see when you get back!

##### "Coffee (of the House)"

On the evening of Wednesday May 19th, the Language Department hosted their annual Literary Coffee House. Talented individuals from many different areas of the school performed their works. Anyone who was at the event could see that this school is absolutely overflowing with talent. Everyone involved deserves a hearty pat on the back for the excellent evening that took place!

#### Trivia

##### Last Week's Question: What buildings at E.C. Drury do not have air conditioning?

Answer: The Annex, the Gyms, the Kitchen, The Deaf Hall, and the Tech Hall. In place of this week's question, we would just like to say we hope that everyone had a safe May 24 weekend. As well, on a separate note...only 15 days left of school!
