

# Park addition is now open

*Permanent skate park and lit soccer fields among new features*

A new 27-acre addition to Lions Sports Park is now open for sports groups and skate park visitors to enjoy.

The announcement was made last week by the Town of Milton's Community Services Department.

The new facilities, located south of Milton Memorial Arena on the east side of Thompson Road, include a permanent 8,500-square-foot skate park with stainless steel

rails and asphalt 'skateout' areas with a grassy embankment for spectator viewing.

The new park addition also has a slow pitch/softball diamond and two lit soccer fields.

The playground and walking trails are expected to be complete at the end of the month, at which time there will be full access from one end of the park to the other. Access is currently limited to the

east and west entrances while the trails through the middle of the park are being completed.

The western and central parking lots, accessible from Thompson Road, are still under construction, so slow pitch and softball players can park in the south lot at Milton Memorial Arena for easy access to their playing field.

The eastern parking lot, closest to the new soccer fields, is open for use and can be reached by heading south on Harris Boulevard, between Thompson Road and James Snow Parkway, and turning right onto Ellis Crescent.

## Public input on arts centre wanted

The public is invited to give input into the creation of an arts and entertainment centre at several upcoming focus groups.

The groups, which will assist in the creation of a business plan for the facility, will take place in meeting room 2 at the Milton Sports Centre, 605 Santa Maria Blvd. They'll be held tonight from 7 to 8:30 p.m.

and June 9 from 10 to 11:30 a.m. and 1 to 2:30 p.m.

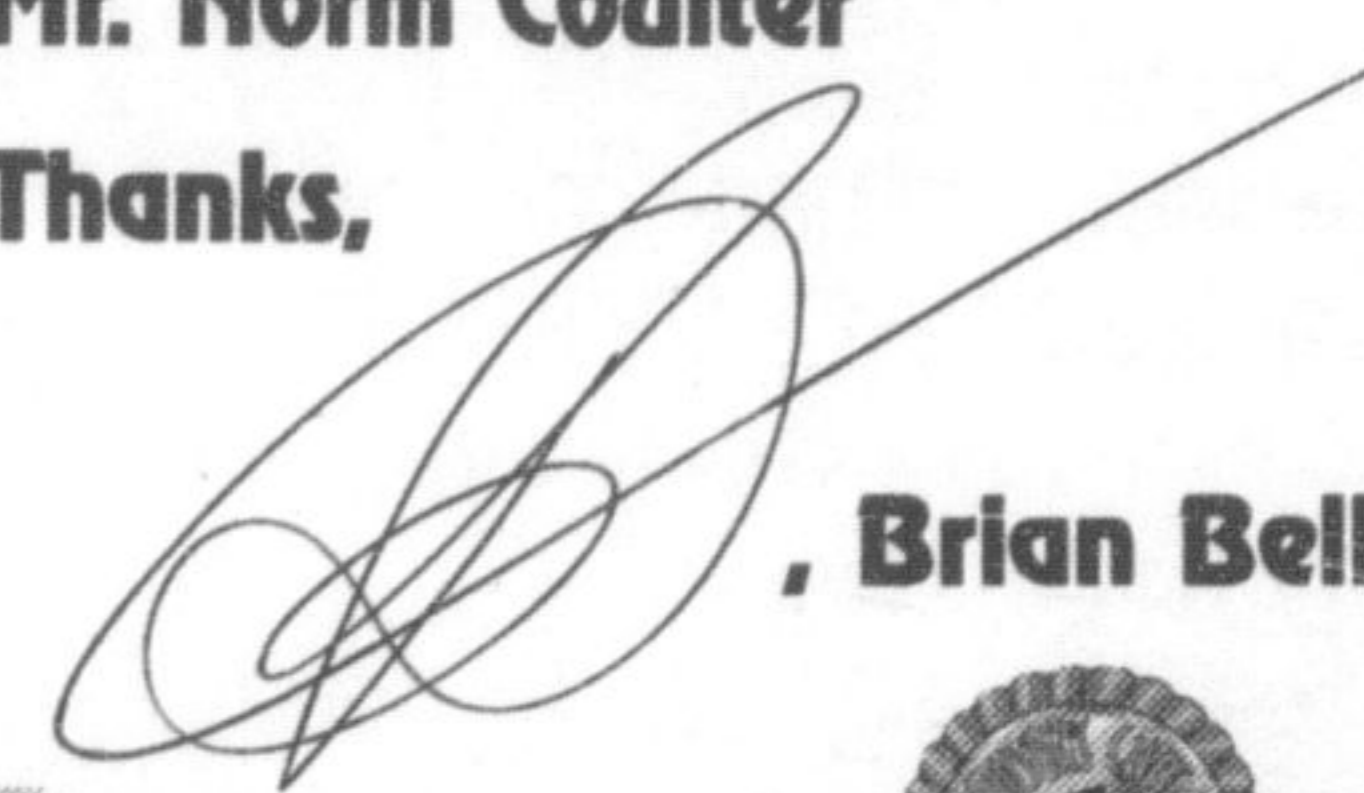

The consultants hosting the sessions, Novita Interpares Ltd., want to discuss opportunities for the arts centre with a wide cross section of community leaders. To register for one of the sessions, call Denise Black at (905) 878-7252, ext. 2603, or e-mail denise.black@milton.ca.
