All-candidates meeting Thurs.

Local residents will have a chance to question Halton's federal election hopefuls at an all-candidates meeting Thursday, June 17.

Hoping for a big turnout, the Milton Jaycees will host the event at the Milton Leisure Centre, 1100 Main Street E.

Conservative Party of Canada candidate Dean Martin, Green Party candidate Frank Marchetti, Liberal candidate Gary Carr and NDP candidate Anwar Naqvi will all be there to answer constituents' questions.

Doors will open at 6:30 p.m. and the meeting will start at 7 p.m. with a three-minute statement from each candidate. The meeting will wrap up at 9:30 p.m.

Audience members can ask one specific candidate or all four to answer a question, and each candidate will have three minutes to do so.

The Milton Jaycees, a not-for-profit organization aimed at creating and enhancing entrepreneurs and leaders, has designed the event as an information meeting, not a debate forum.

For more information, call Pam Luzar at (905) 875-0517 or e-mail ppatrick1@cogeco.ca.

Naked man seen at creek

Police are alerting the public to a naked man seen committing an indecent act Monday afternoon.

At about 12:45 p.m., the man was reported on the south side of Laurier Avenue, near Sixteen Mile Creek.

Halton Regional Police said he was "committing an indecent act" and was visible from Laurier Avenue and the nearby grocery store parking lot.

The man didn't approach or speak to anyone in the area, police said.

The suspect is described as a white male between 16 and 20 years old and 6 feet tall. The clean-shaven man had a slim build, short dark hair and a black tattoo on his upper left arm.

Police are asking anyone with information to call (905) 825-4777 or Crime Stoppers at 1-800-222-TIPS.

Workers needed at polling stations

Halton residents who are literate, at least 18 years old and are eligible to vote qualify for the positions. A two-hour training session is required at the Elections Canada Halton office in Milton. Workers

are required to be at their polling station by 8:30 a.m. and work until the ballots are counted at that station after the 9:30 p.m. close.
