Does Father's Day conjure up some lazy summer days relaxing in the backyard hammock with a good book?

Why not surprise the favourite MAN in your life...father, grandfather, son, uncle, brother, cousin, nephew...with a keepsake book on Milton's heritage. **Memories of Milton** allows you to relive some of the memories and learn more about the challenges which faced the early newcomers to this community in the early 1900's... quite different than in 2004. **Memories of Milton** is available at local book stores in Milton or from the Milton Historical Society, \$24.98
