

Car crashes into Main St. vet office

Staff at the Animal Hospital of Milton received quite a shock yesterday morning when a car crashed through the front window of their Main Street facility. Halton Regional Police Const. Mike Hunchak said the elderly woman driving the Dodge Shadow was taking her dog to the vet when she mistakenly hit the gas pedal instead of the brake. At left, a Halton paramedic takes the woman to the hospital for facial injuries she sustained from the car's airbag. Const. Hunchak said she was treated and released. No one was injured inside the animal hospital. It was unknown at press time if charges would be laid.
