Curb Appeal

Canada Day Holiday Waste Collection Notice Rural Milton

Please Note Collection Day Changes

July 2004

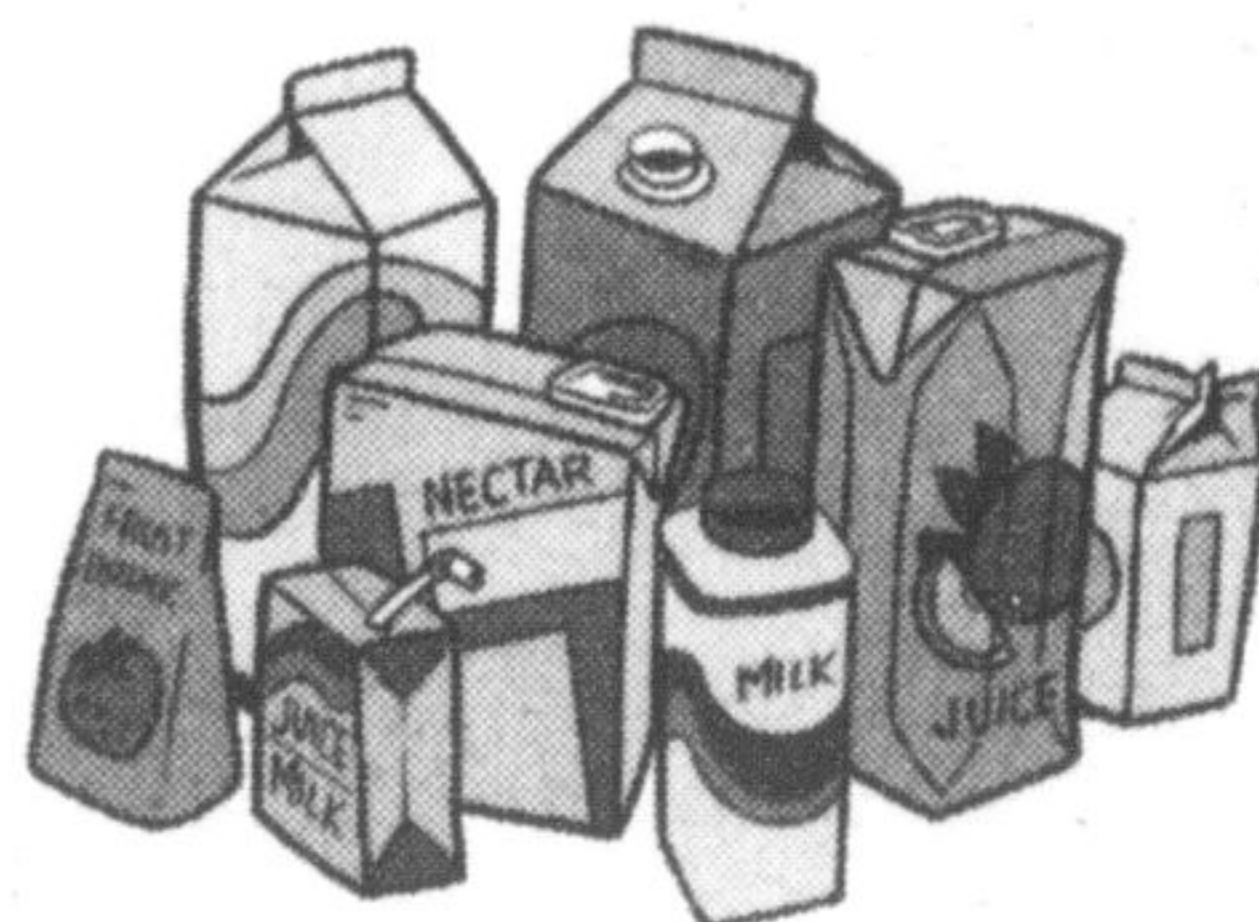

Tuesday	Wednesday	Thursday	Friday	Saturday
		1  Canada Day	2 	3

Due to the Canada Day holiday, all waste collection scheduled for Friday will take place on Saturday, July 3.

REMINDER Polycoat Recycling

Polycoat packaging (including juice boxes, Tetra Pak and gable top containers, like milk and juice cartons) are accepted in your Blue Box.

Juice boxes are made from paper, plastic (polyethylene) and aluminum. When you recycle your juice box, the paper is repulped at a paper mill and made into tissue, toilet paper, boxboard and drywall. The plastic and aluminum is combined into a pellet to make things like plastic flower pots, pails, and lumber.

So this summer when the kids are home, make a little magic and turn empty juice boxes into toilet paper and flower pots all through the power of your Blue Box.

Please check your 2004 "Curb Appeal" Waste Management Calendar for details in your area or the Region's waste management web site at: www.region.halton.on.ca/ppw/waste

Emergency Preparedness

As we enter the summer of 2004, we are reminded of last summer's unprecedented blackout that affected most of Ontario. It is important to remember that emergencies can, and do, happen, and that it is necessary to be prepared for unexpected situations.

To assist you and your family in preparing for emergency conditions, Halton Region, in conjunction with the Halton Regional Police Service and the local municipalities, has published the "Personal Emergency Preparedness Guide". This guide will provide you with everything from emergency telephone numbers, to instructions guiding you through specific emergency situations. The guide is available at Halton Region's Web site at: www.region.halton.on.ca/News.

At Halton Region, your safety and well being is our primary concern.
