Absolute exiting game. First time this season that Aim lock n safe had to battle for the win. By the end of the first half Aim n Safe were leading 4-0. With only 7 players on the Bryden's side and 10 on the HCRC side both teams got a good workout in a game played July 1. Despite the lack of spares both sides played hard for the full length of the game. The ball traveled up and down the length of the pitch as forwards worked the ball between them to try to get past the defensive players. The defense of both sides saved some good attempts, turning the ball back on most occasions. The two sides were well matched and played a close at three goals to one as Bryden's carried the first half. Bryden's George Stanford played well, being in position for some great shots on goal. When the second half opened HCRC quickly answered the deficit with strong individual plays by Jordan Schneider and Eddie Gerber who got the second and third goals for HCRC. With the score sitting at 3 each, both sides settled in for exciting end to end action. HCRC's Mitchell Carson kept the play going with good effort. Bryden's goalie Collin Tufts and HCRC's second half goalie Quinn Wilson were called upon to keep the game in control. Toward the end of the game, the tie was broken as Eddie Gerber took a penalty shot after a hand ball just 5 metres in front of Bryden's goal. This was quickly answered by an incredible opening centre kick by Tyson Muchalak who caught the HCRC side off guard giving himself a hat trick. No sooner had play resumed when Eddie Gerber found the goal with a well placed high cross to take HCRC into the lead again. The pace of the game picked up in the last minutes as both teams worked for the lead. Bryden's Steven Mayes showed good effort, moving from his usual defense to wing in the last half. The last goal came from HCRC's Eddie Gerber who booted in an incredible fourth goal in the dying minutes of the game as Bryden's fought to keep a free kick from rebounding to the opposing squad. Congratulations to HCRC on their 6 to 4 win. Coaches and parents are proud of the outstanding play and great effort by all players on the field. The players provided great Canada Day excitement!
