Bishop Reding Secondary School graduate Daniel Borrelli was thrilled when he was presented a \$1,000 scholarship from Milton Jaycees president Mike Luzar.

Reding student receives scholarship

A student at Bishop Reding Secondary School is the winner of a \$1,000 scholarship from the Milton Jaycees.

Daniel Borrelli was presented with the \$1,000 cheque June 24 by Mike Luzar, president of the Milton Jaycees.

Daniel, who has lived in Milton since he was three years old, will be attending

McMaster University for mechanical engineering and business management, a five-year program.

During his high-school career, Daniel received honours for his community service and achieved Ontario Scholar status.

The Milton Jaycees offers three scholarships of \$1,000 each per year to students

who best demonstrate the Jaycees' criteria. Two awards are presented in October.

Community involvement, personal development and academic achievement are all factors in determining the winner, said Pam Luzar, vice-president of the Milton Jaycees.
