## UNDER 6

**Ainsworth** 3  
**Lions Club** 2

Ainsworth and Lions Club, the two yellow squads, squared off in what fittingly turned out to be an evenly matched, seamy battle. Sprung on a smart clearing play from Priscilla Robertson, Ainsworth striker Maxwell Hewitson opened up the scoring in the first half with a strong rising shot, just eluding the clutches of, the otherwise flawless net minding of Lions Club first half keeper Ryan Egger. Showing great resolve, the Lions Club squad struck back quickly, and despite the strong goal tending from Amanda Roche in net for Ainsworth soon turned the tide in their favour. With assists from Anna Serafini and Connor Williams, Joshua Squires showed impressive breakaway speed and potted the two big goals for his team. Late in the first half, the weather threatened to end the match, but as if enthralled by the enthusiasm of the teams, the menacing clouds moved on preferring to watch the remainder of the match. Early in the second period, a strong effort from Joshua Caravaggio led to an equalizing goal for Ainsworth as Amanda Roche took advantage of a rebound and hit with a solid strike. As in the first half, Lions Club immediately turned up the pressure, but outstanding goaltending from Maxwell Hewitson held the Lions at bay. Meanwhile, Mitchell Wizniuk of Ainsworth had been frustrated on several opportunities by Lions Club second half keeper, Jacob Dinis. His determination eventually paid off with an impressive goal that put his team in the lead to stay thanks to strong team defense led by Sarah Oansia.

Despite the score Milton Chrysler got brilliant games in goal from both Mitchell Fowler and Anissa Kelly. Porter Enterprises were well represented in goal by Ryan Skinner and D-Jay Edwards. Salina Jackson and Demie Thibodeau both put in a great two-way effort for Milton Chrysler. The total team effort of the Porter team was rounded out nicely by great games from Christina Spatalini and Sabine Giquere.

**Tim Hortons** 4  
**Nature's Fire** 2

It was a goaltender's night as Nicholas Schirm for the Tim Hortons team block everything Nature's Fire could kick at him in the first half of the game. While Nature's Fire goaltender Joshua Losier did a terrific job, Tim Hortons goal scorers Brian Martini, Ryan Tostik and Devon Brown along with some spectacular footwork and defensive plays by Colin Sadler, Erin Rogers, and Joel Hill-Foster helped the Tim Hortons team end the first half with a 3-0 lead.

Nature's Fire, fire, lit up in the second half as Jennifer Sidorak and Jacob Rondeau's hustle and amazing offensive plays, helped Joshua Losier and Alcino Antunes score 2 goals against Tim Hortons. The pressure was on for Tim Hortons goaltender Devon Brown who managed to keep the Fire at bay with only 2. Answering the challenge for Tim Hortons was Brian Martini, with the help of Sean Irving, for his second goal of the evening. Nature's Fire goal tender Matthew Whetham and super defensive players like Nathan Anstey did a super job keeping the red hot Tim Hortons team to only 1 goal in the second half.

**Oxford Learning Centers** 1  
**Milton Jaycee** 3

Mitchell Monico of the Milton Jaycee team scored 3 goals against Oxford Learning Centers' goalies Owen Ellsmere and Blake Wadhams. ## UNDER 9 GIRLS

**Milton Hawkeye's-Dr. Susan Jany-Optometrist** 2  
**Millweid Enterprises** 0

A very exciting closely matched game kept Millweid Enterprises' goalies Jennifer Haringa and Tara Southcott and Milton Hawkeye's goalies Carly Anderson and Robyn Gaetan very busy throughout the game. Despite many attempts by Millweid Enterprises, especially Hayleigh Bell and Emily Sturm, Millweid Enterprises wasn't able to score. Great Team Work and forward passing gave Hayley Schroeder the opportunity to score for Milton Hawkeye's in the first half and Danielle Vis in the second. This is Danielle's 11th goal this season great work Danielle!

**Chadwick's Travel** 5  
**Arthur Electric** 4

The two teams, well matched, put on a fast paced game of skills keeping spectators on the edge of their seats. Madison Hadlow only moments after the first kick off, started the scoring for Arthur Electric and promptly followed up with two more nice goals for her team. Heather Laughton put a high ball over the fingertips of Chadwick's goalie Kennedy Herrmann who made some dramatic saves under siege. Sara Millar took one back for Chadwick's scoring on goalie Taylor Carey, ending the first half in a 4-1 lead for Arthur Electric. While racing red jerseys dominated the first half, a teal tornado took the field in the second half as Chadwick's made an awesome comeback. Sara Millar claimed her second goal for the night inspiring Kennedy Herrmann to slide one past Arthur Electric's goal tender Sarah McMullen who gave it her all. Cristina Steinhauser powered in the tying goal for Chadwick's off a beautiful pass from Britney Chadwick in midfield. Hannah Kuhn-Ornelas tending Chadwick's net in anticipation throughout the second half and the winning goal was awarded by Kennedy Herrmann in the final minutes of play. Honorable mention goes to Arthur Electric's Maddie Little for excellent kicking and Madison Hadlow for playing strong defense. Chadwick's Travel's Evelyn Murphy, who after her countless attempts to dig out the ball and get it back in play, was forced to leave the game taking an injury to her right knee. Kudos to both teams for their spectacular plays and team spirit!

**Milton Hawkeye's - Dr. Susan Any-Optometrist** 9  
**Maiella Contracting** 1

The Hawkeye's kept Shannon Mulraney and Viera-Troke Mattra busy in this high scoring game with goals being scored by Robyn Gaetan (3), Lydia O'Connor (2), Ioana-Maria Negru (1), Hayley Schroeder (1), and Danielle Vis (2). Danielle Vis shut out Maiella Contracting in the first half but they came back strong in the second half and Viera-Troke Mattra was able to get one past Hayley Schroeder. Paige Acheson worked hard this game but wasn't able to break through Hawkeye's strong defence.

**Ron Furik Remax** 4  
**Raytech Inc** 0

Monday's chilly weather didn't put a damper on the fantastic game between Ron Furik Remax and Raytech Inc. Amy Lintack for Remax started off the scoring in the first half. Rachel Lingard then scored two beautiful goals, putting Remax up 3-0. The only goal of the second half was scored once again by Amy Lintack. Stopping many amazing shots for Raytech was their goalie, Mariah Lesage. Net minders for Remax Corinne

Lintack and Rachel Lingard frustrated Raytech and kept the ball out of the goal. Awesome defending for Raytech by Jessica Wrigglesworth and Taylor Drew. A special mention to Remax's Victoria Larkin and Kaitlyn Carroll for their good work! Good game to everyone!

**Investors Group** 1  
**Halton Recycling Ltd.** 2

The storm clouds remained at bay to allow these 2 teams to play an awesome game. Investors Group goalies Ferrisha Brown and Abigail Horvat held off a great offence and only allowed 2 goals. Tessie Ecclestone who put on an impressive offensive display scored both goals for Halton Recycling. Goalies Kaitlyn Avila and Chloe Coulson of Halton Recycling only let one shot through and that was scored by Abigail Horvat of IG on a great kick. Rebecca Corcoran played very hard all game for Investors Group and really helped her team stay close. Ashling Valsamis of Halton Recycling played excellent defense to ensure her team stayed ahead.

## UNDER 9 BOYS

**Wallace Pontiac** 6  
**Tim Hortons (Teal)** 1

The Wallace Warriors came out hungry for their first win of the season and even with a short bench they were successful. Derek Mori was Wallace's awesome goalie for the whole game. He did some incredible "whole-body" saves throughout the game but was deprived a shut out in the second half by Mason "Mohawk" Howe of Tim Hortons who snuck one by Tim Horton's goalies Tyler Madden and Adam Till did a great job in net but had a hard time stopping Graham Redshaw and Brett Kirkwood of Wallace who were on fire. Graham had an amazing four-goal night and Brett followed close behind with two of his own. There was a fantastic effort put forth from the whole Wallace team. The forwards for the night Charlie Pink, Graham Redshaw, Brett Kirkwood and Cody Mussleman did some awesome passing and the defence of Andrew Dodson, Daniel Meehan, Jason Mori and Austin Wilkinson did a great job of getting the ball out of their end. Way to go Warriors!

**Shoppers Drug Mart** 7  
**Aero Supplies** 6

It was a perfect evening for a soccer game, and these very well matched teams played a great game. Shopper's Drug Mart came on strong with a hat trick by Gareth Browne and one goal apiece by Marcus Kotyk, Connor Finer, Aidan Atkinson, and Dylan Lee. Goalie Marcus Kotyk, gave them the win with an amazing save on a penalty kick. Aero Supplies goalies, Jake Skoryk and Adam Evans played excellent to keep the game to a one-goal lead. Gregory Logie, Alex Koziazar, Jacob Cameron, Adam Evans, and William Skoryk of Aero Supplies scored the goals.

**Ruffin's Pets** 8  
**Nadalin Electric** 2

Mathias Frazen's scored three goals and David Krammer netted a pair helping Ruffin's top Nadalin Electric 8 to 2. Ben Nadalin & Josh Kuri were kept busy in the Nadalin net and both made some excellent saves. Jack Goncz provided the offense for Nadalin scoring two goals assisted by some great passing from Mitchell MacDonald. Lucas Boudewyn turned in a strong performance for Nadalin. Thomas Cramer, Micheal Running and Micheal Montarull rounded out the scoring for Ruffin's with single goals. Thomas Dierkes played some great defense helping goalies Michael Running and Mathias Franzen limit Nadalin to only one goal in each half. Jordan Hopper played well on offense for Ruffin's and had some close scoring chances. Both teams had fun and displayed great sportsmanship.

**Tim Hortons** 2  
**Gorrud Auto** 7

As always, the boys of Tim Horton's were ready to put forth a fine effort against the boys of Gorrud Auto. Gorrud's Auto had control during the first forty minutes of the game despite fine efforts from Eric Bahen and Zachary Jackman from Tim's. Gorrud's goal scorers were Matthew Gooding, Jake LeBlond, Nathan Schaper and Blake Eram. Tim's persistence was rewarded when Tyler Madden scored the first goal for Tim's. But time was not on Tim Horton's side! Tim's was met with too much resistance from Liam Hill and Cody King from Gorrud's. The tough guardians of the net were the fantastic goalkeepers Justin Brown and Carlos Loor of Tim Horton's and Jordan Dotson and Tyler Haynes of Gorrud's Auto. A well played game by everyone!

**Vanier Insurance** 6  
**Ruffins Pet Centre** 1

Strong defensive play and sharp goaltending held Ruffins to one goal while a balanced attack by Vanier Insurance resulted in six goals spread out over five players. Notching the single goal for Ruffins was David Cramer with goalies Michael Running and Mathias Franzen doing their best to keep the game close. Hard work by Vanier's entire team helped Mitch Port score two goals, backs up with one goal each for Matthew McCusker, Matthew Schermbu, Daniel Guirum and Dylan Sabater. Vanier's goaltenders Brandon Rodrigues and Jesse Bonello looked sharp and proved a strong duo, keeping out all but one Ruffins shot.

**Food Port** 3

Shopper's Drug Mart's goalies Aiden Atkinson and Marcus Kotyk held Food Port to three goals one scored by Darren Young and two by A.J. Retera-Robinson. Food Ports Taylor Moks and Phillip Wells did a terrific job in net, but Gareth Browne of Shoppers Drug Mart managed to get by with four goals, two more were scored by Dylan Lee and one by Aiden Atkinson. The rain didn't dampen the kid's spirits and fun was had by all.

## UNDER 10 GIRLS

**Millweid** 7  
**Ontario Energy** 2

What started as a close game in the first half, quickly

changed when Megan Wain scored 5 goals in a row for Millweid enterprises. Ontario Energy's keepers, Cadence Baker and Vanessa Machado had their hands full as Millweid's two full lines seemed more rested as the game went on. Delaney Brough played goal the whole game for Millweid and turned away many Ontario Energy attackers. Samantha Longstaff played a hard game for Ontario Energy with Vanessa Machado and Christine Wilkinson scoring the Ontario Energy goals. Nicole Sellors added a single for Millweid.

**Millweid** 2  
**Ontario Energy** 0

Maybe it was the strangely cold July night that kept both teams moving, or just playing each other twice in two weeks, but the spectators were treated to an exciting, end to end match from start to finish. Millweid's keepers, Chelsea Gall and Delaney Brough + Ontario Energy's Vanessa Hartwick and Kristian Kukuluk had to be sharp to keep this a low scoring match. Alyssa Dodson and Cadence Baker scored for Ontario Energy while Jenna Wilson and Victoria Gazzola found the net for Millweid. The two traded rushes right down to the final whistle, which could barely be heard over the cheering crowd. An excellent game played by all players.

## UNDER 12 GIRLS

Goalies for Metform were Teresa Fisher and Katie Kluge.

**Aim Lock and Safe** 1  
**Sardenall Greenhouses** 4

Sardenall Greenhouses started the game strong with a quick goal by Alicia Carey. Aim Lock and Safe's forwards Amber Vos, Ashley Astrula and Caitlin Robinson worked hard to pass the strong defence of Sardenall Greenhouses and goalie Amanda Rogers without success. Sardenall Greenhouses' Alicia Carey would score 2 more goals in the first half-keeping goalie Tasha Brunner on her toes. Both teams played an exciting second with Sardenall Greenhouses' Jessica Goncalves, Brittany Laven and Emily Dal Bello and Danielle Mulloy challenging Aim Lock and Safe's defence Lauren Neely, Julia Schaffler, Madi Brew and Ashley Thompson. ## BOYS U13 REP SOCCER

Thursday, July 1, 2004

**Milton** 1  
**Dundas** 5

Canada Day witnessed a re-match between our boys in blue and the patriotically jersey of the red team. It was a magnificent start with Nicholas Williams capitalizing on a goalie miscalculation to score for Milton early in the first half. Dazzling movement on the field by Mark Andrade and Stuart Gooden early in the game. Ryan Burgess was a force to reckon with in the second half. Alex Cosme was invincible in goal in the earlier stages of the game. His leaps into the air to capture the ball were a picture of perfect extension. Leonard Modestino's awesome kicks elicited gasps of amazement from both sides. The second half saw a spent Milton squad struggle with positioning placement. However, Kyle Lynch was quite the delight in midfield. His dazzling footwork would be worthy of any leprechaun. Let's hope a little Irish luck follows the squad to the next game.

## UNDER 14 GIRLS

**Deidre and Friends** 2  
**A Designer's Touch** 1

This game was very exciting...both teams started out being short team members but long on energy and determination. A great tap pass by A Designer's Touch, Sara Psenicka just allowed the ball to dribble pass Victoria Iannandrea of Deidre and Friends. Great playing by Madison Hunter, Staci James & Melissa Shabaga if A Designer's Touch was equalled by Alexandra Sellors and Rebecca DeCharme of Deidre and Friends kept both parents and coaches nervous. In the second half goals by Kala Mallais & Amanda Niedzielski allowed Deidre and Friends to win a hard fought and super game. This is one of those games both sides can be very proud of how they played. Congratulations on a great game and for keeping coaches on the edge.

## UNDER 14 BOYS

**Brian's Auto** 3  
**Southview Dental** 2

A close fast paced game with Southview taking a first half lead of 2 to 0 on goals from Dane Horvat and Daniel Lewandowski. Brian's came up with three goals by Corey Gustafson, Kyle Bond and Cian Gavin in the second half for the win. John Galick from Brian's provided excellent play making. There was excellent hustling from Charlie Wain, David Burchett and Marshall Vince from Southview and Jonathan Camick, Ryan Brown and Spencer Reid from Brian's to keep the play going up and down the field. The defence tandem of Travis Cupples and Colin Bedard from Brian's saved the day in the second half.

**Total Service Landscape** 1

## La Rose Bakery

5

Both team coaches should be very proud of the young men they have been training. The sportsmanship and camaraderie between the players, the teams and the ref. was wonderful. Definitely two teams of Extraordinary Gentlemen. La Rose began the game with a goal by Cody Stokes, his first of two this evening. Things started to get moving as Total's Riley Duke performed a Spiderman flip in front of the net and Todd Massel dodged players to move the ball and thwart goal attempts by La Rose players such as Simeon Sham, Andrew Croll and Allan Pierce. Jared Robb scored next despite the great defensive efforts of Total's Casey Lighthall, Matt Kerwin and Mike Miller. What seemed like Mission Impossible for Total's Matt Russell, turned into Flashdance as he took a penalty kick and the lined team of La rose jumped in unison to make way for a well placed goal. It was definitely Cool Runnings for La Rose's Wade McGinnis as he took the ball end to end to pass to teammates John Russell and Alexander Mazarotto. Mario Llanos for Total and Alan Pierce for La Rose were the Fellowship of the Ring as they continued to jockey the ball between them. Cody Stokes scored for La Rose and Silas Sham went One Step Beyond, with outstanding goal tending throughout the evening. James Thomas was amazing in net for Total as were his defensive partners, Erron Astrula and Gary Camacho, yet La Rose's Kristian Iuli sealed the win with another goal.

**Southview Dental Clinic** 4  
**LaRose Bakery** 2

What an incredible warm evening for an intense game of soccer! As the game started, the ball seemed to be tossed and kicked around giving many chances for Southview and LaRose to gain control whichever end the ball was at. Goalie Silas Sham of LaRose and Richard Wamsley of Southview Dental gave such attention and performed wonderful goaltending skills that resulted in many great saves. Everyone was entertained and the excitement was big. LaRose Bakery goal scorers were Wade McGinnis and John Russell. Nicely done boys! And for Southview Dental Clinic goal scorers were Daniel Lewandowski for two goals, Marshall Vince and David Burchett. Great going! Where anyone sat one can tell that the teamwork of LaRose and Southview seemed or felt almost like a good match therefore many great challenges came about. Whatever positions the boys were playing, everyone did well. It was certainly a great game for spectators. Huge thank you to the coaches, assistant coaches, referee staff, and to the co-operation of all soccer parents. Let's keep up the good work!

**Brians Auto Repair and Tire** 2  
**LaRose Bakery** 10

A fast paced game that would have been much closer if not for the awesome goaltending of Silas Sham. Goal scorers for LaRose were Jared Robb with 4, John Russell with 3, Jordan Haggart with 2 and a single to Wade Starkiss. Goal scorers for Brians Auto were one for Travis Cupples and one for Colin Bedard who scored with a headshot. There was great hustle on forward by Ben Vanderwerf and Corey Gustafson on Brians Auto.

## UNDER 17 GIRLS

**Carriage Square Chiro** 5  
**A Designer's Touch** 0

In a contest where both teams had to play 11 aside with no substitutes, Carriage Square Chiro outlasted A Designer's Touch 5-nil. Chiro without their regular keeper played all of their goal scorers in goal and five players combined for the team shutout. Jesse Graper played the first half in goal for her second time this season and in the second half she scored two goals. Defender Theresa Drew started the second half in goal and then goal scorers Kath Greaves, Lauren Grant and Laura Wilson took their turn at holding the Designer's Touch forwards at bay. Designer's Touch Forward Valerie Burke had to leave the game in the second half with blisters. Her teammates Caitlin, Megan, Ari, Shannon, Sabrina, Sara, Jessica, Kopera, Nicole and Chelsea played hard until the end and thwarted numerous Chiro attempts at goal.

**Nassagaweya Vet Labs** 2  
**Heady's Hair Cutting** 1

Two very well matched teams facing off with Heady's Courtney Columbe getting the first goal and 10 minutes later Nassagaweya's Nancy Webb scoring a tying goal, the game stayed very close with great efforts by Megan Gowans and Liz Demetriou on defence the Vet Labs were able to hold off Heady's and Laura Frank scored the go ahead goal. Superb goal tending by Headys Simone Lea kept the Vet Labs from scoring again. Great efforts by Michelle Serafini and Becky Openshaw on midfield and excellent goal tending by Kelly Water and Lauren Vinco. Fantastic play by Alicia Patterson and Amy Azzopardi.

**A Designers Touch** 7  
**Aim Lock** 1

In a spirited Canada Day struggle Aim Lock won 7-1. Aim Lock was short handed but worked very effectively. Nicole Gilbert scored 4 goals to lead Aim Lock. Outstanding goaltending by Cassandra Rudder and Nicole Ainslin Schraeder scoring 1 goal and setting up 4 more.
