

Champion Country

Covering Rural Halton
& Wellington County

A wheely impressive spectacle

Milton's Dan Doucette (inset left) has to restart his 1952 Porter-cable lawn tractor by hand before heading out for a spin to see a row of Massey-Harris tractors with plows during the fifth annual All Colour Antique Tractor Show Sunday at Country Heritage Park. The weekend event was another big success, with tractor owners and enthusiasts visiting from across southern Ontario and beyond.
