**New Look... Same Great Food!**

We would like to thank the people of Milton for their warm reception and support since we took over Benny's Restaurant in January.

With our recent renovations, we welcome you to come and enjoy your next meal in our comfortable and relaxed atmosphere. We are now also licensed.

Yes, we are famous for our fresh hot Montreal Smoked Meat & Corned Beef sandwiches at great prices, however, you really must taste our delicious daily specials, either hot from the grill or a nice light lunch salad. Whatever your taste we have something to satisfy anyone's hunger.

Have you tasted our "Chicken Shawarma" (Donair)? It's served wrapped in a pita, with out of this world homemade garlic sauce. It's the talk of the town, one taste, and you're hooked!

Our burgers and famous fries combo is one of our customer favourites... just pick your size. So, if we haven't met yet, you are in for a warm and friendly welcome, served with a smile.

We will be glad to meet your breakfast egg-spectations and satisfy your lunch or dinner hunger too! See you soon.

We love to cater parties, luncheons and meetings.

*Michelle, Simon and staff*
