Goaltending at both ends was outstanding with Ethan Maxui for Tim Horton's and Michelle Iannandrea for Water Depot. Water Depot had a strong half with a goal each by William Hamilton and Luke Champoux, but a last minute goal by Tim's Julian Jasionowski spoiled Water Depot's victory. Honourable mention goes to Brooklyn Brown and Jake Michaelis of Water Depot and Devon Stark of Tim Hortons.

Tim Hortons

Mike's Barber Shop 9
Tim Horton Orange 1
Mike's Barber Shop put on a great offensive display downing Tim Horton Orange 9-1. Goals were scored by JJ Stimson (five goals!) Joey DePaiva, Bradey Anderson, Alex Vos and Jeffrey McBride. Tim Horton countered with a goal by Gabriel Pacchione. Jacob Graper displayed good effort on offense and defense. John Ketelaar provided awesome goaltending in the first half-keeping Tim Horton within striking distance. Ian Dinsmore was rock-solid on defense and moved the ball well. Kudos to all players who had fun and kept playing hard the entire game displaying good sportsmanship on both sides of the ball. Shoppers Drug Mart 6, Northgate Farm 4 An old sporting dictum states that the sign of a good team is one that wins even when playing badly and so it was with Shoppers Drug Mart in this encounter with Northgate Farm. In a hotly contested first half SDM displayed a fine passing game and once the proceedings had settled began to edge the individual battles in midfield. Nonetheless Northgate were able to hold the SDM attackers at bay, until that is a superb cross field move lead to a well taken goal from Marcus Kotoyk mid way through the half. Northgate had their chances and were unlucky not to convert from a penalty kick just before half time. Tristan Tapsen in the SDM goal was an enormous presence throughout and deserved to keep a clean sheet. The second half started well for SDM and soon they took a three-goal lead with strikes by Dylan Lee and Gareth Browne. At this point the momentum in the game changed and Northgate rallied as only a team determined not to lose an undefeated record can. Immediately they lay siege to the SDM goal and well-taken efforts by Chad Green and Rhudhri closed the gap to 3-2. SDM struggled throughout the period to get the ball out of their own half and were lucky not to lose the lead completely. With ears roaring from shouts from the touchline, SDM then managed to raise some urgency into their game and responded with goals through Lee and Ryan Hunter. However, once again SDM managed to lose the plot and let Northgate back into the game with a further goal from Green and Brent Devoe. At 5-4 and the tension unbearable, Browne inflicted the final blow to Northgate hopes with a late goal to seal a SDM victory.

Food Port

Northgate Farms 1
Chad Green and Nathan Brown did an awesome job in net for Northgate Farms against a determined Food Port team. Aleksander Vukusic scored his first goal of the year for Food Port. Food Port

Taylor Moks fought hard and Isiah Lemieux had an awesome assist for Food Port. Karsen Pilate was outstanding for Brian's Auto.

Shoppers Drug Mart

Lockport Auto 6
This encounter lived up to all the pre game expectations for a highly competitive game between two undefeated teams. The first half started with the teams evenly balanced in terms of ball possession; attacks from both sides thwarted before they started. Myles Ramsey and Tristan Tapsen at the back for SDM had the performances of their lives and remained imposing figures throughout the match. As the half progressed SDM began to find gaps in the Lockport defense and threatened on several occasions before a break by Gareth Browne found the spot. From this point SDM never looked back and raised the tempo of the game to a level in which Lockport found it hard to compete. A further goal by Browne followed soon after his first. Dylan Lee then found the net from a beautiful passing movement and cross from the right. Desperation on the

Halton Recycling

Ron Furik Remax 4
Tessie Ecclestone of Halton Recycling started off the scoring early in the first half. Not to be outdone, Kaitlyn Carroll of Remax tied the game. With a beautiful goal by Victoria Larkin, the Remax team was off and running. It seemed like the game was all Remax's when Stephanie Larkin brought in the third goal. Halton Recycling wasn't giving up though. Tessie Ecclestone scored her second goal of the game and Sarah Fletcher scored to tie the game 3-3. Remax's Corrine Lintack gave her team some security when she scored the last goal of the half. The second half was dominated by Remax. Amy Lintack, Corrine Lintack and Rachel Lingard each scored one goal, and Kaitlyn Carroll and Victoria Larkin scored two more goals each. Halton Recycling's Sarah Fletcher gave it her all and scored one more time for her team. In goal for Remax were "the brick wall" Adrienne Hamilton with many great saves, and Emma Lupinacci with her golden gloves. In goal for Halton Recycling were Chloe Coulson and Ashling Valsamis, both with great performances on this very hot day. A special mention goes to Halton Recycling's Brynley Minaber for her team spirit and excellent performance. For Remax, Shannon Kennedy provided excellent defending and Daniela Severino for great offensive work. All the girls deserve a cold ice cream for this fun game! Way to go!

Lockport side lead to them increasing the physical side to their game. In one instance this lead to an SDM free kick on the edge of the box. Taken by Tapsen with formidable force, the ball found the roof of the net to make it four. SDM had not finished yet and just before the half time whistle another flowing movement lead to a second goal from Lee. Lockport came out for the second half as a team with something to prove and raised the tempo of their own game. SDM with a 5-goal advantage appeared to take their foot off the gas. Before long strong running by Drew Jones and Jacob Quinn of Lockport began to find gaps in the SDM defense. In the space of minutes SDM had conceded two goals both from Andrew Le Volt. As in previous games this seemed to be the jolt to reawaken SDM and soon they returned to purposeful ways threatening the Lockport goal, with both Lee and Browne coming close before Browne once again found the spot to complete his hat trick.

up the side of the field with a well-placed goal despite the efforts of opponents Heeva Sarkarrar and Sevraj Dhaliwal. Matt Parker, Mike Miller and Erron Asrula planted some great kicks and passes for their Landscape team. The next course for Brunello's were Mickey Cramer, Michael Pryszlak and John Gabel to defend their keeper Quinn Ward and support his great saves with some tasteful and spicy moves of their own. While Ryan Ward, Riley Duke and Kyle Furik planted great moves and cleared the net, keeper Matt Russell weeded out the balls that tried to settle themselves into Total's net. Teammate Mario Llanos designed some pathways on the field as he made his way to Brunello's goal, digging deep into the net with two goals. Brunello's Liam Hope would not desert his team without placing two more goals in net after some creative moves from midfield to the net. Casey Lighthall and Carlo Pasqualino edged their way around the field to help Erron Asrula score the next goal for Total. Ben Doddington completed the menu for Brunello's and supported teammates Liam Hope and Josh May as they continued the scoring for a full service win for their team. Gary Camacho created the final touch for his team with a goal that was a perennial favorite with his total teammates.

La Rose Bakery

Brunello 3
The players of these two dynamic teams kept the score and the plays close all night. The amazing goaltending of Brunello's Quinn Ward stopped La Rose Bakery all night with only the spectacular shot from La Rose's Wade Starkiss hitting the mark for La Rose Bakery's only goal. Brunello's Liam Hope scored twice and Jacob Goode scored once to give Brunello a well deserved victory. Jared Robb, Jordan Haggart, Andrew Croll and Kristian Iuli of La Rose Bakery kept the pressure on all night with their brilliant efforts but Sevraj Dhaliwal, Nick Gaureau and Ben Doddington of Brunello held their defensive line strong. Efforts from Greg Brooks of Brunello were met by the La Rose Bakery defence of Domenic Lizzi, Andrew Cumby Matt Molkowski and Shawn Coulas who played a hard and fast game all night without a break. John Russell and Allan Pierce watched the posts for La Rose Bakery and with their combined talents kept the score of this game close. Timmy Vincent of Brunello gave "taking one for the team" a whole new meaning. Timmy had to leave the game due to a leg injury. Our best wishes for a speedy recovery go out to the courageous Brunello player. Thank-you to all the coaches: Heather Brooks of Brunello and special thanks to William Paguaga who recently joined the La Rose Bakery team. Thank-you to the referee staff of Nathan Hicks, Samantha Stockall and Jennifer Armstrong.

Nassagaweya Vet. Labs 3
A fun game to watch. Both offences and defences played great soccer. Midfield was super with the play of Chelsea Sieben for A Designers Touch. For Designers Touch forwards Kassandra Rudder defences work was excellent. Nassagaweya Vet Lab goalkeeper was terrific. 2 goals by Laura Frank and 1 by Zadra Stratton made the game nail biting and exciting. All players on both teams should be congratulated for a hard fought and technical skill game.
