Every Woman Deserves a Doula

Melissa Cassells Doula

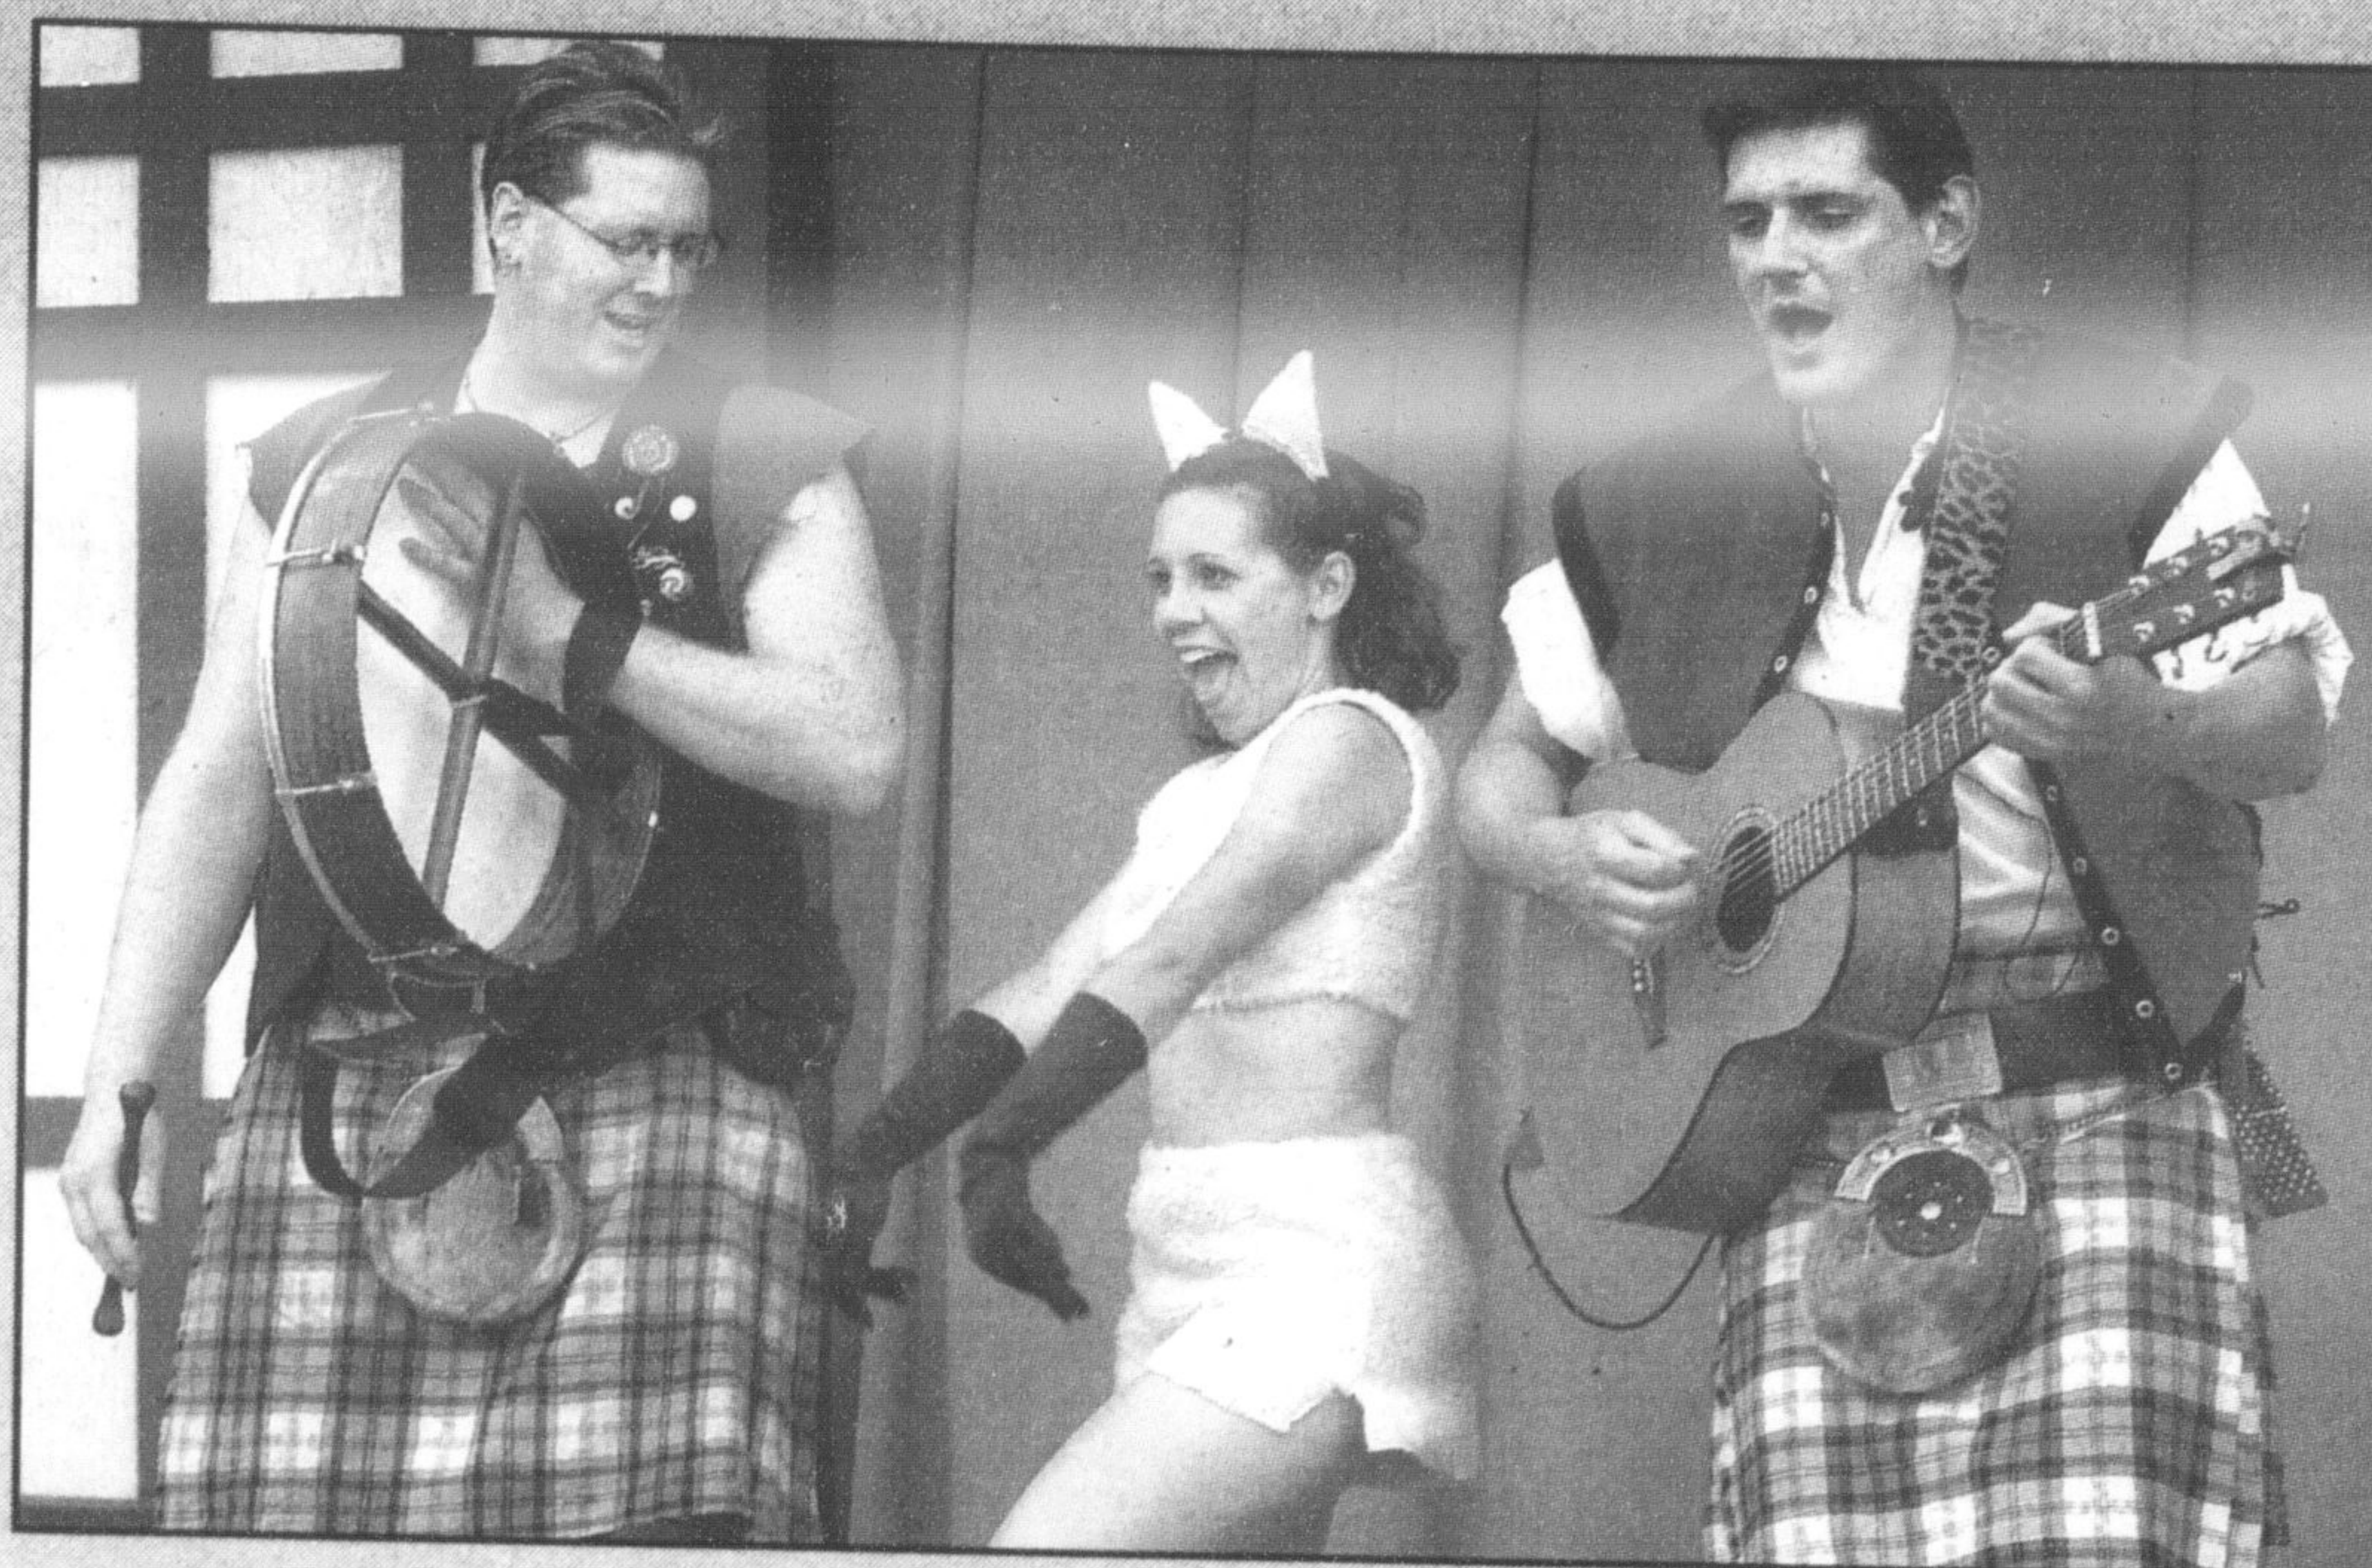

*Birth & Postpartum
Doula Services*

A doula is a woman who understands the physical and emotional needs of a woman during and after labour.

A doula is there to provide the woman with the support that she needs to make sure that she has the birth experience that she dreams of.

Entertaining the crowd

Burlington's Tartan Terrors variety show is currently on stage at the Ontario Renaissance Festival on Eighth Line until August 8. At top, Ian Irmisch (left), Chrissy Cvetkovic (dressed as a sheep) and Steve Sinnicks delight the crowd, while (above) Peter Corneil (dressed as a sheep) gets in on the act later on. Below, Mr. Irmisch and Mr. Sinnicks perform an amusing number for the crowd.
