## Just So Challenging!

JSC Tae Kwon-Do came to Milton last October with the idea of teaching people, children and adults alike, the chemistry of Tae Kwon-Do. Located on Main St, they have opened up a clean and convenient

facility with a large training space that help the teachers concentrate on teaching the students the martial art.

JSC is operated by Master Jung Jin Park who focuses on only teaching Tae Kwon-Do. He firmly believes to keeping to one martial art form, thus allowing him to expertly manage his student's abilities and expertise in Tae Kwon-Do.

What can a first time student expect at JSC? Master Park simply wants his students to come in and enjoy the martial art. He loves to encourage his students to do their best at Tae Kwon-Do, and help them set and attain their own personal goals.

The class itself is a joy. JSC instructors train their students with music while training them how to kick, punch, run and bounce, while encouraging them to Kihap, bringing all their energy together with an end result of yelling out which allows the student to maximize their efforts. It is proven that Tae Kwon-Do is a great workout. It relieves stress, improves self confidence and is a great motivator for people to try to take on new challenges.

JSC has chosen Milton as its new location because of the community. They love the people in town and feel a very positive energy from it. They want to develop good community relations with Milton and feel that they will organize this by friendship and teamwork from its members at JSC. At JSC, they feel that they will have a very serious responsibility with mental and physical training for their students, so that they will eventually gain confidence and abilities to attain everything they want to achieve in life.

For people who are not familiar with Tae Kwon-Do, this traditional martial art from Korea currently has 50 million people training in over

144 countries throughout the world. It has also been adopted by the Summer Olympic Games, where it made its debut at the 2000 Sidney Games. The character of Tae Kwon-Do can only be described as promoting fair play and having fun.

Master Park has incredible experience. His many achievements in the martial art have allowed him to become an actor and stuntman, with numerous roles in various movies and television shows worldwide. In December 2001, Master Park had the honour of joining movie star actor Jackie Chan's stunt team and has worked on and appeared in movies such as Tuxedo, The Medallion and Shanghai Knights.

Master Park invites everyone in Milton who is interested in Tae Kwon-Do to come down and learn at JSC. They are currently offering a one-week free training trial offer to anyone who wishes to try this martial art. He is confident that everyone will enjoy themselves and will have fun learning Tae Kwon-Do.
