God Will Forgive You!

Only God, through Christ, has the power to forgive sin. It does not matter how big the sin is or how small. It does not matter how long ago it was committed or how recently. It doesn't matter whether it was spontaneous or intended for evil.

God will forgive you if you come to Him at the cross of Jesus Christ.

There is nothing you have ever done that God cannot forgive. In her book, *Just Give Me Jesus*, author Anne Graham Lotz shares a conversation that she had with a distraught woman incarcerated for some heinous crimes she had committed. In prison, she had acknowledged Jesus as her Saviour, yet she still struggled with the concept of forgiveness. She felt she had

done too many things wrong. She found it hard to believe that God could forgive her!

Graham writes:

"I wondered whether she had ever been to the ocean - I found out she had. So, I asked her if she had ever walked along the shore and seen the small holes in the sand where the crabs had darted in and out. She nodded.

I asked her if she had seen any larger holes, like those made by children digging. Looking puzzled, she acknowledged that she had.

I persisted gently to see if she had ever come across bigger holes created by machines dredging a channel or burying pipe lines on the beach. Her brow furrowed as she again acknowledged a

quiet "yes".

Then, I learned forward and pressed my point. "Velma, when the tide comes in, what happens to all those holes?"

A soft light began to gleam in her eyes, and a smile formed on her lips as I answered my own question... "All the holes are equally covered over by the water, aren't they? God's forgiveness is like the tide that washes over all the 'holes' of our sins and covers all our sins equally."

Jesus' sacrifice is sufficient to cover all of our sins - all of them - small, medium, large or super-sized! When we confess our sins to God, we can receive forgiveness and can live in a place where we will never be held accountable for the guilt of our sin.

I guess that is why it is called Amazing Grace!
