Nadalin Electric 3
Halton Regional Pest Control 3
Nadalin Electric played an outstanding first half of soccer. The scoring opportunities were created on nearly every possession of the ball. A well placed pass by Devon Rank provided Ben Rivard with the opportunity to place a hard shot into the corner of the net for the first of his two goals in the game. Good positioning in net ensured a first half shutout for Julianna Popp of Nadalin Electric. The score sheet would consist of additional names if it wasn't for the good goal keeping of Kyle Brown and Calvin Taziar. A perfect pass from Kristen Hancher to Makyla Parker provided a clear breakaway on the goalkeeper and the third goal of the half as the outcome Halton Regional Pest Control began to obtain momentum during the second half of play. The many runs on goal by Lindsay Everson resulted in two well-deserved goals. The goal-keeping duo of Miles Jackson and Gabrielle Marino saved every shot on net. Kyle Brown scored the final goal of the game with a blistering shot that eluded the goalkeeper. The final result of three to three was an equitable result for two evenly matched teams.

Towne Dental 9
Zellers 2
On a great night for soccer, an appreciative crowd was treated to a wide-open and highly entertaining affair between Towne Dental and Zellers. Both teams showed some great skills with Towne Dental coming out of the game with a 9-2 victory. Leading the way for Towne Dental were Zachary Landau with 5 goals, Matthew Struthers with a hat trick, and Justin Burgess with a great goal. Pacing the Zellers attack was Ryan with 2 pretty goals. Aside from the goal scorers, there were many great efforts by players on both teams. On the Towne Dental side, some great goaltending by Tyler DeBruin and Adam Boonstra thwarted a number of Zellers' chances, and some great defence by Joelle Girodat and Hilary Hodgkinson also helped. Finally, Owen Mesaros had the fans believing he was going to play net from his folding chair at the beginning, but he quickly got his second wind, and played his best game of the season. Thanks to both teams for a great game.

Shoppers Drug Mart 11
Bignell Internet Solutions 2
That six different players contributed to this scoring bonanza from Shoppers Drug Mart epitomizes the depth of ability within this young team. However this fixture was not the runaway victory that the score suggests, for Bignell contested every ball and continued to frustrate SDM through to the latter stages of the game. Powerful running from Aidan Atkinson led to the opening score for SDM after 3 minutes. Atkinson would go on to complete a hat trick by half time with three equally clinical finishes from well developed SDM plays. At 2 - 0 Bignell found the net through Justin Carter to make things interesting for a spell, however sustained pressure from SDM led to goal number three by Atkinson and one by Marcus Kotyk taking a 4 - 1 lead into the second half Gareth Browne quickly made it 5 for SDM only to see Bignell immediately drag another one back through Konur Ozcan. At 5 - 2 the Bignell floodgates began to creek and when Miles Ramsey scored from a blistering strike on the edge of the box, they split open completely. In rapid succession strikes on target from Browne, Kotyk, Dylan Lee, and to popular applause, Paul Sousa, took the SDM tally to 11 and so round off a fine evening's work from the boys in red.

Alex Matkars of Mikes made several key saves to keep the game tied. Mathias Franzen of Ruffins also made several great saves as the game began to wind down. Finally Jeff McBride made a key pass to Brady Anderson who squeezed the ball by the post for what turned out to be the game winner. Northgate Farms 4
Charlie Fitzwhiskey's 2

However, with Luke Ducharme and Cody South each also getting a goal for Aim Lock and Safe, the goalies, Jordan Buck and Caleb De Kleer had nothing to worry about. However Classic Coolers goalies, Alex Hilson, Quintin Meridew, Michael Jacobs and Joshua Bensen, did not have the chance to lie down and rest at all and had a very hard time faced with hard shots constantly, despite the best efforts of Steve Pantusa on defence to keep Aim Lock and Safe from scoring.
