BUSINESS MANAGER

The Niagara Division of Metroland Printing, Publishing & Distributing Ltd. (Accounting Division) is seeking an individual to fill a Permanent Management Position.

The successful candidate will be responsible for all accounting and administration functions within the Niagara Division. He/she will be an integral part of a management team focused on growth.

This is a new position that provides the opportunity to form an improved operating structure within the division and to contribute to the division's success.

Skills and Experience

- Accounting Designation (CMA/CGA) completed or in progress
- Previous experience implementing full financial reporting systems required
- Strong communication (written and verbal) and interpersonal skills
- People focused with an ability to motivate and build a team.
- Extensive experience in leading and managing teams
- Ability to handle multiple tasks simultaneously.
- Extensive knowledge of business and accounting applications and practices.
- Minimum three years business management background.
- Communications skills developed through interaction with senior leadership
- Strong project and time management skills.
- Ability to deal with customers concerns in a timely and professional manner.
- Have a propensity for driving profit.

Responsibilities

- Overseeing all aspects of the accounting operations for the Niagara Division.
- Responsible for analyzing current business operations with an eye for improvement.
- Involvement in all aspects of operations. Working with division heads and liaison with corporate head office.
- Analyze and strategize for business development
- Ensure that all Company policies and procedures are properly followed within the division.
- Supervise a staff of 4

Interested applicants should forward resume by to:

**AECON Group Inc.
Equipment Fleet Analyst**

As Canada's largest publicly traded construction and infrastructure development company, Aecon Construction Group Inc. serves private and public sector clients across Canada and internationally. Aecon's capabilities cover the infrastructure, civil, utilities, buildings, industrial and energy sectors. Services range from financing, design, construction, operation and facilities management, to procurement, materials engineering and fabrication.

A unique opportunity exists for an **Equipment Fleet Analyst** in our Civil & Utilities division, reporting to the Manager of Administration, Equipment Fleet Operations. Your duties will include developing and monitoring the fleet utilization tracking systems to ensure optimal fleet use. Assisting in fleet cost analysis projects to minimize fleet cost and optimize fleet maintenance expenditures along with coordinating the distribution of fleet units with Aecon's operations staff under the guidelines of Aecon's corporate and HR policies.

The ideal candidate will have at least 3 years experience in the construction industry along with a good understanding of construction equipment, fleet optimization strategies and strong communication skills. Computer skills and a college / university degree would also be an asset.

If you are interested in a career with leading edge construction company, please forward your resume in confidence to mjoseph@aecon.com or mail to Aecon Civil & Utilities Group, 8401 Five Side Road, Halton Hills, Ontario, L6T 2X7.

We thank all those who apply and will only be contacting those who best meet the needs of the position.
