### Thanks to you, our waste diversion program is a partnership that works!

This summer, you may be increasing the number of plastic bottles, pop cans and drinking boxes you're using. Remember, these containers aren't garbage but recyclables, so be sure to toss them in your Blue Box where they'll be granted a second life through recycling. Your efforts are helping our community protect the environment. In fact, Halton residents are so diligent when recycling, that 40% of Halton's waste gets diverted from the landfill to be reused or recycled.

Halton residents are entitled to one blue box a year, free of charge, available from the Halton Regional Centre in Oakville, the Halton Waste Management Site at 5400 Regional Road 25 in Milton or at the Halton Hills Works Yard located at 11620 Trafalgar Road, Georgetown.
