In Memory of our Wonderful Nephew, Cousin, and Grandson "GARNET" August 18, 2003  
Your Presence We Miss, Your Memory We Treasure Loving You Always Forgetting You Never  
Love Aunt Lucy, Uncle Larry, Billy & Ritchie, Grandma, & Grandpa Hebert & Victor

scottish saying...Anger is more hurtful than the wrong that caused it.  
My brother was a husband to his childhood sweetheart Anne.  
My brother was a great father to Matthew and Andrea  
My brother was the second son to Betty and Jim  
My brother was Brian Stockton taken from us June 17th, 2004 and we don't know why.

BUT we do know we have so many people in the wonderful community of Milton to thank. To name the many directly involved would not be fair. The list would never end

The flowers, the cards, the prayers, families that didn't even know our family dropped off meals, beverages, prayers and heart felt words and wishes, but most of all the strangers wanting to help in any way they can to ease the grieving, the questions and pain.

Matthew and Andrea have friends that can only be described as supreme beings and are a tribute to themselves and their parents. It makes our hearts feel good that we have many great and caring people in this world. The overall support from the Milton families was and is still so overwhelming we felt this was the only way to thank you all so very much in this difficult time of healing.  
It has been a great comfort for our family to know that good will prevail.  
On behalf of Brian's wife Anne and children Matthew and Andrea,  
Brian's parents Betty and Jim Stockton,  
My wife Janice and our family,  
God Bless you all and Thank you Milton,  
Brian would have been honoured and proud...

Jim Stockton  
Angus, Ontario

Brian Stockton was a loving husband, father, and friend, Tragically his life had to come to an untimely end.  
He put everything he had into each thing he did,  
To give a perfect world to his wife and his kids.  
He made us laugh and smile and always had the right things to say,  
He touched the hearts of many in such a compassionate way,  
He lived each day as though it was his last,  
Never knowing that he would be taken from our lives so fast.  
After hearing the news of a husband and father gone,  
It was the shoulders of many that we were left to cry on.  
We were scared and uncertain of what we should do,  
But it was the family, friends and community that helped us pull through.  
The cards, the flowers, the laughter and tears,  
Made us believe we were not alone and helped us dispose of our fears.  
We feel so grateful, so fortunate and blessed  
To have such a strong community that helped us lay loving Brian to rest.  
Already two months without him have past,  
But the support, the love and the memories last.  
Death is so tragic, especially when it is someone you love  
But all of you were the angels sent to us from above.  
It is difficult to find words to thank you so much,  
To enable us to get through this time that was ever so tough.  
We appreciate your kindness and all of the things you would do.  
Sincerely from the Stockton family  
a million Thank You's!
