Flexible Option Mortgage:

Adjust your options to meet your changing needs.

When it comes to mortgages, get the one that can adapt to your needs. The Flexible Option Mortgage[®] from TD Canada Trust is the truly flexible way to manage your mortgage².

You have the freedom to choose the interest rate and term you're comfortable with – whether you prefer a variable rate as low as TD prime, with no set term, or locking into a competitive 1 to 5 year fixed rate. You can even have a combination of both by fixing only a portion of your balance, at any time. This flexibility helps you get the savings you're looking for.

Plus, there are a variety of repayment options that let you go at your own pace. For example, you can pay as much, and as often as you wish on the balance of the variable rate portion – without penalty. Or just pay the interest each month – the choice is yours.

At TD Canada Trust, we can answer your questions and help you find a mortgage which best fits your needs. It doesn't matter if you're purchasing a home, transferring your mortgage from another bank, or refinancing. Just visit your local branch or call now to book an in-home appointment with a Mobile Mortgage Specialist. Then relax in the comfort of your home.
