## Pooling their resources

A cheque for \$5,000 from the Rotary Club of Milton was recently matched by the Town of Milton's Community Fund for two benches and seven picnic tables that are part of the recent renovation at Rotary Park. Here, the Rotary Club of Milton's Tom Dusmet (left) presents a symbolic cheque for the full \$10,000 to Mayor Gord Krantz as Jennifer Reynolds holds the real cheque for the Rotary Park renovations. ## Halton MP appointed to immigration committee

Halton MP Gary Carr was recently appointed to the new federal government immigration committee.

Gary Carr

Mr. Carr now has a seat on the Special Liberal Caucus Committee on Immigration, which will start its work immediately to provide input on the speech from the throne and later, a more detailed agenda for the government.

"I am very excited to have Gary Carr on this committee," said National Liberal Caucus Chair Andy Savoy. "His 13 years of experience in provincial politics will bring important perspective to the deliberations which will help make good policy for Canadians."

This is one of three new committees created by the Liberal Caucus following a planning retreat held last month in Ottawa.

"As we move into a new parliament with a minority situation, it is more important than ever that we bring strong policies forward for parliamentarians and Canadians to consider," said Mr. Savoy. "These three committees will ensure that our policies on three topical issues are well-founded before we implement them."

**SMOKING**  
what's the  
point?

Someday, you'll be offered a cigarette or be tempted to smoke. Before you start, think about it: every drag you take screws up your body.

Smoking can cause permanent damage to your body. Once a person starts, it becomes extremely tough to quit. And did we mention all that cash you'll be blowing in the process?

So, if you're tempted to start, ask yourself, "What's the point?"
