## Milton

**Thursday, September 23, 2004**  
Store Opens at 8:00 a.m.

Welcome to your newest and most exciting Wal-Mart location. The associate team and I invite you to come and visit our new store.

I'd like to thank our vendors for their dedication and support to help make your Milton Wal-Mart a success.

Our associates take much pride in our community involvement with such programs as Adopt-a-School, Children's Miracle Network, the Canadian Red Cross and many others.

As a proud resident of Milton I am positive that your new Wal-Mart will live up to and exceed all of your expectations. Our Milton team is excited and looking forward to serving our community and the surrounding areas.

Thank you for choosing Wal-Mart.
