Ground breaking

Halton District School Board chair Mary Chapin and Halton Director of Education Dusty Papke join Chris Hadfield Public School students (from left) Nudrat Khan, Gautam Saini, Allison Durdin and Sarah Durdin at Monday's official ground-breaking of the new elementary school on Bennett Boulevard in the new southeast part of town. The school is expected to open next fall.

SMOKING what's the point?

Someday, you'll be offered a cigarette or be tempted to smoke.

Before you start, think about it: every drag you take screws up your body.

Smoking can cause permanent damage to your body. Once a person starts, it becomes extremely tough to quit. And did we mention all that cash you'll be blowing in the process?

So, if you're tempted to start, ask yourself, "What's the point?"
