

New park officially opens

Representatives from the three levels of government that were responsible for the new District Park were on hand Saturday morning for the official opening of the expanded facility. Above, Halton MP Gary Carr, Mayor Gord Krantz, MPP Jim Bradley (Minister of Tourism) and Halton MPP Ted Chudleigh hold the official marker plaque commemorating the new park. Above left, the same dignitaries mark the official opening with a ribbon cutting.

TOWN OF MILTON/TOWN OF OAKVILLE LOWER BASE LINE CLASS ENVIRONMENTAL ASSESSMENT STUDY Trafalgar Road to Regional Road #25 (Including a Section of Fourth Line) NOTICE OF STUDY COMMENCEMENT

Lower Base Line between Trafalgar Road and Regional Road 25 (including a section Fourth Line) is a two lane rural road and is designated as a collector road. The roadway crosses two main tributaries of the Sixteen Mile Creek, one between Fifth and Sixth Lines known as Barnstable Bridge, and another one just east of Regional Road #25 known as Henderson Park Bridge. The section of Lower Base Line between Regional Road #25 and Fourth Line serves as a boundary road between the Town of Milton and the Town of Oakville.

In order to address the existing needs in the study area, the Town of Milton together with the Town of Oakville is commencing a study of Lower Base Line (from Trafalgar Road to Regional Road #25, including a section of Fourth Line) in accordance with the Municipal Class Environmental Assessment (Class EA) process, which is approved under the Ontario Environmental Assessment Act. McCormick Rankin Corporation has been retained to assist in carrying out the study.

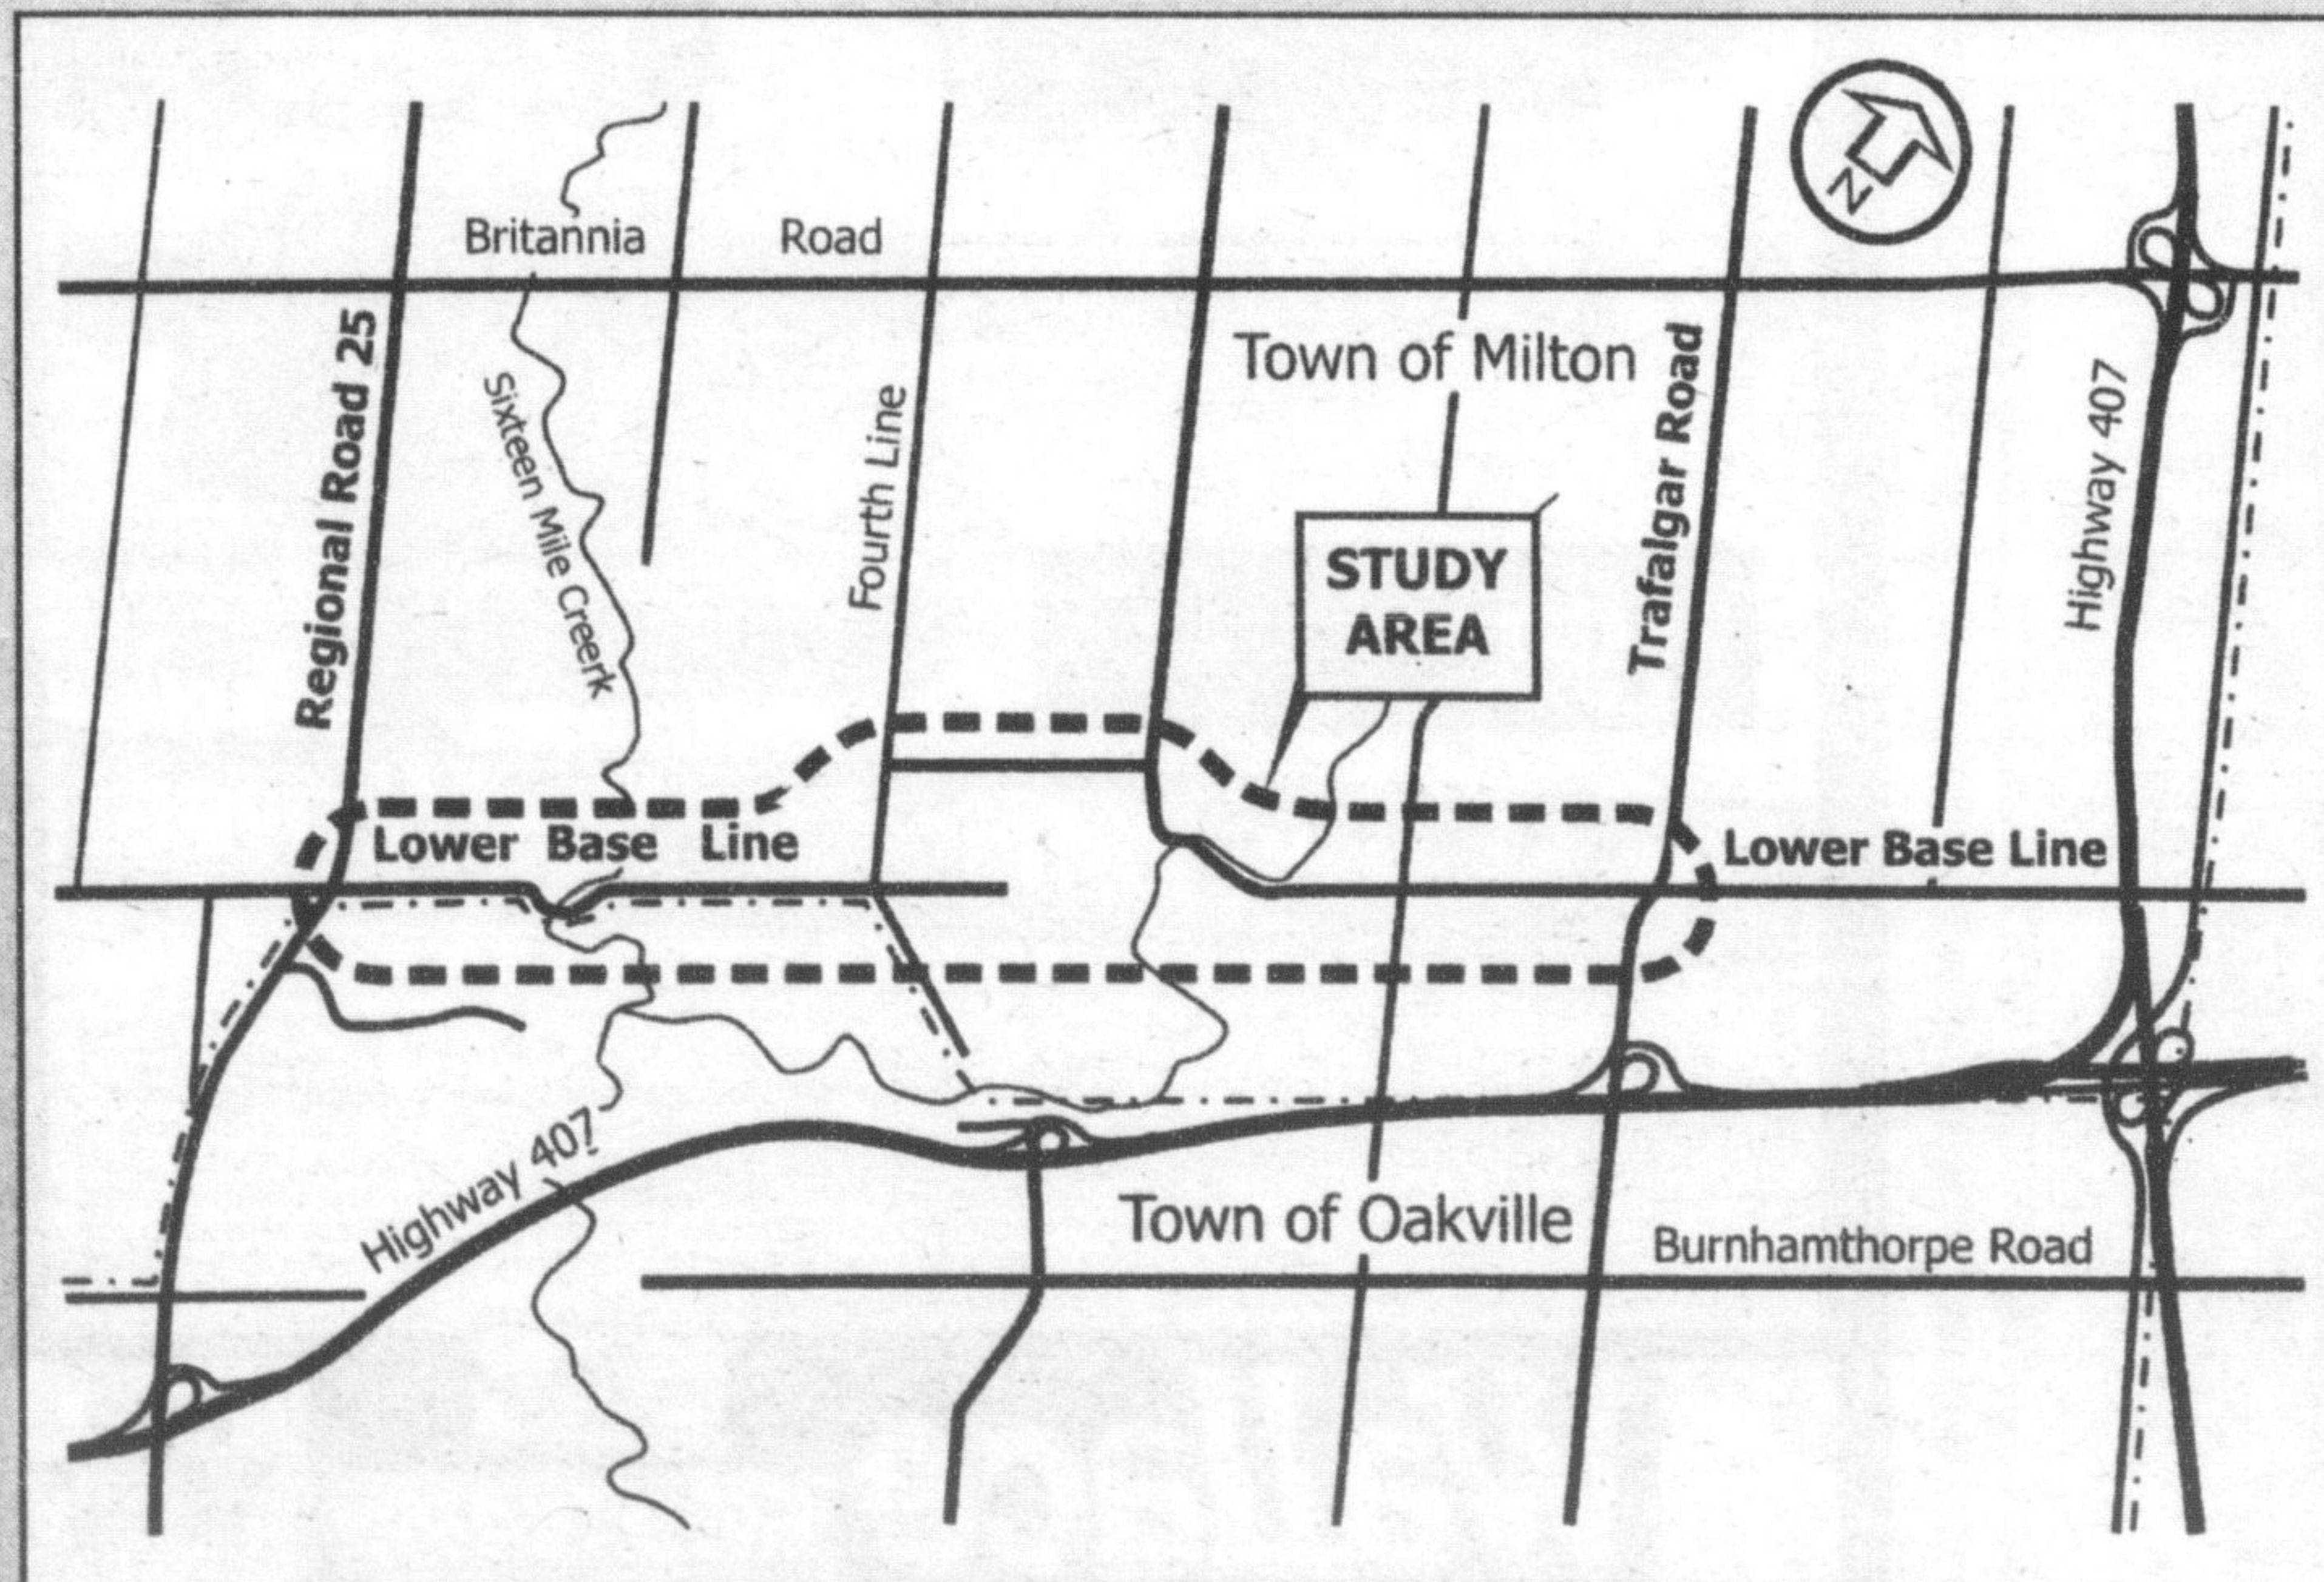

During the study, it is proposed to hold two public information centres: one in early 2005 to review the collection of background information, the problem being addressed and the alternatives; and, one in Spring 2005 to review the preferred alternative and associated mitigation measures. Notices of the public information centres will be sent to property owners within the study area and any others who request to be added to the study mailing list.

If you would like to be added to the study mailing list to receive notices of the public information centres, please contact one of the following:

Mr. Phil Antoniw
