Discovering Downtown  
**Milton**  
*Stevens.*

The boutique of the staffing industry

Since 1990, Stevens Resource Group Inc., owned and operated by Sherri Stevens, has earned a solid reputation for providing superior human resource solutions. Stevens Resource Group Inc., has six locations in Southwestern Ontario with the newest expansion at 243 Main St. E., Suite 202, Milton. Stevens provides knowledge and expertise in a variety of human resource functions, including Temporary Staffing, Professional Search and Recruitment as well as Behavioural and Technical Employee Assessments. Stevens places quality temporary and permanent candidates in a variety of positions including: general labourers, production

associates, assemblers, certified and uncertified skilled trades, general clerical, administrative, accounting and many more. Stevens offers extensive recruiting and screening procedures to ensure an accurate job fit for each position. When an applicant comes in to register with Stevens, they can expect to perform a series of hands-on testing to determine dexterity and hand-eye coordination as well as computerized testing designed to better evaluate light industrial and manufacturing applicants. Applicants interested in office positions will be tested on a wide selection of software programs including word processing, spreadsheets and

data and numerical testing, only to name a few. Detailed behavioural-based interviews are conducted on each and every applicant as well as thorough reference checking. Stevens is pleased to be a part of the business sector in the Milton community and is enthusiastic about the opportunity to provide staffing solutions and building lasting relationships with our clients. When you are looking to fill your staffing needs and you want an individualized, quality service, turn to the experts at Stevens Resource Group Inc.
