IT PROJECT SUPERVISOR, RAIL SERVICES

Procor Limited is the leading Canadian lessor of specialized rail cars and services. With service locations throughout Canada, Procor's corporate office is located in West Oakville.

The position of IT Project Supervisor, Rail Services, reporting to the V.P. and General Manager Rail Services, has recently become available. We are looking for a talented, creative IT Project Supervisor who will be a key member of the Rail Services team and be responsible for the following:

- Business Processing Re-engineering teams to achieve optimum system implementation benefits.
- Responsible for the technical design, development and integration of in-house produced railcar information systems.
- Develop and maintain standards, procedures and policies for the department.
- Plan, schedule and organize projects against established schedules and budgets with progress reporting.
- Integrate Rail Services Business Unit systems & projects with the Leasing Business Unit for optimum efficiency.
- Initiate and implement progressive integration of rail systems complementing a North American service strategy.
- Responsible for the continuing development of business and technical skills.

The incumbent will also have a good working knowledge in the following areas:

- Smalltalk, JAVA.
- Object- Relational mapping techniques.
- OOA/D, UML, Design patterns.
- Web Interface design.
- XML.
- Middleware technologies such as IBM MQSeries.

Personal attributes required include:

- Strong communication skills.
- Creativity and enthusiasm.
- Continuous learner, high energy.
- Organized.
- Intense problem solving abilities/ considering other options.
- Ability to work in both conventional and matrix organization.
- Supervisory experience.

A degree in Computer Science/ Programming from a Community College or University is essential and at least 5 years of related working experience with Project Management experience and a strong interest in future IT Business Management.

Interested parties are invited to submit their resume with a covering letter outlining experience and salary expectations to:
email: employment@procor.com or fax to 905-827-7735
We thank all applicants for their interest in Procor Limited, but only successful candidates will be contacted for interview.

lululemon athletica

Educators and Seamstress Required

lululemon athletica www.lululemon.com is a Vancouver-based company that provides people with components to live a longer, healthier and more fun life. lululemon clothing focuses on physically functional apparel, with technical qualities and a flattering cut, making it a comfortable option to wear to, during and from athletic activities.

We are seeking enthusiastic, upbeat, and authentic individuals to join our team, as **Full & Part Time Educators and a Seamstress** in our newest location: Oakville (Lakeshore Blvd.)

Opening in the heart of Oakville on Lakeshore Blvd., we are planning our launch to coincide with 2004 holiday season. Ho Ho Ho...

Educators

As an In-store Educator, you will play a vital role in the successful delivery of customer service on the retail floor. The main objective of this position is the effective and efficient 'education' of customers regarding the features, benefits, usage, and care of lululemon product.

We are looking for upbeat, friendly, authentic, ego less individuals that can work well in a team or alone. We welcome those who embrace the lululemon culture and our values. Applicants must have a strong work ethic, be self-aware and goal-oriented with a desire for constant self-improvement. We would prefer that applicants have knowledge and interest in yoga or other fitness, health or sports activities. General computer skills and strong problem solving and decision making skills an asset.

Seamstress

At lululemon athletica, we provide free hemming as a service to our customers to ensure that they get a customized, perfect fit for their technical clothing. We are looking for someone who has sewing experience with a 4 - 5 thread cover-stitch machine. Ideally, the seamstress could work on 30 - 40 hems per day.

Ideally, we are looking to form a long term relationship with a seamstress **in-house** that can effectively service & meet the needs of our discerning customers.

Interested? Tell us why you'd like to be a part of the lululemon team! For more information or to forward your resume and a letter outlining how we could work together.

Please contact Tracey Mercier at 416.966.9800 or tmercier@lululemon.com November 8, 2004
