The Chamber Annual Golf Tournament Tuesday, June 21st, 2005

The Golf Tournament Committee meets frequently during the months of April, May and June in preparation for the Annual Chamber Golf Tournament held each June. The committee's responsibilities include acquiring hole sponsors, golfers and prizes. The tournament is a major fundraiser for the organization and is enjoyed by more than 250 golfers.

Farmers' Market May to October 2005

The Milton Farmers' Market has been bringing farm-fresh goodness and old-fashioned hospitality to Main Street, in downtown Milton, for over 32 years. Our farmers proudly display "picked fresh this morning" produce and the streets come alive with artisans and flower vendors. The Milton Chamber of Commerce operates the weekly Saturday morning event from May through October and boasts that it is one of Ontario's best outdoor Farmers' Markets without exception. The Scholarship Café is also operated by the Chamber and generates funds for its Scholarship Program offering annual sponsorships to local high schools which proceeds from the "Bacon-on-a-bun" booth – a favourite "breakfast" for all visitors!
