Discovering Downtown
Milton

Delacourt's – serving Milton and area for 24 years
 at the corner of Main and Martin Streets in historic downtown Milton

Hey Milton! We're growing again, and the expansion is almost complete. We are thrilled with our additional space and its great historical features. Our first expansion 2 years ago allowed us to expose the original inside brick wall of this 1887 building. Our new space was added to the existing building in 1920 and the adjoining wall had been plastered over. The plaster has been removed, exposing the original outside brick wall and opening up the original arched doorway and window. It was a lot of work but well worth it to expose a little piece of Milton's heritage.

This new space will allow us to expand our product lines even more, and we have loads of new Christmas products. You can still choose from our great selection of brand name tableware, including Oneida, Spiegelau, Royal Doulton, Port Meirion, Wedgwood, Riedel, Atlantis, Royal Worcester, Waterford, Splendide, Noritake, Royal Albert and Denby. If you're looking for something new, check out the new Rhubarb line of bone china dinnerware! We have giftware from Royal Selangor, Coalport, Royal Doulton, Royal Worcester, Country Artists, Island Art, Mikasa and many, many more! See the new designs in Pimpernel coasters, tablemats and cutting boards, and new fabric placemats, tablecloths and table runners have arrived.

More styles in the popular 'Lord of the Rings' series are here with a special event piece to mark the return visit, Nov. 2, 4:30 - 8:30, of Graeme Anthony, designer of this pewter line.

Chaudron pewter oil lamps are a wonderful gift and check out the 'Lampe Berger'. These oil burners purify the air, remove odors and release a beautiful scent into the room. An in-store demo with the manufactures rep will be in our store Nov. 27, 11am - 3pm.

There is a terrific selection of children's gifts including baby spoons and musicals, Bunnykins and Peter Rabbit, and a new line of classic Winnie-the-Pooh from Royal Selangor Pewter and Spode dinnerware.

Betty Singer, Canadian artist, will be in our store as well on Nov. 27 for a signing event for her 'Angels Among Us' everyday and Christmas collection.

Bridal Registries continue to be a tradition, and now come with an added bonus of a 10% rebate gift certificate to the bridal couple (see store for details). Gift Registries are also available for either an extended time or just for a special occasion such as a birthday, anniversary or Christmas.

Our prices are competitive and our service is excellent. Phone orders are welcome. Lay-a-ways are available any time of year and gift-wrapping is free!
