258 In Memoriam

BOWEN, MARY JANE
In loving memory of a dear mother who passed away on October 25, 1986.

Today brings beautiful memories
Of a dear mother gone to rest
Forever remembered and cherished.

Your Loving Daughter
Janet

NOBLE, Captain Robert Edward
(C.D.C.F. Ret'd):
In memory of a dear husband, father and grandfather who passed away October 26th, 1989:

Reflecting...
Our eyes drawn towards
a cloudless sky, our thoughts
free to drift -
We are not reminded of
years gone by but of
the ones we had together -
For the mystery of life and
love and memory does not
diminish but is born on the
sunrise of each new day.

Forever love, the family

THE PROMISE OF A HEALTHY NIAGARA

Big city environment
environment **Small town appeal**

THE NIAGARA HEALTH SYSTEM (NHS) works within an integrated system, which enables the specialized services of eight hospitals to serve our communities within the beautiful Niagara Region, and is in close proximity to various academic institutions. Our integrated health services network is committed to innovation and the building of a healthier Niagara through the provision of equitable and timely patient-focused care.

MANAGERS, CLINICAL SERVICES
Medical/Surgical/Maternal Child

You will have 24-hour accountability for client care and staff performance for the Medical, Surgical or Maternal Child floor. Your responsibilities will include overseeing planning, administration, departmental operations, staff, service-specific human resources management and development, budgets, professional development, customer service and risk management. You possess current registration with the College of Nurses of Ontario, complemented by a Bachelor of Science degree in Nursing or a related degree in Administration. You also have experience in respective areas of interest (Medical, Surgical, Inpatient, Operating Room, or Maternal Child and Paediatrics), as well as three to five years of managerial and administrative experience.

CLINICAL COORDINATORS
Full-time & Part-time

Reporting to the Chief Nursing Officer, you will be responsible for the overall leadership, management and utilization of nursing and patient care services on off-shifts and weekends, and you will be responsible for one of three site clusters. Able to support professional standards of practice and promote service excellence throughout clinical services, you are currently registered with the College of Nurses of Ontario; Baccalaureate-level preparation is preferred. Experience in patient care management and varied clinical experience is key, as is knowledge of nursing practice standards.

REGISTERED NURSES

We are actively seeking RNs to join our dynamic healthcare team. If you are self-directed, flexible and reliable, and have exemplary decision-making skills and current nursing registration, exciting opportunities await you.
