## A Hidden Gem Nestled in Downtown Milton

Halton Hills Fine Jewellery, formerly known as the Gold Connection has been a Milton source of gold, diamonds, gem stones, watches and pewter since 1984. Anita, Max and Mike took it over in August 1989. Since then, numerous changes have taken place, among them, relocating to our present location at 218 Main Street East in 1992. With a staff of six people, we attempt to fulfill client needs that often are unique and one of a kind.

**Sue** - who recently celebrated her 10th year with us, after having spent 11 years with Sears, is a veteran sales consultant. In addition to her role at the store, her first passion is golf. Sue can be seen at the Saturday market, tending the featured specials table. Sue's husband Rob is recently retired as an air traffic controller.

**Liz** - a newcomer from England, has been with us for over a year and brings with her a background of retail experience. Married with 3 children and 2 grandchildren, her husband Dave, is a foreman with a local manufacturing facility. Liz is also a full time gift consultant.

**Erin** - a grade 10 student at Bishop Reding is our part time employee who has been with us since February. Her interests are dance, intramural sports all while maintaining a grade A academic standing.

**Jan** - our newest employee, has previous retail experience and is recently retired from a 28 year career with Air Canada. She has a married daughter and one grandchild.

**Mike** - is our resident goldsmith, doing all repairs, jewellery redesign and diamond setting. He and his wife Kim have 3 children.
