

**TONIGHT'S
TICKET**

**IceHawks (16-5-1-0) vs.
Mississauga (5-16-1-1)**

Game time: 7:30 p.m. at Memorial Arena
Last meeting: Milton won 10-2 at Memorial October 8
Who to watch for: Enjoying his 'coming-out party' this fall, sophomore Mike DeMarchi has scored 10 times in the last six games and could hit the 20-goal plateau with a pair of deposits tonight. Having scored just three times all last season, he's a legitimate contender for the Western Conference's Most Improved Player award.
The skinny: Mississauga has quickly fallen off the map this year and shouldn't offer anything more than token resistance.
Champion's pick: Milton by eight

**NOTICE OF OPEN HOUSE
Halton District School Board
New Elementary School
Bennett Blvd, Milton**

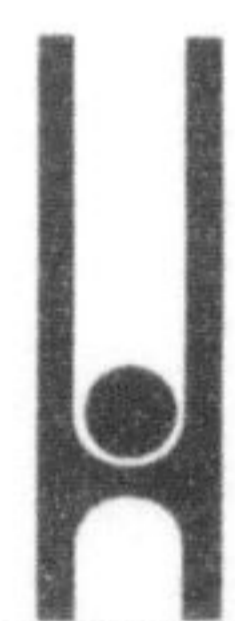

The Halton District School Board invites the public to attend an Open House and presentation regarding proposed boundaries for a new elementary school on Bennett Boulevard in Milton. A public Open House is scheduled on:

**Tuesday, November 16, 2004
7 - 9 p.m.**

(presentation at 7:15 p.m.)
**Sam Sherratt Public School (The Mall)
649 Laurier Avenue, Milton**

Purpose: Staff will make a presentation regarding proposed boundaries, describe options and answer questions. A comment request form will be available at the meeting for submission or on the Board's website at www.hdsb.ca after the meeting.

Input and comments submitted by the public must be received no later than **November 29, 2004.**

Haydar focus of new Bauer Nike campaign

Darren Haydar continues to grab hockey fans' attention, only now he's doing so on-line as well as on ice.

The AHL Milwaukee Admiral sniper — who turns 25 later this month — is currently the focus of an international advertising campaign from Bauer Nike Hockey.

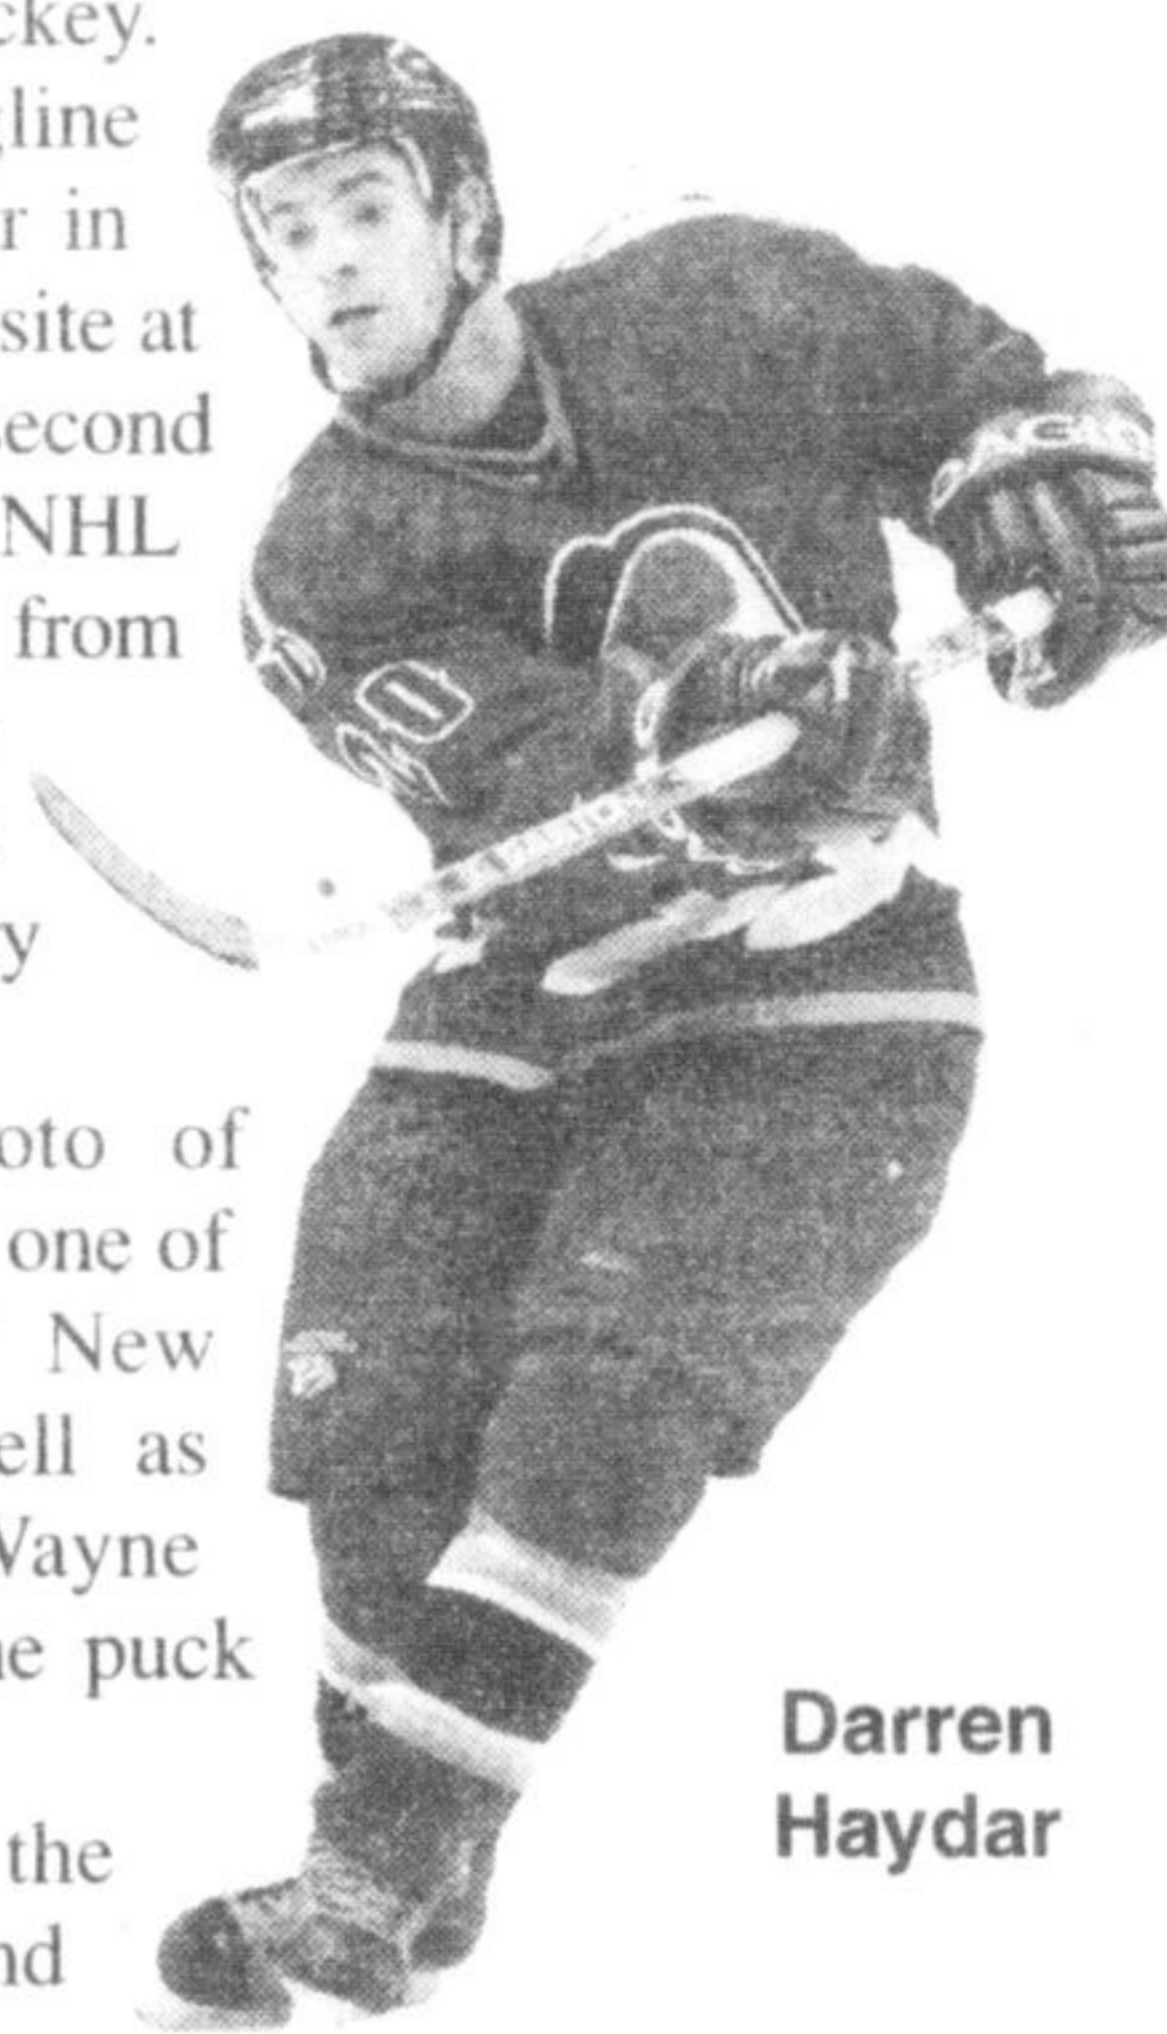

The campaign, with a tagline 'Player Made', features Haydar in both print ads and on their Web site at www.bauer.com. During a 75-second video, the 5'9", 170-pound NHL hopeful talks about his journey from minor hockey to the professional ranks — overcoming the 'you're too small' stigma every step of the way.

The video includes a photo of Haydar as a young rink-rat and one of him with his University of New Hampshire teammates, as well as showing him execute Wayne Gretzky's trademark batting the puck out of the air trick.

"Darren Haydar typifies the exact player we had in mind when Bauer created the 'Player Made' campaign," noted Bauer Nike Hockey public relations manager Steve Jones on the Web site. "Hockey players of all ages — from youth to elite level — can identify a bit of themselves in Darren Haydar and his love for the game of hockey."

Added Haydar, "It was a great opportunity to gain some exposure and get my name out there."

While missing three games last week due to suspension, Haydar remains on a point-a-game pace with two goals and four assists in six outings. His defending Calder Cup champion Admirals have picked up right where they left off last season with a near-perfect 8-0-0-1 start. They capped a two-game trip to San Antonio last night and return home tomorrow evening for a big confrontation with West Division rival Houston.

Grey Cup visits Milton

Guardian Angels sixth graders (from left) Brandon Nicols, Haley Jensen and Mario D'Onofrio join former CFLer Granville Liggins in showing off the Grey Cup Tuesday morning. Liggins and the CFL's coveted trophy visited the new local school to cap a month-long evolution of football program, in which CFL artifacts were on loan from the Canadian Football Hall of Fame and Museum. Following its recent visit, the Grey Cup went straight to Ottawa — where the league championship will be contested November 21.

Bantam Twisters sink sudden death goal to win Waterloo Fall Challenge

The North Halton Twisters may have only sat fourth after round-robin play, but they were number one when it mattered most.

Aided by three local players, the 'B' bantam girls eked out two nail-biting victories Sunday to claim top honours at the Waterloo Ravens M&M Fall Challenge.

The Twisters couldn't have written a more dramatic conclusion to the weekend — as a breakaway deposit in the second sudden death period clinched a 3-2 win over previously unbeaten Guelph in the finals.

Milton's Robyn McColl set the stage for the golden goal with a blocked shot and big transition pass during three-on-three play. Guelph evened things up with five minutes left in regulation

before being vanquished.

North Halton exacted a measure of pay-back on the way to the title clash — avenging its only round-robin defeat with a 1-0 whitewash of host Waterloo in the semis.

Before that the Twisters went 1-1-1, with Campbellville's Sam Loeprich scoring an unassisted goal in Saturday's 4-2 loss to Waterloo and recording a helper in last Friday's 1-1 stalemate with Peterborough.

Sandwiched between these games was a 4-1 decision over St. Catharines.

McColl and fellow Miltonian Brooke Harper provided topnotch defense throughout the weekend and have helped North Halton go unbeaten in its first five league games — for a first-place standing in the South Western League's 'B' east division.

Struggling bants topple St. Catharines

Milton's AA bantams put the brakes on a five-game losing skid by knocking off St. Catharines 5-1 Monday night at Memorial Arena.

The Hunt Chrysler Jeep Winterhawks weathered a frustrating first period — in which they out-chanced their guests 13-3, yet failed to score — and got rock-solid cage work from Taylor Prestidge to improve to 2-7-3 in league play.

Matt Fratarcangeli tallied twice, while Brandon Rae-Hunt also stood out with a goal and two assists.

Marshall Vince and James Woodcroft chipped in with singles, and Jordan Haggart contributed two helpers.

The AA bantams wrapped up a home-and-home series with St. Catharines on the road

Rep Hockey

last night and are in Oakville tomorrow evening. They return to Memorial Monday at 8 p.m. to take on Stoney Creek.

Peewees pull one out

Out-chanced, but not out-done. That was the story for Milton's AA peewees in Stoney Creek November 3 — when they were outshot 35-21 but managed to eke out a 3-2 decision.

The Legendary Motorcar Winterhawks actually built up a 3-0 cushion before the hosts made it interesting with two third-peri-

od goals. Vickram Kalia notched the eventual winner, while also scoring were Andrew Bergman and Mark Prusha. Standing tall between the pipes was Trevor Rae-Hunt.

The AA peewees went on to drop back-to-back decisions to St. Catharines and fall to 4-8 in league play. They're back at Milton Sports Centre Tuesday at 8 p.m. to face Stoney Creek.

AE peewees toppled

Milton's additional entry peewees had their win streak stopped at five games with a 5-1 loss to Flamborough Sunday.

Now 5-4-1 in league play, the Gorrud's Auto Group Winterhawks turn their attention to tournament action this weekend in Orillia.
