

The Regional Municipality of Halton

A Partnership That Works!

NOTICE OF PUBLIC INFORMATION CENTRE No. 2

Regional Road 25 Improvements Towns of Oakville and Milton Class Environmental Assessment Study

The Regional Municipality of Halton is undertaking a Class Environmental Assessment to consider improvements to Regional Road 25, from Highway 407 northerly to Derry Road (Regional Road 7). Public Information Centre No. 1 was held on Thursday, March 11, 2004, at which time the need for improvements was summarized, and planning alternatives were assessed. Based on input received, as well as on an assessment by the study team, Halton Region has determined that the preferred solution is the widening of Regional Road 25 from two lanes to four lanes, together with traffic control improvements.

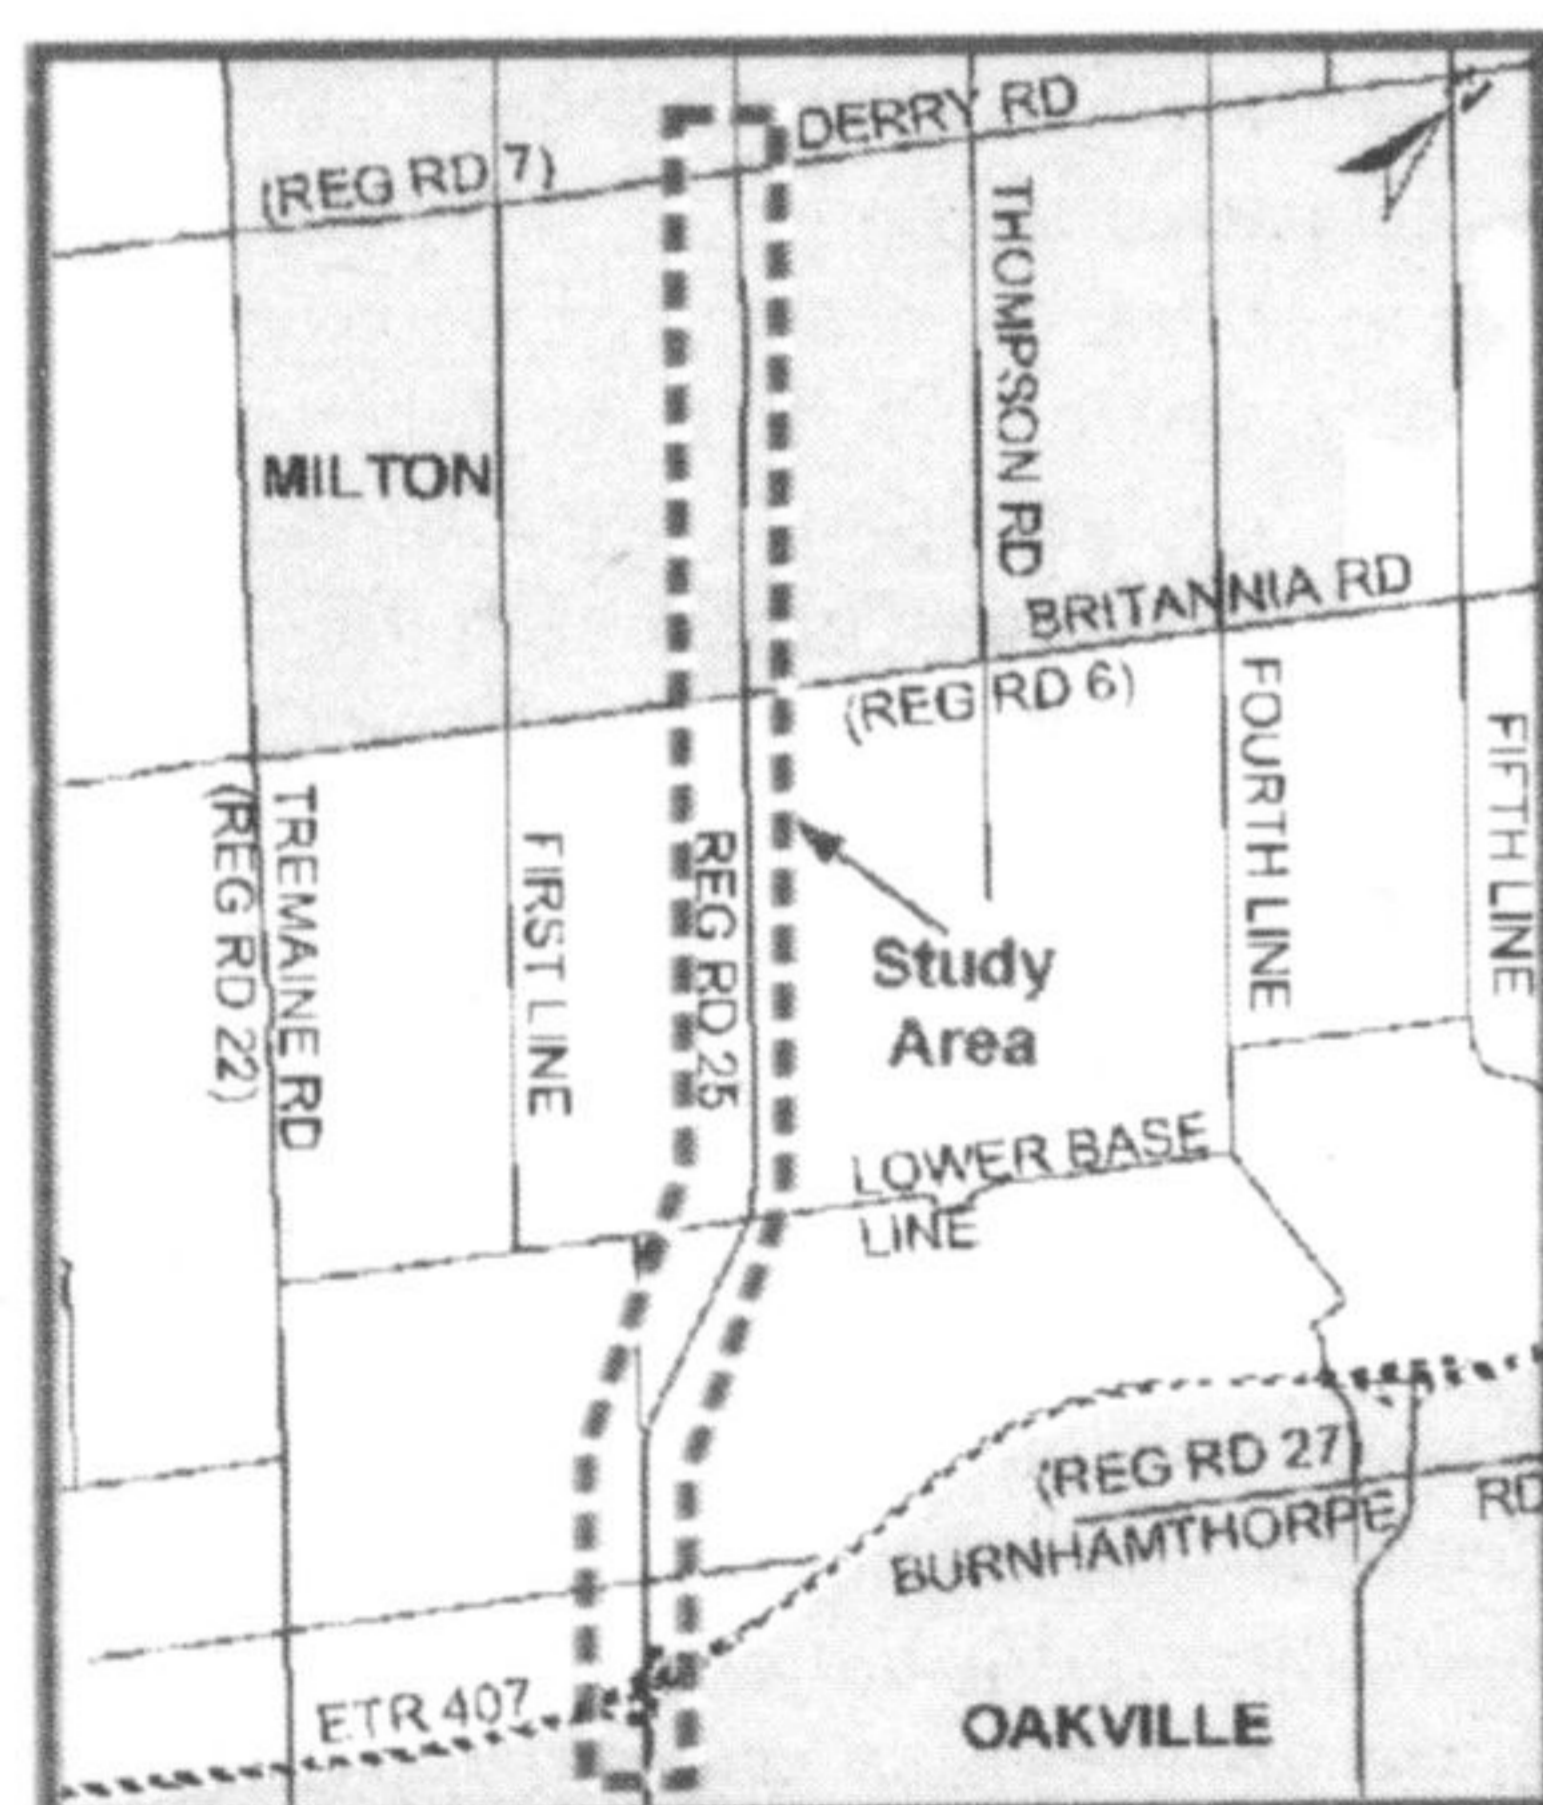

The study team has completed an in-depth review of environmental conditions and is developing and assessing various design alternatives. The study is being conducted in compliance with Schedule "C" of the Municipal Engineers Association "Municipal Class Environmental Assessment," (June 2000).

A Public Information Centre (PIC) is planned, to provide further information to the public and to receive input and feedback on the study to date. The PIC is to be held as follows:

Wednesday, December 1, 2004
Milton Sports Centre (meeting room 3)
605 Santa Maria Boulevard
Milton
Open House 6:00 p.m. to 8:00 p.m.

Those attending the PIC will have an opportunity to discuss various issues related to the project, including the selection and evaluation of alternative designs, environmental considerations and avoidance and mitigation of potential impacts.

The map below shows the approximate limits of the study area.

Halton Citizen Reference Library

Not only does Halton Region welcome public involvement - we rely on it as part of our commitment to being open, accessible and accountable. The Halton Citizen Reference Library was created as a self-serve reference centre where residents can access accurate and timely information on public issues. You can obtain copies of Halton reports and other documents either in person at Halton Region Headquarters or online via the Halton Region website. Materials are available to read, download, photocopy, research or obtain by request and the library contains a computer terminal, printer/photocopier and phone. The Halton Citizen Reference Library, located at 1151 Bronte Road in Oakville, is open Monday to Friday, 8:30 a.m. - 5:00 p.m. Evening appointments can be made on request.
