Helping the animals

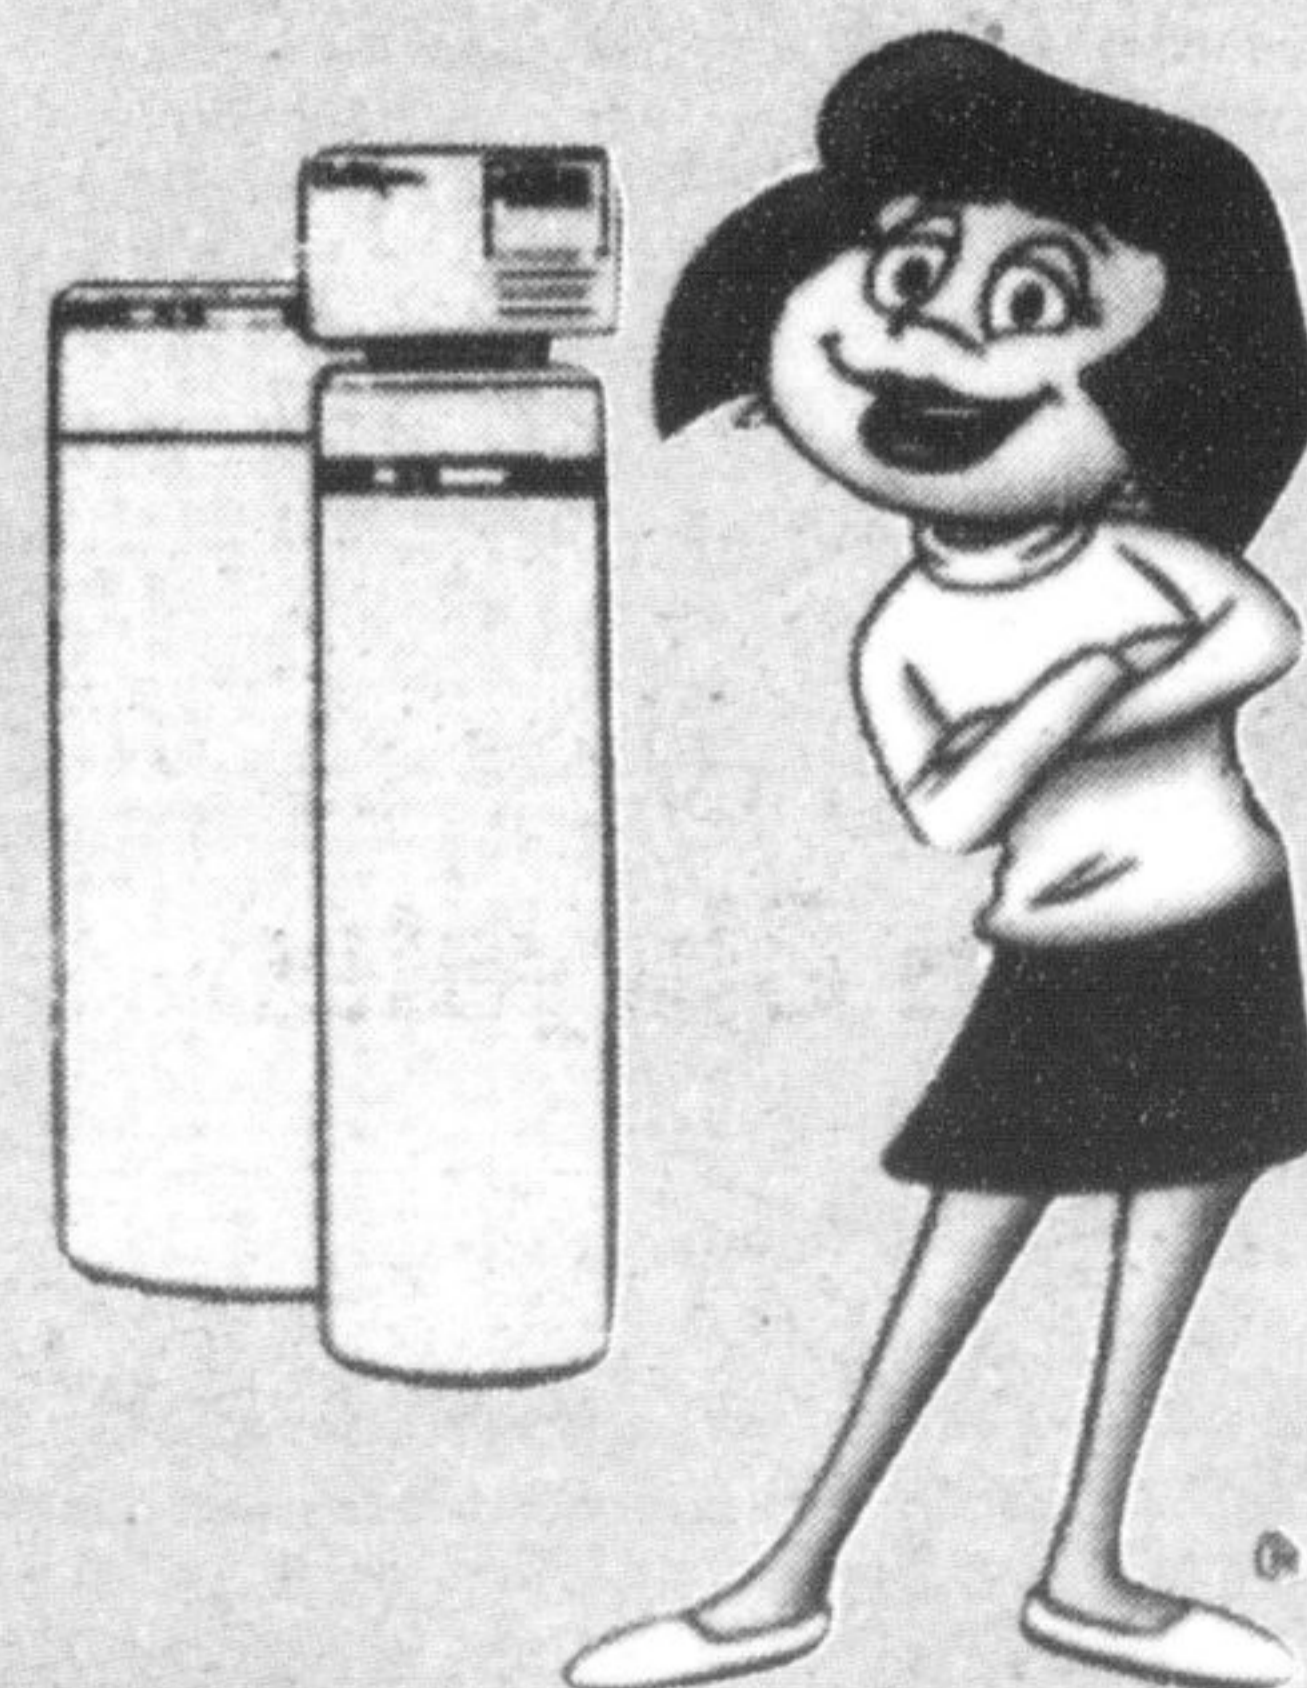

From left, Halton Regional Police Canine Unit officers Rick Lostracco and Lisa Scott along with canine partner Gage stand beside just a portion of the 3,100 pounds of pet food recently donated to Project Wish Bone by Ruffins Pet Centre owner Rick Vickers and Don Surcon of the Thompson Road Tim Hortons. Second from right, Robert Burr and Vicki Sultana, right, of the nearby Upper Credit Humane Society — where the food was donated — look on. Project Wish Bone was a police-organized holiday fundraiser for the animal shelter.
