With deals this good, customers tend to get a little enthusiastic. It's no wonder because every one of our cars is carefully selected and must pass our 110-point mechanical, appearance and detail inspection before it ever goes on the lot. If it fails, we won't sell it. We back that up with a 30-day or 2500 km exchange policy, a 6-month or 10,000 km powertrain warranty and a 30-day mechanical warranty. And we put it in writing. So relax. There are enough cars and deals for everyone until the end of January.

Donations exceed \$150,000

By MELANIE HENNESSEY

The Champion

The local Red Cross office has now received more than \$150,000 in donations in the name of tsunami relief.

North Halton Red Cross Transportation Co-ordinator Judith Dobbs said staff and volunteers were inundated this week, taking in \$60,000 in donations Tuesday alone.

"The response really has been outstanding," she said. "This week has been really overwhelming."

The 12-hour rush Tuesday can be attributed to it being the last day the federal government was going to match personal donations.

"We had a lot of businesses, individuals and schools come in that day," Ms Dobbs said. "We ended up needing a police escort to the bank."

Stories of Miltonians' generosity in helping those left devastated by the tsunami in southern Asia continue to roll in.

Wings Up! owner Mike Chuchmach told The Champion the fundraiser his restaurant held Monday managed to raise \$5,273 for the relief effort, far exceeding his original expectation of \$2,000.

The restaurant donated 100 per cent of its Monday sales, along with cash donations received from customers and staff. Mr. Chuchmach said employees also donated 108 hours of time for the fundraiser.

The Milton Salvation Army has also pitched in on tsunami relief, raising \$1,400 in one day at Wal-Mart.

"We were really quite pleased with that," said Salvation Army Capt. Bill Blackman. "It went very well."

He noted the money will go to the Salvation Army's efforts in southern Asia.

There's also been a continuous outpouring of support from local children.

Ms Dobbs said earlier this week, six kids came into the Red Cross office with a \$150 donation.

"They had a potluck supper in their neighbourhood and raised the money," she said.

She went on to explain to the generous youngsters their money will essentially keep 12 people alive, but wasn't able to finish her thought without getting teary-eyed.

"I lost it. Just the looks on their faces... It means a lot to have children come in," she said. "For children to actually want to raise money is really amazing."

The largest individual donation the Milton Red Cross office has received so far is \$10,000, up from the earlier \$3,000.

Ms Dobbs also expressed her gratitude for the many volunteers who've given their time over the past few weeks, answering phones and processing donations.

"We've had people just come in off the street offering to volunteer," she said.

With the rate of donations slowing down, Ms Dobbs said she thinks the need for more volunteers has dwindled.

Donations can still be made in person at the local Red Cross office or mailed to 100 Nipissing Rd., Unit 5, L9T 5B2. Office hours are 8:30 a.m. to 4:30 p.m. Monday to Friday. For more information, call (905) 875-1459.
