Little Hands Talking

TEACH YOUR BABY TO SIGN!

Learn how to communicate with your hearing baby before she can speak

Research has shown that when you use sign language with your pre-verbal baby, your child will:

- * Speak earlier
- * Be less frustrated
- * Have a higher IQ
- * Develop a deeper parental bond

* Workshops offered at the Milton Senior Centre and the Milton Leisure Centre

* Only a two-session commitment

* Workshops available for Babies, Toddlers and Day Care Staff

As seen on Oprah, 20/20 and Dateline NBC!
