NOTICE OF ROAD CLOSURE

Fourth Line, Town of Milton At Derry Road and CPR Tracks

The Regional Municipality of Halton and the Town of Milton are jointly recommending the permanent closure of a section of Fourth Line in the Town of Milton. Fourth Line will be closed as of Tuesday, March 1, 2005 (10 a.m.) at the following locations:

- at Derry Road (Regional Road 7) north approach of intersection
- north and south of Canadian Pacific Railway crossing (approx. 650 metres south of Main Street, and north of Croft Avenue)

The closure is due to the forthcoming commencement of construction activities in the area, particularly the reconstruction of Derry Road (Regional Road 7) and new sections of James Snow Parkway (Regional Road 4).

Northbound and southbound through traffic will be directed to use Thompson Road as a detour route. Traffic bound for Highway 401 will be directed to use the Trafalgar Road interchange. Local residents will use the signalized intersections at Trudeau Drive or James Snow Parkway to access the residential areas along Derry Road. Fourth Line south of Derry Road will be restricted to right-in, right out access only, with all left turns in and out prohibited. Warning and detour signs will be provided.
