BISHOP REDING HIGH SCHOOL

Hello again Bishop Reding! Welcome to another great edition of the Royal Report. Much has happened since last week, as always, as staff and students prepared for a week long vacation.

The March Break is a well-deserved holiday for everyone at BR after all the hard work they have been doing. For example SOLL, the Students of Living Life club, have just wrapped up their annual Think Fast. Think Fast is an event where students raise money for the hungry in third world countries, by fasting for a whole 24 hours. This years event raised a whopping \$1500!! SOLL would like to thank Mr. Gajewski, Mrs. St.John, Ms. Putica, and Ms. Thissen for the wonderful brunch that followed the event. As well as Mr. Sawzdargo and Ms. Caruana are thanked for supervising and providing the wonderful music. Last but certainly not least, they send a thani-you to Mrs. Doyle for organizing and making Think Fast possible! Way to go everyone!

Another group that definitely deserves this March Break is the entire grade 12 student body. All year they have been toiling over textbooks and assignments all in the hopes that their hard work will get them where they want to go next year. Well with it being March, the year is coming to a close and graduation is fast approaching. That means that it is time to pick your 2005 valedictorian! Nomination forms can be picked up in Student Services. Completed nominations are due back Friday, April 8th to Mrs. St.John. Happy nominating!

Just a reminder to all the diligent athletes and sports fans out there, senior badminton season is underway. Tryouts began last Monday after school. Don't forget to come out and support your Royals! Go BR! As well, due to a low turn out there will be no BR cheerleading team. To prevent this from happening we need all the girls and guys to come together and make a team possible! If you are still interested, but just did not make the meetings, please contact Ms. Lewis in the cosmo room! Come on BR we can make it happen!

To be or not to be? That is the question! Listen up all you Shakespeare lovers! Join us April 13th, to learn about Shakespeare's language and stage combat, followed by a performance of Shakespeare's own, Macbeth! The cost of this full day trip is \$35. Permission forms can be picked up in work-room 3. Tickets are limited, so don't miss out!

Well that's all for this week, we hope everyone enjoyed their March Break and we will see you all back at it next week! Byebye!

Prashant Naikwadi

E.C. DRURY HIGH SCHOOL

As Prashant and Kim sat down to write a theme for this week's article, Prashant noticed that Kim was wearing her Green House shirt, and exclaimed:

"Hey! I got an idea! How about a St. Patrick's Day theme!"

"Yeah, we can start off by telling everyone that some of Drury's wrestlers are in Africa this St. Patrick's Day. Although the boys won silver at OFSAA, they set an unprecedented record of eight straight team medals," said Kim.

"We hope to hear all about it when they return next week," replied Prashant, as he typed furiously away on the keyboard.

All of a sudden, a little green leprechaun appeared in the computer room. He started to chuckle, and said, "You silly writers! You have to mention the intramural Dodgeball tournament in this week's article! Remember, the wrestlers won this high-stakes competition!"

Prashant and Kim's jaws dropped. They had never seen a leprechaun before. So of course, they started to wonder where his pot of gold was.

"Hey Mr. Leprechaun, where's your pot of gold?" queried Prashant.

"Lad, it's not that simple. The pot of gold is at the end of the rainbow, which can only be reached if you can correctly answer my three questions."

"Okay, let's hear them," said Kim smugly. The leprechaun started to chuckle again.

"Question One: How did the jazz combo and concert band fare at Musicfest on March 4 in St. Catharines?"

"Oh, I know! They both achieved silver standings, and played very beautifully!" said Kim confidently.

"Darn!" the little leprechaun said, stomping his feet on the ground. He continued with the next question. "Question Two: What fundraising efforts are the Drama at Drury students holding in the lockerbay to finance their trip to Bradford?"

"I know! I was walking in the lockerbay today, and I saw a bake sale stand, and also a 50-50 draw! The cupcakes were delicious!" exclaimed Prashant.

The leprechaun stomped his feet again. He was getting very red in the face, and with frustration, he blurted, "Question Three: What fun activity did the newly-formed Diversity Committee organize before the March Break?" The leprechaun grinned mischievously.

Prashant and Kim looked at each other with blank stares. This was followed by a deafening silence. Just as they were about to give up, the song "What is love?" blasted over the PA system, and a lightbulb went off in both their heads.

"Matchmaker!" they yelled in unison.

The leprechaun was furious. He threw down his green hat, and steam started to come out his ears. Then there was blinding flash of light, followed by mysterious white smoke. The leprechaun had disappeared, and in his place, was a box of Pot of Gold chocolates!

And now, for this week's WHERE ARE THEY NOW? article. Our guests are twins, Gina and Sherry Rohekar.

Years @ Drury: 1989-1994

Following Drury: Both: Queen's 1994-97, Bsc Life Sciences, Western 1997-2001, M.D. Queen's 2001-2004, Residency Internal Medicine, 2004-present: rheumatology, fellowship at U of T.
