SYLCC

SUPPORT YOUR LOCAL CARRIER

WHY pay \$5 per month for SYLCC?

SYLCC gives you an opportunity to help reward your carrier for the excellent service that they provide you every delivery day.

WHERE does the money go?

All the money that you pay goes to the carrier. 50% goes directly to the carrier, and 50% goes into our Bonus Points Rewards program*.

WHEN do you pay?

Your carrier will come to your door around the same time every month to collect \$5. OR you may pay in advance and upon payment you will be entered into a monthly draw for your chance to win a \$100 gift certificate to M&M Meats.

*Our Bonus Points Reward program is an incentive program for our youth carrier force. Carriers receive points for good service, academic achievements, volunteer work, and for proving themselves to be good all-around young citizens!
