

## ✓ Bantam 'Hawks grounded

The AA Winterhawk bantams fell 5-2 to Oakville Saturday afternoon at Milton Sports Centre during their final Tri County round-robin game. At left, Winterhawk Matt Jessup tries to corral Oakville's Brian Urquhart. Above, Oakville sniper Patrick Chiasson circles around Milton goaltender Lucas Reid en route to scoring the final goal of the game.

## SECURE THE FUTURE FOR YOUR CHILD

...Use Restraint Every Time You Drive!

Here are just a few lifesaving tips all parents should know about the correct way to use child restraints.

**Take A Back Seat**  
It's the safest place in a crash, and if your car has a passenger air bag, it is essential that children under 12 ride in the back.

**Do An About Face**  
Babies up to one year (up to 20 lbs) should ride in a car seat facing the rear, in the back seat.

**Keep a Tight Rein**  
When installing a car seat, make sure your car's safety belt stays tight around the safety seat. Harness straps go over the child's shoulder and should be adjusted so that you can slip only one finger underneath the straps at your child's chest.

**Don't Slouch On Safety**  
Generally, children up to 40 lbs. should remain in a car seat. After that, a booster seat may be used along with the car's safety restraint system. The lap belt should fit tight across the upper thighs, the shoulder belt over the shoulder and across the chest.

## Local duo sidelined in conference finals

A couple of Miltonians are currently in the hunt for Provincial Jr. A Western Conference gold, although their active roles in the search have been interrupted.

Both Oakville Blades sniper Daryl Knowles and Georgetown Raiders defenceman Dan Rogers have been sidelined with an undisclosed upper and lower body injury respectively — each going down on nights when their team delivered a huge comeback victory.

Knowles left early in the second period of game two Sunday, after throwing a check, and isn't expected back for the divi-

sion championship series, while Rogers is a question mark for tonight's fourth game, after missing most of the third period and overtime at Gordon Alcott Arena Wednesday night.

At the risk of stating the obvious, each player's absence creates a substantial void in their team's lineup.

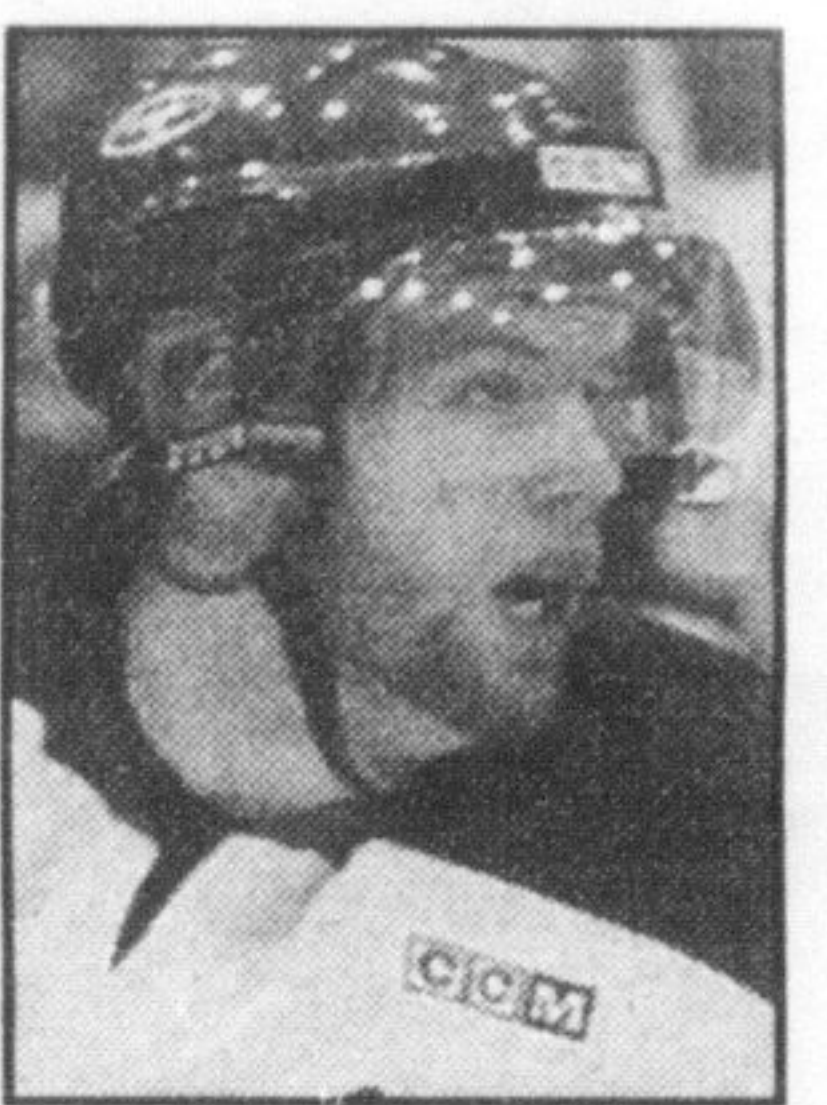

Recently lined up with Ryan Silvera and Jason Gorrie, Knowles headed into the West finals as Oakville's second-leading playoff scorer with eight goals and six assists. Meanwhile, Rogers has half-a-dozen points — including a game-two tally

— and has been logging a ton of ice time, both at even strength and on the power-play.

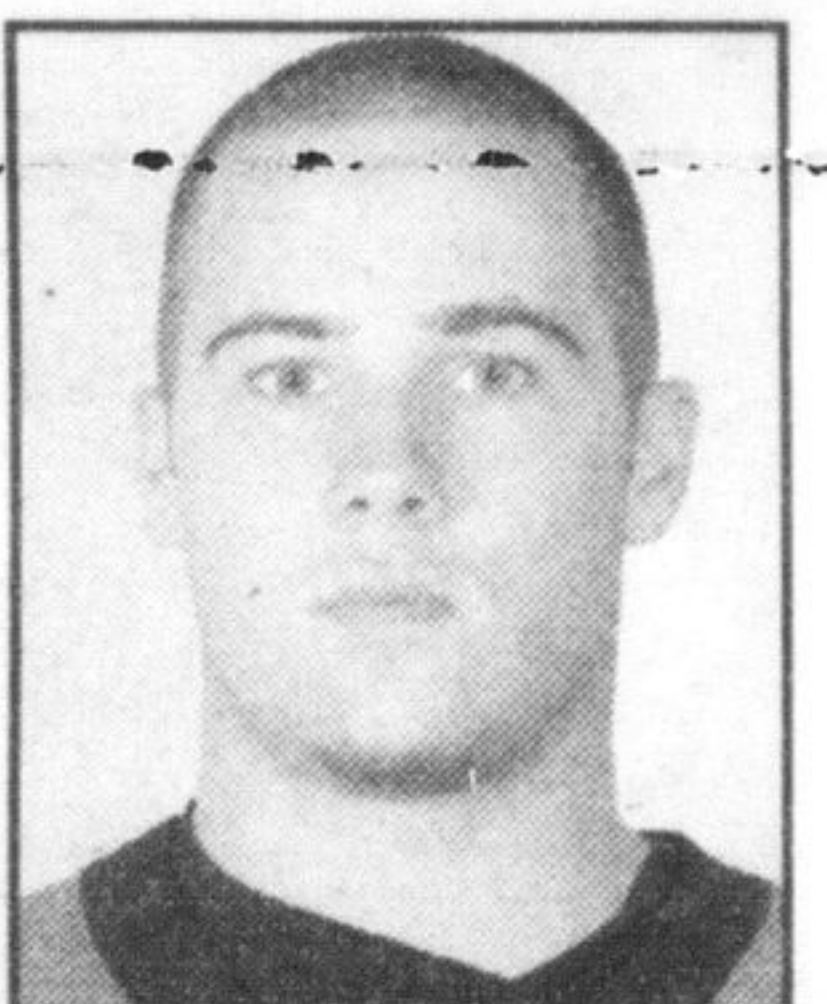

His Dudley Hewitt Cup host club is now two wins away from securing the conference title, after Kevin Harvey scored early in the second overtime frame Wednesday to clinch a 3-2 triumph.

Oakville hosts game four tonight, while the teams return to Alcott tomorrow evening. Both games start at 7:30 p.m.

If necessary, games six and seven will be played Monday in Oakville and Wednesday in Georgetown respectively.

## Halton District School Board ELEMENTARY TEACHERS BEGIN "WORK-TO-RULE" MONDAY, MARCH 21, 2005

Halton District School Board's elementary teachers, represented by the Elementary Teachers' Federation of Ontario (ETFO - Halton), are presently in a legal strike position, and have indicated "work-to-rule" activities will begin throughout the Board immediately following March Break.

These work-to-rule sanctions include elementary teachers not attending staff meetings, not attending school committee meetings, and not performing any administrative or custodial functions. Also, at this time teachers will not be organizing any new field trips, however ETFO has agreed existing field trips will go ahead as planned. Further sanctions are anticipated as contract talks continue in Halton and across the province.

Student safety continues to be the priority of the Halton District School Board. A continuous review of school activities that may be impacted by sanctions will be ongoing. This may include the potential to cancel field trips should student safety become an issue.

The Halton District School Board will continue to keep parents and students informed of the work-to-rule implications, or any change to the union's actions. Information will be updated regularly on both the Board's website at [www.hdsb.ca](http://www.hdsb.ca) and through the Board's automated phone system at (905) 335-3665; press "4" for the recorded update.

Thank you for your patience and understanding at this time.
