SENIOR CONSTRUCTION MANAGER

The Reid's Heritage Group of companies is one of the largest homebuilding and real estate development operations in South Western Ontario, with projects actively underway in cities across South Western Ontario. Our target markets include everything from first time buyers through to retirement communities.

This is an exciting career opportunity to join our senior management team at our head office in Cambridge. Reporting to the Vice President Operations, the successful candidate will be a seasoned, professional residential and commercial construction manager. Your track record includes hands-on experience with all aspects of residential and commercial construction, and you are equally comfortable on the job site, or around the boardroom table.

The Senior Construction Manager will lead and manage our residential and commercial construction divisions across Ontario. Your prime responsibilities will include quality control, health & safety, customer satisfaction, scheduling, allocation of resources, problem solving and acting as a construction advisor.

You will have a natural ability to earn the respect of site staff and trades, and you are skilled at working with a broad range of staff and departments in a complex, fast-paced environment. Acting as a "right hand" to the Vice President Operations will be a key aspect of this role.

The qualified candidate will have at least 10 years experience in residential home building and commercial construction, possess excellent organizational, interpersonal and communication skills, and have the ability to work well under pressure. You are a highly motivated individual, possessing excellent management skills and have an ability to think strategically.

To learn more about our companies you can locate us at www.reidsheritagegroup.com

Please fax a covering letter and resume by April 8, 2005 to 519-654-9746

Attention: Human Resources Dept.
