## Female mentors set to act as career coaches

The Halton Industry Education Council (HIEC) will host 'Women as Career Coaches' tomorrow.

The event is designed to involve a variety of women from different occupational pathways to encourage and help young women become better informed about the options available to them in the work world.

Female mentors representing all career sectors will act as career coaches to empower young women to take control of their futures.

Attendees will have a chance to speak with female representatives from politics, the skilled trades, government, business, science and technology.

Highlights of the event will include 'Making Her Mark', a 50-foot exhibit of artwork by young women on the theme of identity from Girlspoken at Laurentian University.

The evening's keynote speaker will be Karyn Gordon, a parent/teen coach and author. Her talk, 'Spill Your Guts,' will focus on understanding the power of attitudes, moving beyond fears, setting and accomplishing goals, creating authentic relationships and striving for a life of excellence.

Regional Chair Joyce Savoline will act as the honorary event chair. The session will run from 5 to 9 p.m. at the Burlington Convention Centre.

For more information on Women as Career Coaches, call Marilyn Fish at (905) 634-2575, ext. 10, or e-mail [mfish@hiec.on.ca](mailto:mfish@hiec.on.ca).

HIEC is working in partnership with the Ontario Women's Directorate, Partners for Change Initiative on the event.

## Subway store to hold grand opening Thursday

You can enjoy a sandwich for a good cause Thursday at Subway's grand opening at the corner of Derry Road and Ontario Street.

Proceeds from the day will go to Milton District

Hospital and the college fund for Subway student staff.

Milton Mayor Gord Krantz will be on hand at 11 a.m. for a ribbon-cutting ceremony.

This is the second Subway store in Milton for Muhammad and Sanila Irfan, who bought their first Subway franchise on Main Street about three years ago.
