"A compelling combination of power, responsiveness, room and refinement"

Chrysler 300. The 2005 Motor Trend Car of the Year.

"The Chrysler 300 is an extremely compelling combination of power, responsiveness, room and refinement," said Angus MacKenzie, editor-in-chief of Motor Trend. "A home run on significance, a slam dunk on value, and clearly superior to its rivals in every way, the Chrysler 300 is truly deserving of the 2005 Motor Trend Car of the Year award. In a market filled with so many outstanding vehicles, Motor Trend seeks to identify brilliance," said MacKenzie.
