

Parking enforcement officer assaulted

A Milton man has been charged with assault after a bylaw enforcement officer ticketing a vehicle was struck March 19.

The incident occurred at about 2:30 a.m. on Irvings Terrace. An officer was ticketing a car that was violating the three-hour parking bylaw while another officer waited in the enforcement vehicle.

Someone then came out of a nearby house and kicked the officers' truck three times before striking the officer waiting inside in the face.

The victim suffered a slight irritation around his eye, but was otherwise uninjured.

Charged with assault is a 25-year-old man of Irvings Terrace.

Two homes ransacked

Halton Regional Police are investigating two residential break-ins.

Sometime between 8 and 10 a.m. Monday, suspects entered a home on Highside Drive by cutting away the screen from an unlocked basement window and stole an undetermined amount of property.

Around the same time, a home on Woodward Avenue was broken into the same way.

If you have any information that leads to an arrest in this or any other matter, you may be eligible for a cash reward. You will never have to give your name or testify in court.

Cops promoted

The promotions of four members of the Halton Regional Police Service with Milton connections were announced at a recent meeting of the police services board.

The newly-promoted Superintendent Joe Taylor started with the service in 1979 and spent a brief time in the Milton uniform patrols 10 years later. In 1991 he was assigned to District Criminal Investigations in Milton.

Inspector Dave Gwilliams, who was promoted earlier this year, was Milton's crime prevention sergeant in 1991.

Inspector Marty Power, who was promoted last month, worked in Milton from 1989 to 1999, where he supervised the District Crime Prevention and Community Directed Patrol units, as well as the uniform platoon and the Criminal Investigations Bureau.

And Staff Sgt. Carol Crowe, also promoted last month, assisted in the investigation of the homicide of Miltonian Murray Parrott in 2001 as part of the Major Incident Response Team.
