

# Eco-Challenge participant to speak at chair's breakfast

Halton Regional Chair Joyce Savoline will host the second Bell/Chairman's Breakfast on the Environment April 29 at Rattlesnake Point Golf Club.

The keynote speaker at the event will be Yvonne Camus, who will discuss her experience at the World Championship of Adventure Racing — the Eco-Challenge.

Valuable insights about teamwork, commitment and enthusiasm for life will be entwined in her presentation full of spectacular

visuals and humorous stories.

Recipients of the Halton Youth Awards for Environmental Excellence and the Halton Environmental Scholarship Awards will be honoured at the breakfast as well.

The first Breakfast on the Environment was held last September and featured author and renowned deep sea explorer Dr. Joe MacInnis as the keynote speaker.

Registration forms for the event are available at

[www.region.halton.on.ca/business](http://www.region.halton.on.ca/business) or by calling Halton's Business Development office at (905) 825-6000, ext. 7514.

Tickets cost \$40 each and corporate tables of ten are also available.

The Chairman's Breakfast on the Environment is supported by Bell Canada through the Bell Community Development Fund and presented in partnership with the TD Friends of the Environment Foundation.
