Container gardening - one of the hottest gardening trends

(NC)—Gardening is one of Canada's fastest-growing outdoor leisure activities. For those who like to garden but don't have a large yard, container gardening is the perfect solution. To help you get started the gardening team at Canadian Tire offers the following unique ideas:

plant in. They will provide the space with immediate colour while you are waiting for your garden to grow. Planters range in style from exotic to country casual to traditional; visit the garden centre at Canadian Tire to find the perfect box for your outdoor décor.

- Bulbs add a dramatic accent that can turn a small space - like a patio or balcony - into an exotic garden.

- Easy to grow bulbs include Hemerocallis, Zantedeschia, Begonia, Dahlia, Hosta and Astilbe.

- Plant a herb garden for a constant supply of fresh herbs. Basil, chives, parsley, marjoram and thyme are all easy to grow in containers.

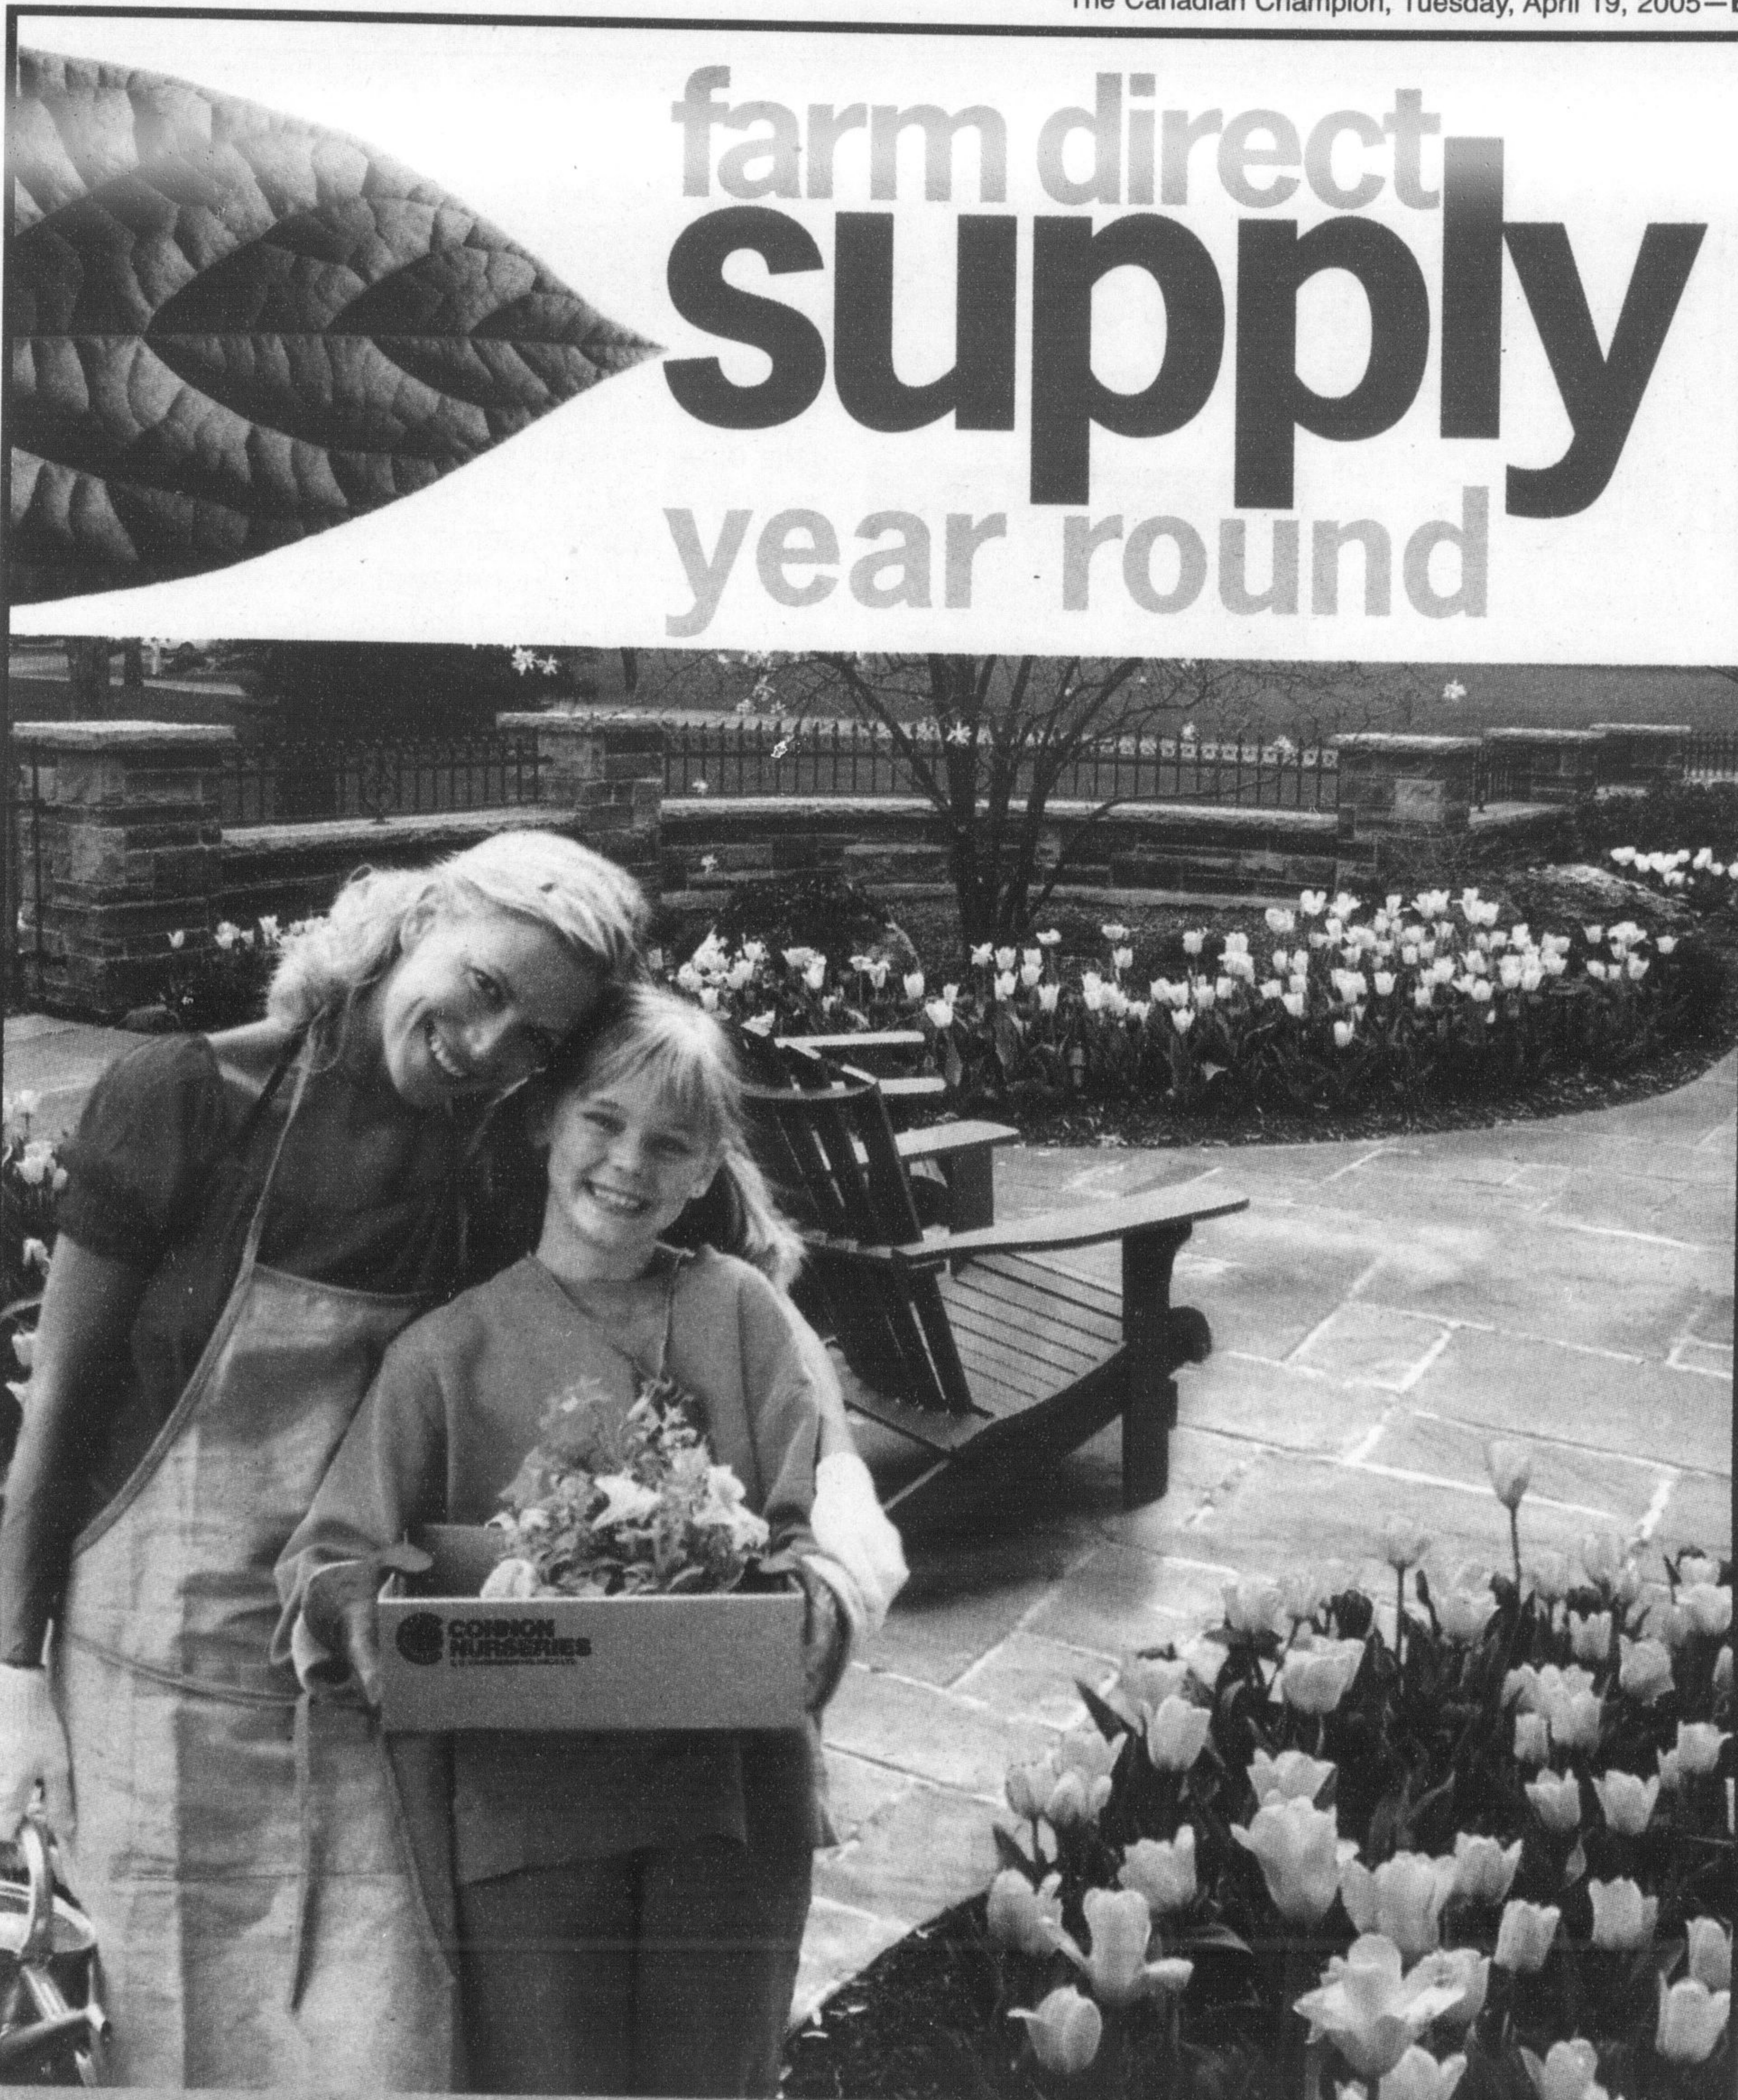

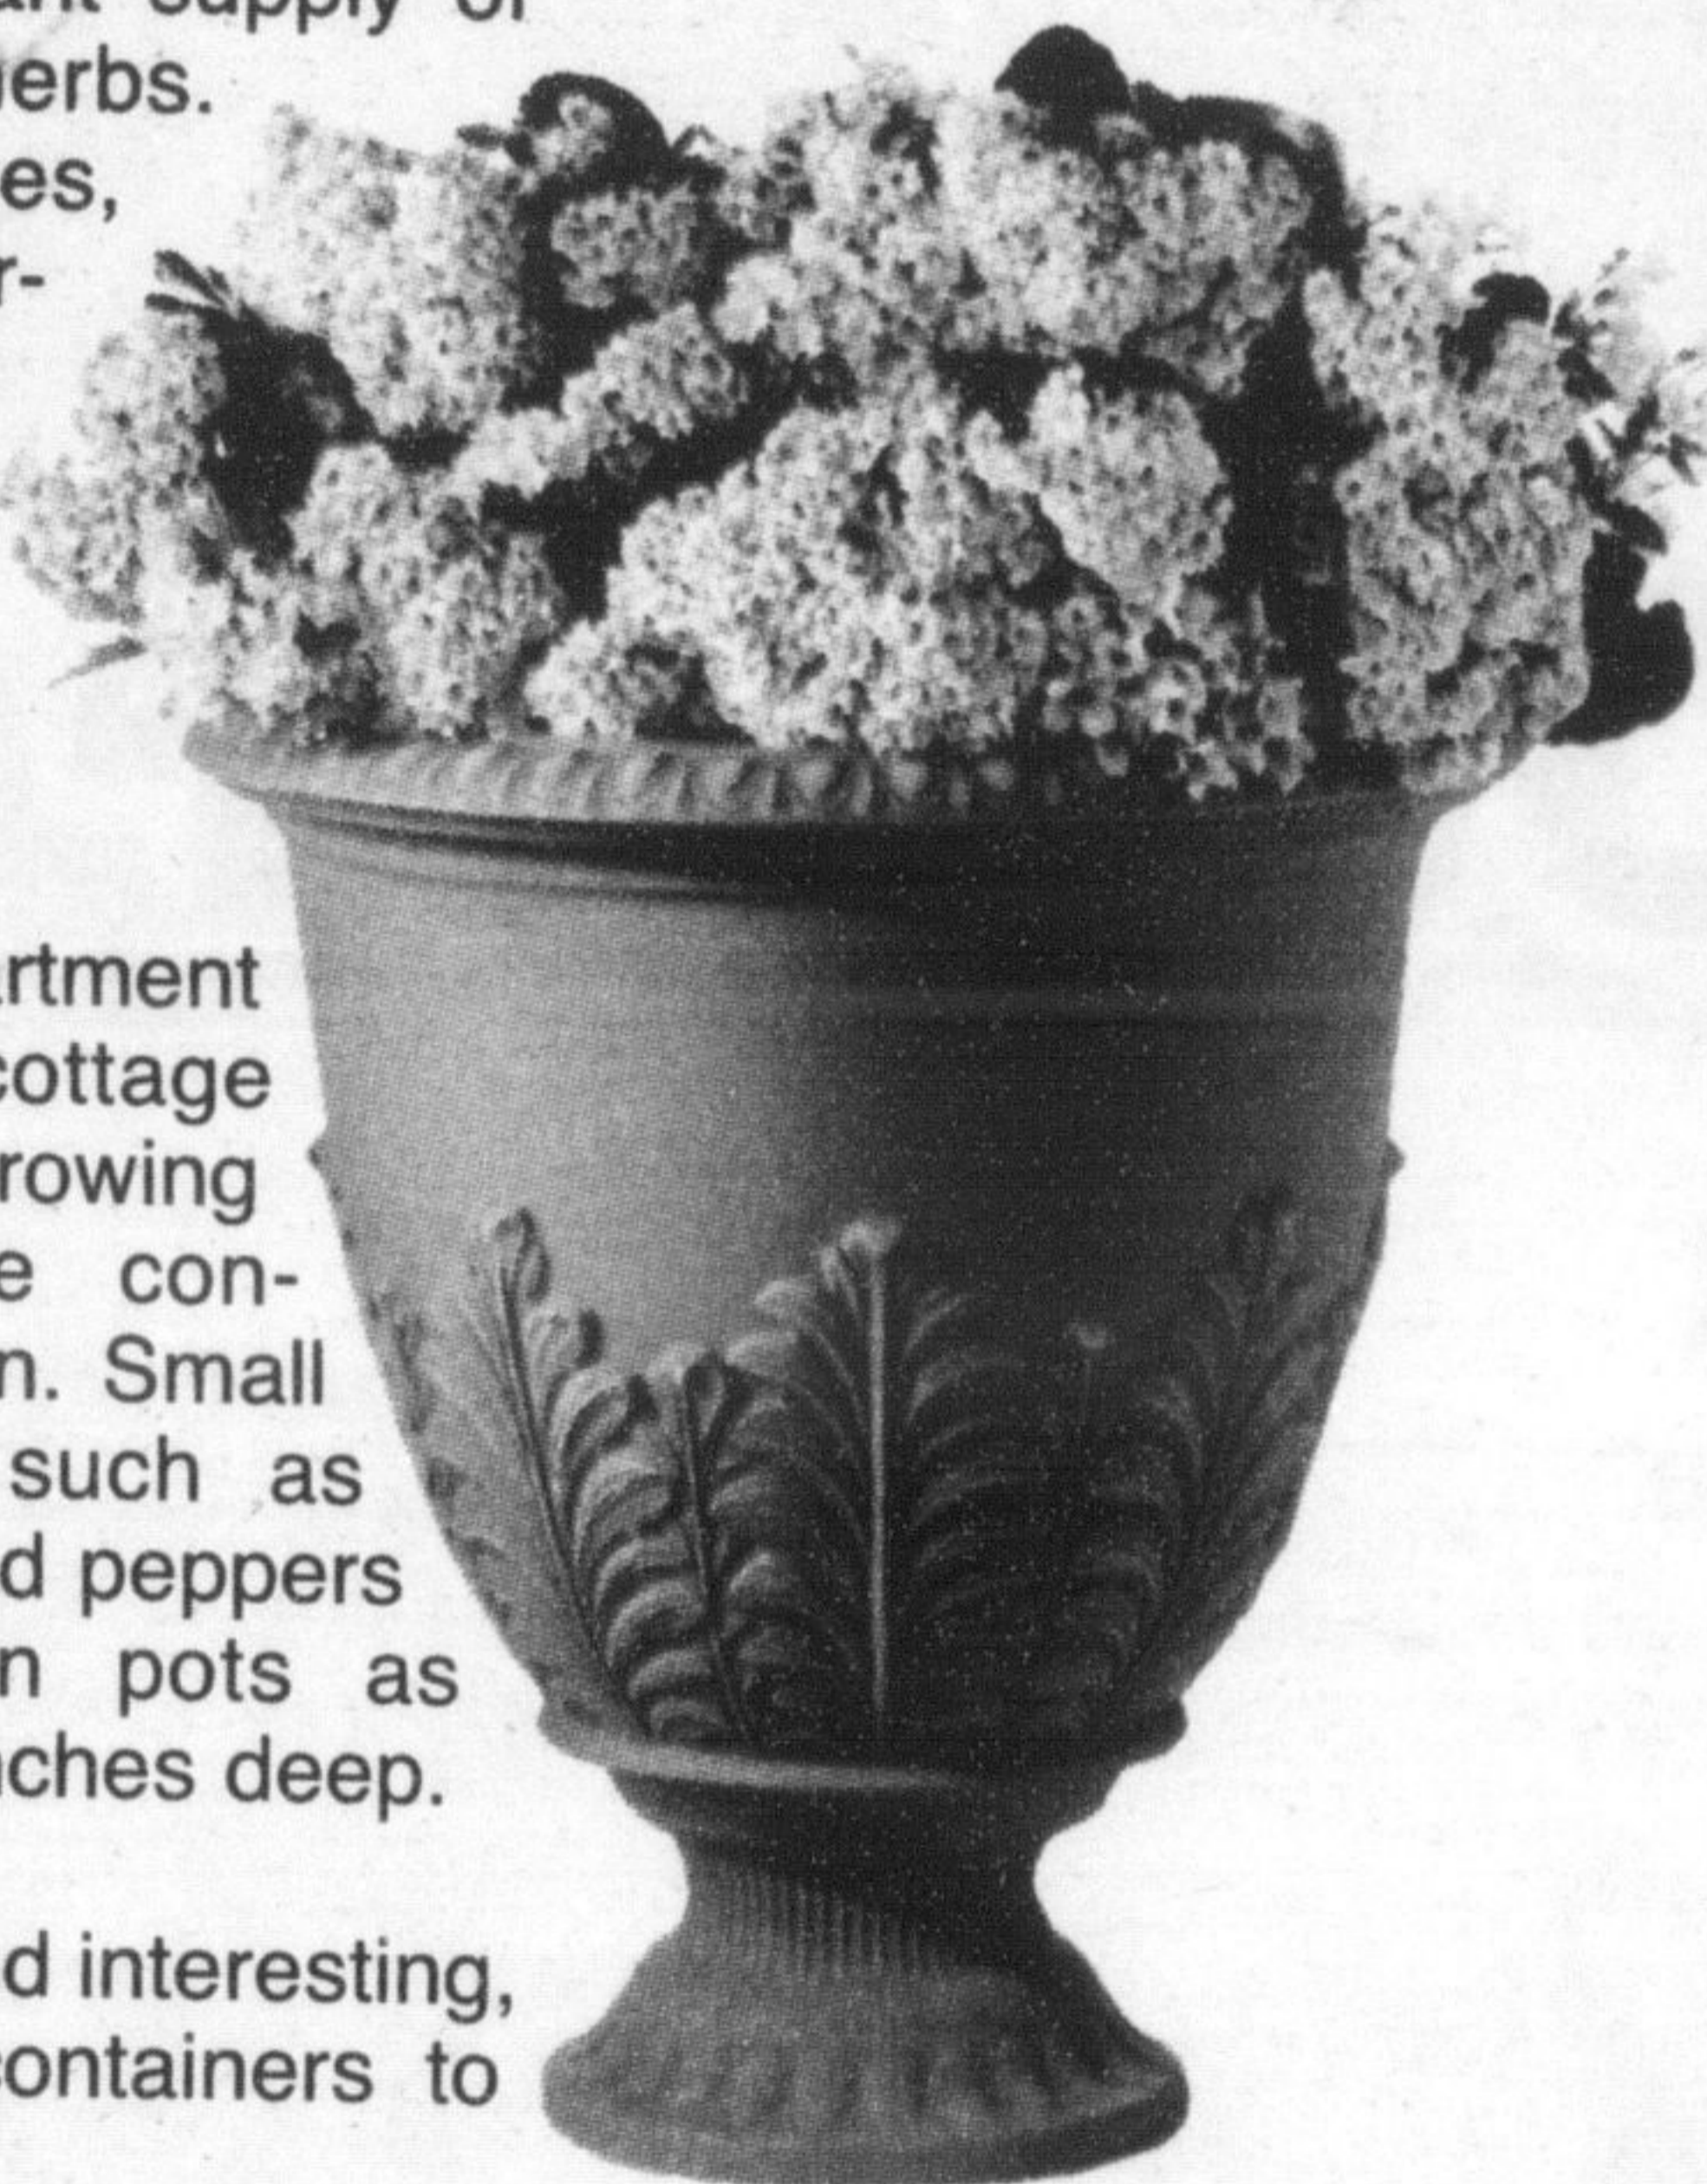

- For apartment patios or cottage decks, try growing a vegetable container garden. Small vegetables such as tomatoes and peppers will grow in pots as small as 5-inches deep.

- Try to find interesting, decorative containers to

- Buy a couple of extra containers for children to use as their very own first garden.

- For weddings, birthday parties or other special events, create special containers to use as centerpieces.
