

### EYELASH ENHANCEMENT

is one of the most popular make-up procedures. This procedure supplements sparse eyelashes, making them appear fuller. All the work is done between the lashes. The beauty of it is that no one knows you had any work done due to the natural look you end up with.

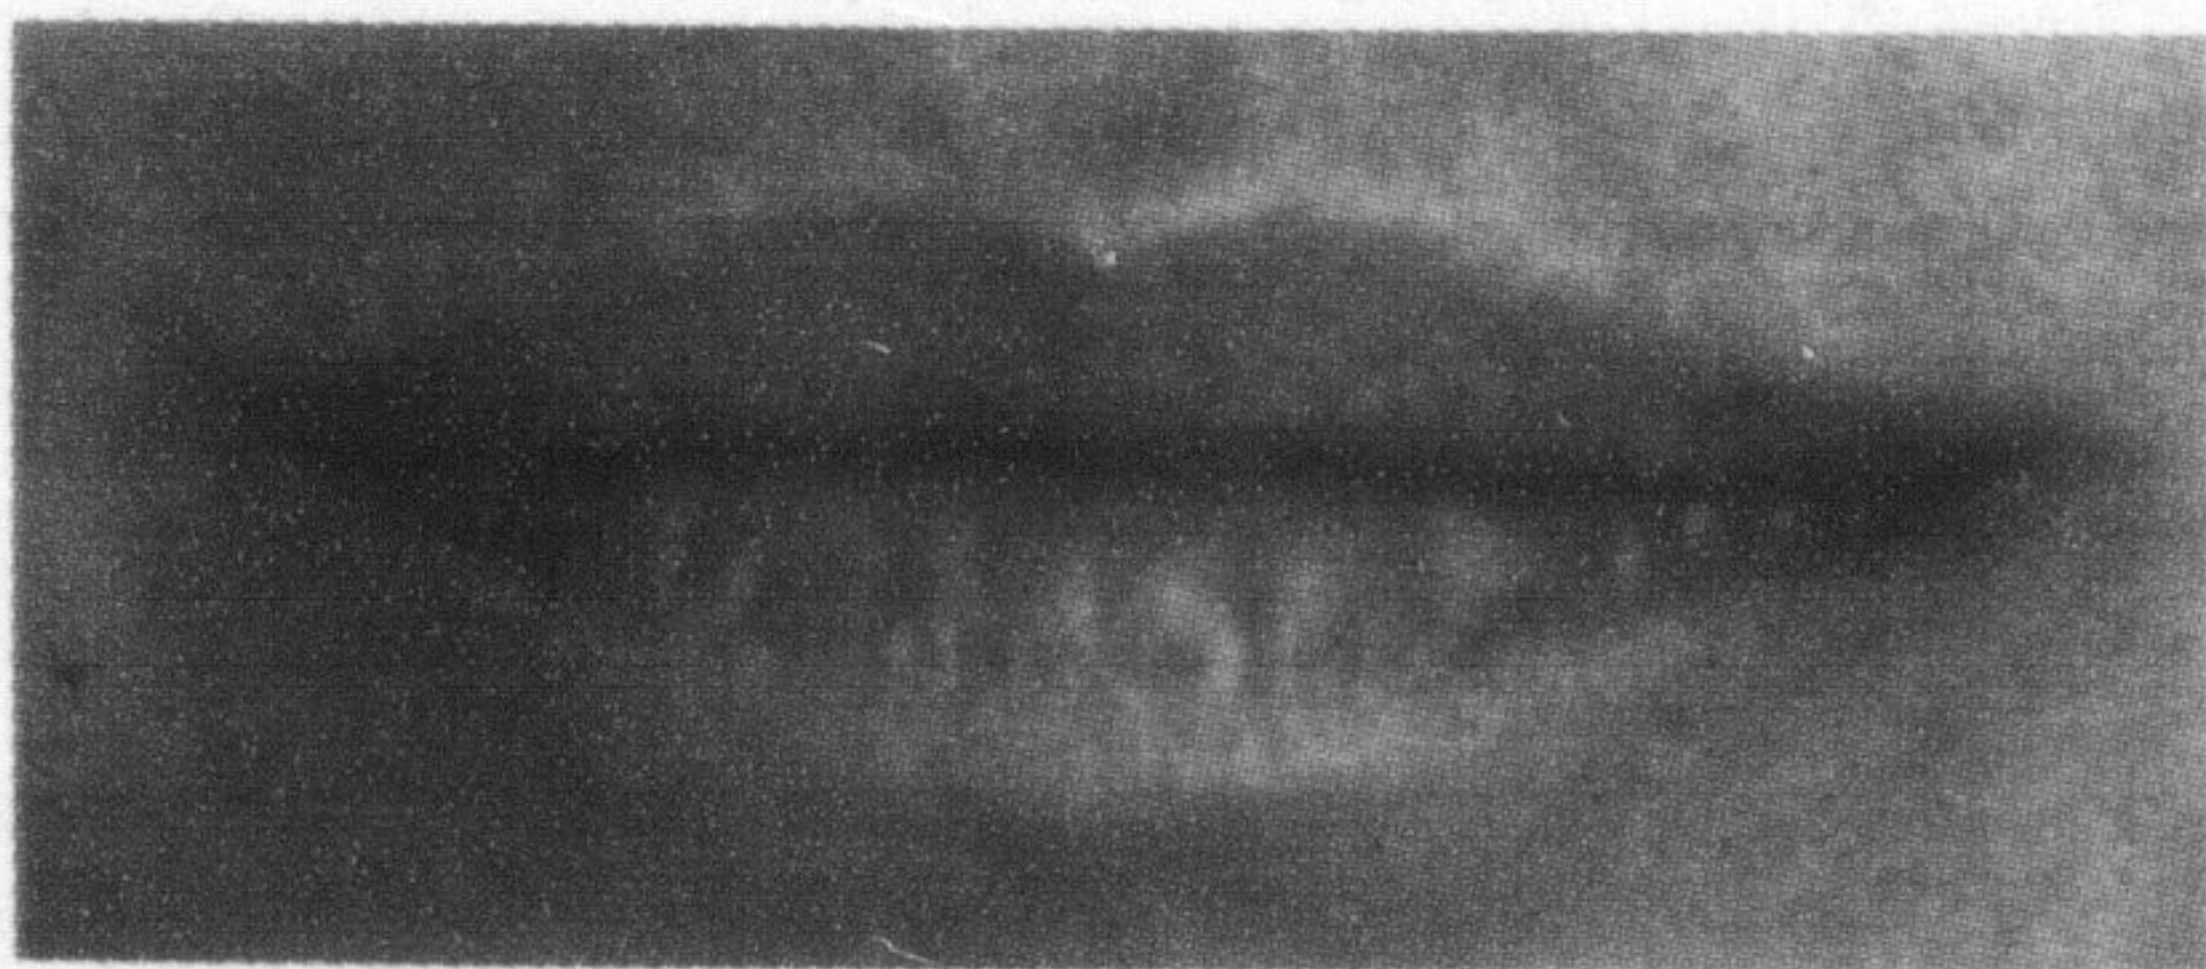

BEFORE

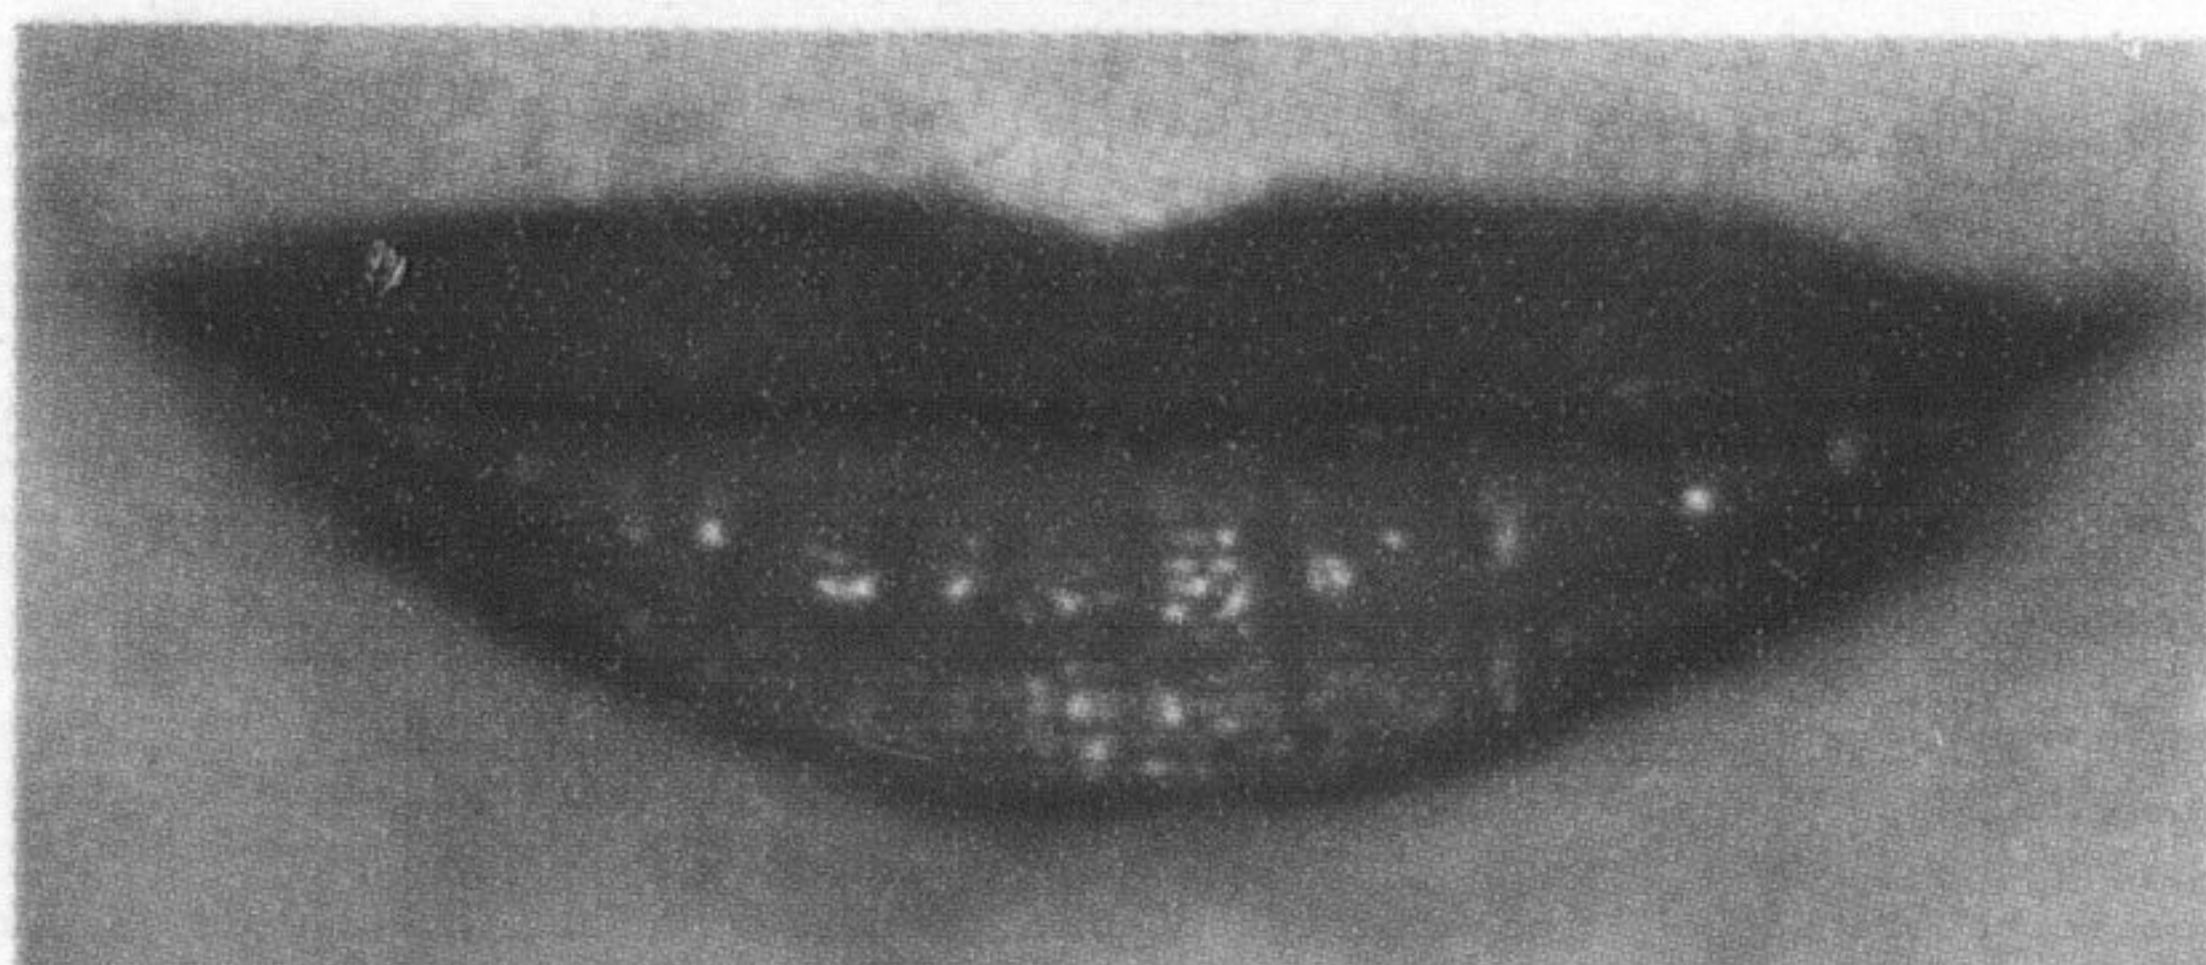

AFTER

**EYEBROWS** bring the whole face into balance. Not only do eyebrows frame the features of the face, but when properly defined they have the ability to alter the entire facial shape. I add style and definition to sparse or half formed eyebrows by using the "Hair Stroke Method".

**EYELINER** is just what it says, all my work is done above the lashes creating a smooth flawless line. Lining the upper and lower lids adds depth and definition to the eyes.

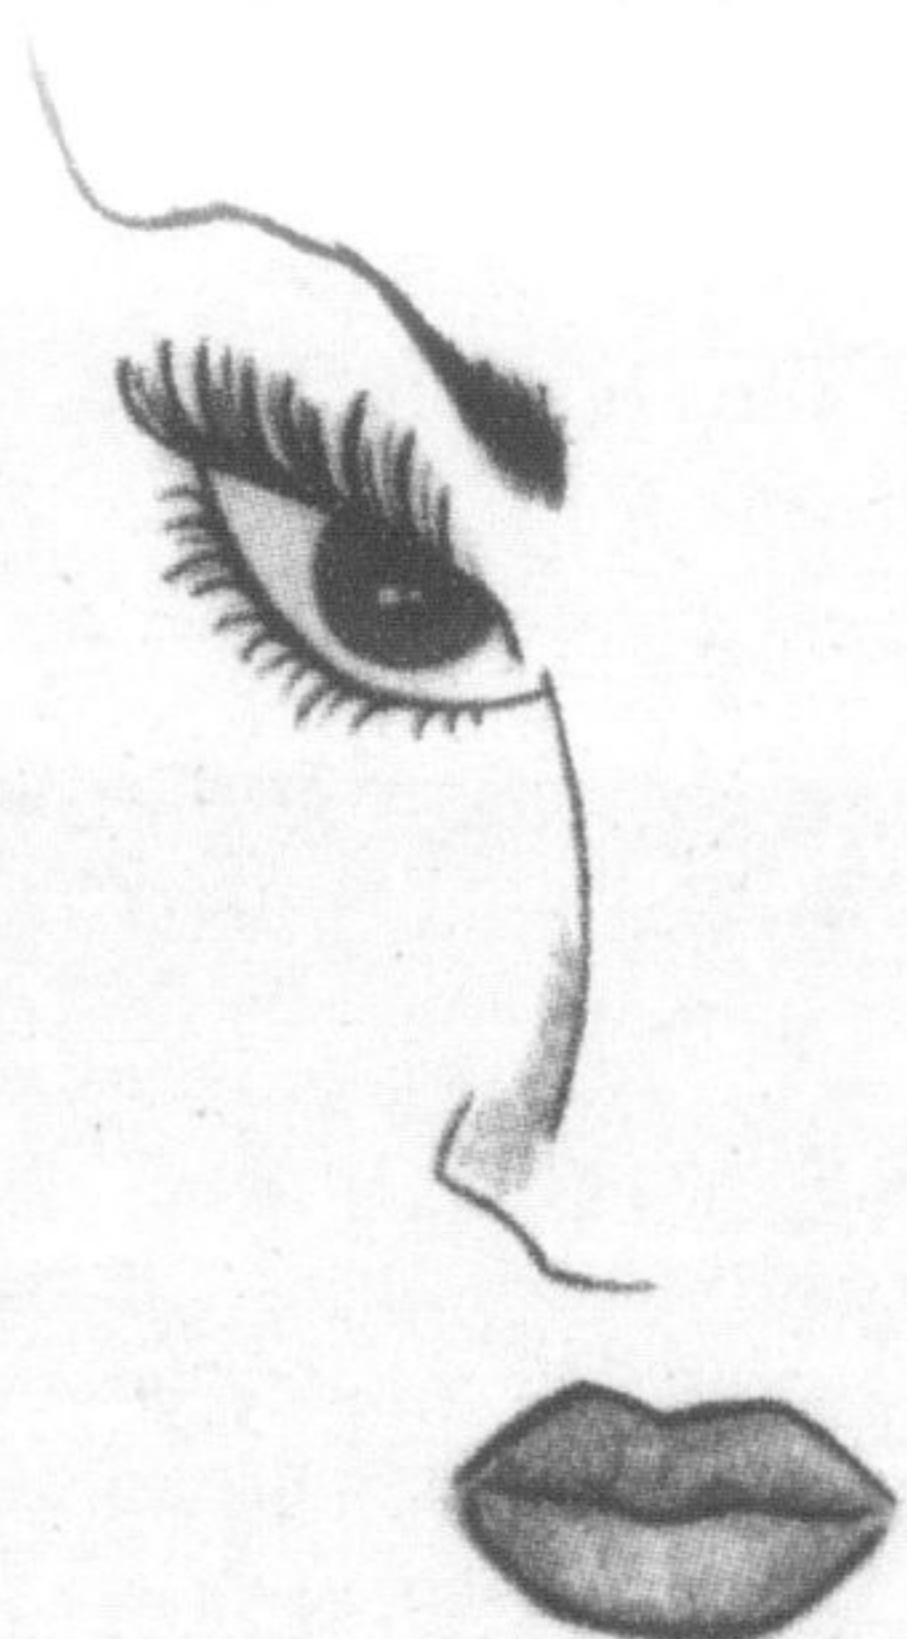

BEFORE

AFTER

**LIPLINER** adds definition and can bring back the natural colour and shape you once had, or it can correct irregularities to create the shape you would like. Lip filler evens out the colour of the lips and helps prevent lipstick from bleeding.

## Finesse Permanent Make-Up Inc.

Hi everyone, my name is Ann-Marie Furness and I am a Permanent Make-up Specialist. I am affiliated with Doctor Stephen Brown at the Briarwood Cosmetic Surgical Centre in Oakville. I also have a home based business in Milton at 42 Dills Crescent.

There will be lots of action happening like many live Demonstrations every day, where you can see how sterile and precise my work is.

**Friday May 6th** a young lady in her 20's is having an **Eye Brow Procedure** done because she has absolutely no eyebrows at all.

**Saturday May 7th** at 1:00 PM I have a very beautiful grandmother in her 80's who will be having an **Eyeliner Procedure**. This lovely lady already has had her lip liner done with a partial filler. I must say - "*she's stunning!*" I would like to take the credit and say it's my permanent make-up that makes her look so young, but you can be the judge of that.

Right after the young grandmother's eyeliner procedure

at about 3:00 PM I am going to work on her daughter who is in her forties. This lovely lady is having an **Eye Brow Procedure** done.

**Sunday May 8th** another lady will be having a **Lip Liner and Partial Filler Procedure**.

You see permanent make-up is for men and women ages 18 to late 90's.

About 60% of my clientele are in their 60's, 70's and 80's.

*Why should anyone, at any age, STOP looking sharp and sophisticated!*

I will be giving a **FREE** draw for an Upper Eyeliner at the show.
