

Correction

Errors occurred in an article in Tuesday's paper about Connections 4 Christians.

The article implied churches must pay to be included on the Web site when, in fact, it's only businesses that are required to pay.

Also, the article erroneously stated that Ken Quiggan owns Our Father's Farm, when he doesn't.

The Champion apologizes for the errors and any inconvenience they may have caused.

Blaze rips through two townhouses

Milton residents are being warned about the dangers of halogen bulbs after a serious fire swept through a townhouse complex Tuesday evening.

Firefighters were called to the complex at the northwest corner of Woodward Avenue and Wilson Drive at about 8:45 p.m. When they arrived they found fire venting out the second floor and roof of a unit, which then spread to the attic of the attached unit.

Fire chief Larry Brassard said crews made an aggressive interior attack under heavy fire conditions. The blaze was contained within minutes, but firefighters remained on the scene for several hours.

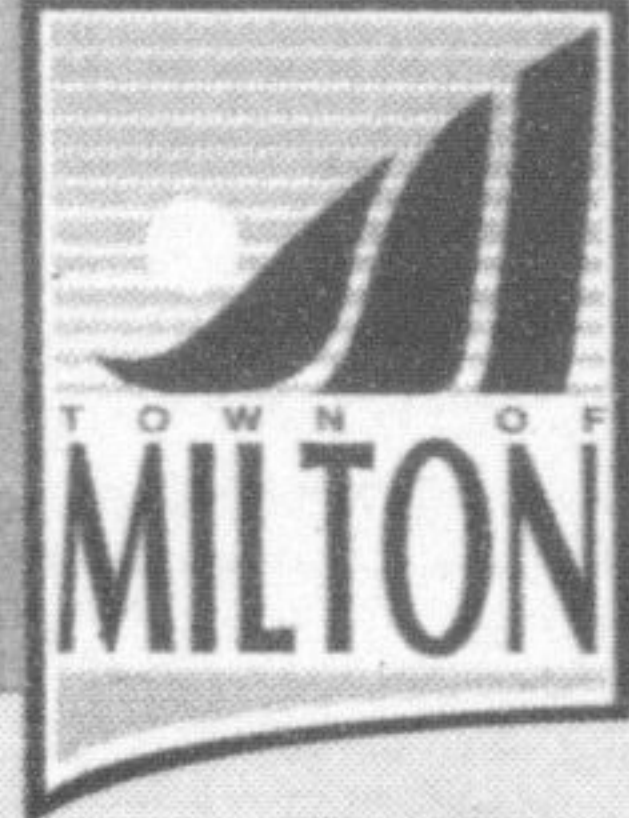

The fire started when breeze from an open second-floor window caused curtains to be blown over a very hot, open-topped halogen lamp stand, said a spokesperson from the Milton Fire Department.

The curtains ignited and fell onto a chair below, and soon the room was engulfed in flames.

Residents are being cautioned that halogen bulbs burn extremely hot and shouldn't be placed next to anything combustible.

Residents of the two units weren't home at the time of the blaze.

Damage is pegged at about \$60,000.

EXPLANATORY NOTE

PURPOSE AND EFFECT OF THE BY-LAW

By-law No. 047-2005 amends the Town of Milton Comprehensive Zoning By-law 144-2003, as amended.

The purpose of By-law No. 047-2005 is:

- To implement more specific definitions relating to veterinary clinic and veterinary hospital uses and to differentiate between Veterinary Clinic – Small Animal, Veterinary Clinic- Large Animal, Veterinary Hospital- Small Animal and Veterinary Hospital-Large Animal;
- To permit the Veterinary Clinic-Large Animal and Veterinary Hospital – Large Animal uses in the Rural (A2) and Agricultural (A1) Zones;
- To permit the Veterinary Clinic – Large Animal use in the Secondary Commercial (C1-B), Commercial/Office Node (C1-D), Office Node (C1-E), Mixed Use (C1-F), Secondary Mixed Use Commercial (C2), Local Commercial (C3), Hamlet Commercial (C4), Business Commercial (C6) Employment (EMP), Business Park (M1) and Industrial (M2) Zones; and,
- To revise all terminology in the zoning by-law relating to veterinary clinics and veterinary hospitals to be consistent with the new references and definitions.

It should be noted that while implementing more specific terminology with respect to veterinary clinics and veterinary hospitals, these uses will continue to be permitted in the zones where they were permitted prior to the adoption of the By-law.

LOCATION OF THE LANDS AFFECTED

By-law No. 047-2005 affects all lands within the Town of Milton regulated by Comprehensive Zoning By-law 144-2003 and therefore, no key map has been provided.

DATED at the Town of Milton, this 29th day of April 2005

DWELLINGS FOR SALE AND RELOCATION Request for Proposals

The Town of Milton is accepting proposals for the purchase and relocation of heritage dwellings located on properties known as:

**155 Mary Street
167 Mary Street**

These Mary Street properties will be considered for some aspect of the future Town Hall Expansion project. To support the Town's goal of preserving its heritage, Milton Council is desirous of selling these dwellings for relocation preferably within the urban boundaries of Milton.

Interested purchasers may view this Request for Proposals on the Town of Milton's website at www.milton.ca or pick up a copy of the document at the Town Hall, 43 Brown Street, 2nd Floor. Proposals in writing will be accepted until May 11, 2005.

For more information about this relocation strategy, please contact Jennifer Reynolds at 905-878-7252, extension 2180.

MAIN STREET EAST & THOMPSON ROAD SOUTH CPR GRADE SEPARATIONS CLASS ENVIRONMENTAL ASSESSMENT STUDY

NOTICE OF PUBLIC INFORMATION CENTRE

The Canadian Pacific Railway (CPR) has two level crossings within the urban area of Milton. One is located on Main Street East, immediately east of Ontario Street. The other is located on Thompson Road South, south of Main Street East. These level crossings presently impact the operation of both roadways and the surrounding road network. Grade separations are warranted at both locations based on rail and road traffic volumes.

Therefore, the Town of Milton is carrying out a study of Main Street East & Thompson Road South CPR Grade Separations, in accordance with the Municipal Class Environmental Assessment (Class EA) process, which is approved under the Ontario Environmental Assessment Act. McCormick Rankin Corporation has been retained to assist in carrying out the study.

The study areas for both crossings are shown below. In 2001, the Town completed an Environmental Study Report (ESR) recommending the widening of Thompson Road to 4 lanes from Derry Road to Steeles Avenue. As a grade separation is now warranted, the Town is considering combining these projects.

A Public Information Centre has been arranged for:

Date: Tuesday, May 10, 2005
Time: 6:00 p.m. – Open House (Drop-in centre)
7:00 p.m. – Presentation followed by question period
Place: Milton Sports Centre, Banquet Room
605 Santa Maria Boulevard, Milton

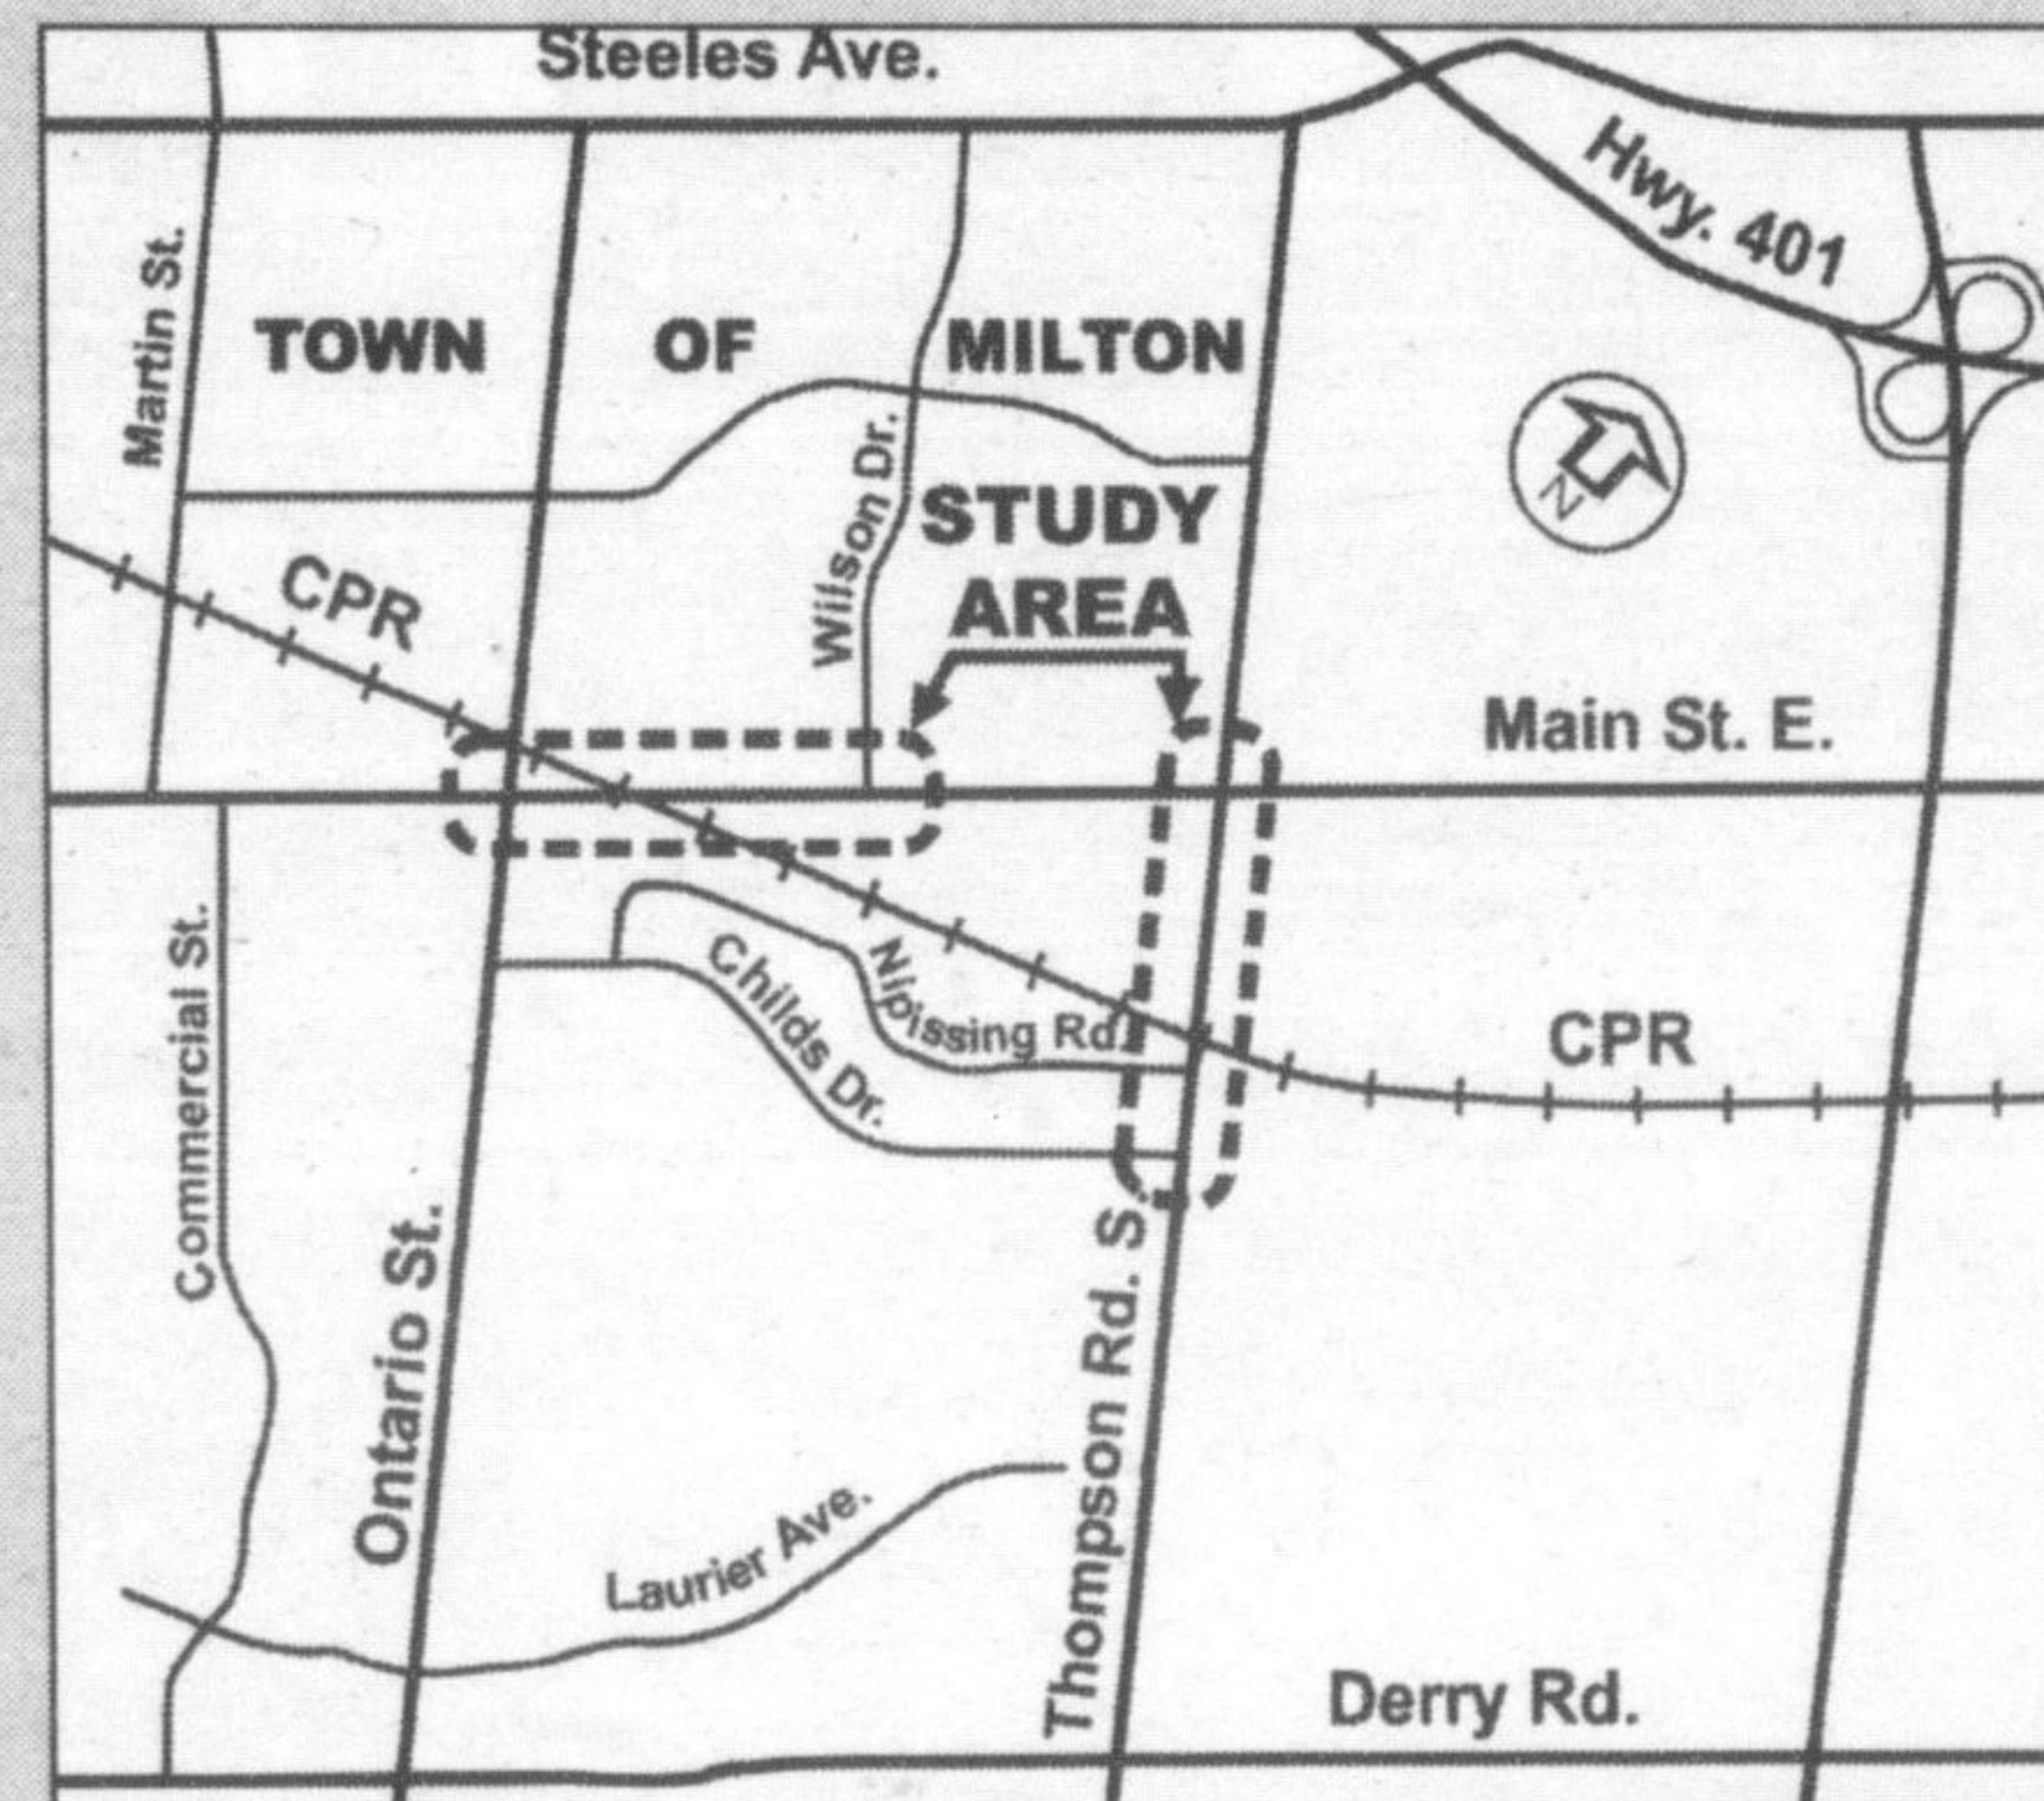

The purpose of the information centre is two-fold:

- 1) Thompson Road South:** to review the alternatives and the preliminary plan for the preferred alternative for the proposed CPR grade separation. Thereafter, the preferred alternative will be reviewed in light of comments received and an Addendum to the 2001 ESR is proposed to be filed in June 2005 for public review.
- 2) Main Street East:** to review the alternatives for the proposed CPR grade separation. Thereafter, the preferred alternative will be determined and a second information centre will be held in fall 2005.

If you cannot attend and would like to provide comments, please forward them by May 20, 2005 to one of the following:
