# Morning collision claims two

*Males killed instantly in Hwy. 401 crash*

By **MELANIE HENNESSEY**

*The Champion*

Two people were killed instantly in a serious head-on collision on Hwy. 401 west of Regional Road 25 early yesterday morning.

The crash happened around 3 a.m., shortly after police started getting calls about a vehicle traveling the wrong way on Hwy. 401 westbound between Guelph Line and Regional Road 25, said OPP Sgt. Cam Woolley.

"Officers arrived to find a terrible crash in the westbound passing lane," he said, noting it was at the crest of a hill.

The collision involved a black Pontiac Grand Prix and a silver Mazda. Two males from Kitchener traveling in the Mazda were pronounced dead at the scene, said OPP Const. Marcus Sanderson.

### Woman seriously hurt

The female driver of the Pontiac, a 45-year-old woman from Woodstock, sustained life-threatening injuries and was trapped in her car for about two hours. Paramedics attended to her while the Milton Fire Department assisted them and worked to extricate her.

"Her legs were crushed in the impact," Sgt. Woolley said.

Milton firefighter and acting captain Mike Clouston was on the scene. He said extrications don't usually take so long, but this was an "extreme circumstance."

"The impact was so great it just crumpled the car right around her," he said. "We basically had to remove most of the car (with the Jaws of Life)."

Once she was freed, she was airlifted to Hamilton General Hospital just after 5 a.m. where Const. Sanderson said she remains in life-threatening condition.

Sgt. Woolley said he wasn't prepared to speculate at this point on which vehicle was driving the wrong way.

The names and ages of the Kitchener males had not been released at press time. Sgt. Woolley said it's not known at this point if alcohol was a factor in the crash.

Hwy. 401 was closed for about five hours for a police investigation, which was still ongoing at press time. Witnesses are asked to call OPP Const. James Lefave at (905) 278-6131.
