President's Message

Joyce Hagevik

Have you taken the time to enjoy one of the reasons why Milton has become one of the most sought after communities in which to live? Be a tourist in your own backyard! Take the time to explore the beautiful winding roads along the escarpment, pick your own strawberries, sail at Kelso Lake, go "antiquing in Campbellville," visit the downtown Milton Farmers' Market, book a camping trip with your family and friends or take a horseback riding tour through thousands of acres of trails.

This tourism area, which encompasses 380 square kilometers north and south of the Highway 401 corridor is called Escarpment Country™. Escarpment Country™, is a trademark of the Milton Chamber of Commerce, and one that we are certainly proud to

promote. Escarpment Country™ is a marketing alliance of partners who rely on tourists, visitors, and residents to make their tourism-based businesses prosper.

You may have noticed our blue tourism-oriented directional signs as you travel around Milton and its neighboring areas, and the area profile signs on Highway 401. These signs allow tourists and residents to be aware of some of the many events, attractions and conservation areas that our area has to offer. By supporting our local tourism partners, you are supporting your community, and having fun at the same time! The Milton Chamber of Commerce publishes an annual Visitors' Guide which is available at all information kiosks throughout Ontario. Feel free to come and pick one up at the Chamber office. For more information, please contact the Milton Chamber of Commerce or visit www.escarpmentcountry.ca.

Congratulations to all of the ATHENA Award Nominees 2005 including Chamber members Rosa Martins, Jennifer Reynolds, Peggy Grall, Donna Danielli and Kate Pulford. Congratulations to recipient Gwen Dryden.
